

# Mattei Middle School Bands

## Beginning Band Supplies: Trombone

You will need to rent or purchase the approved instrument and materials below.

**Do not substitute a different model of instrument without first speaking with your band director.**

**Warning:** There are many cheaply made "instruments" sold online and sometimes in discount stores. These are made with inferior materials that do not hold up to daily use in a band program and cause students to perform poorly. Some even contain materials, including lead, that can be harmful to your child's health. The instruments approved for use in Princeton ISD have been carefully selected based on the best value of cost vs. quality and, with proper care, will be usable for many years.

*For legal purposes, we are required to inform you that the statements above are the professional opinions of the band staff and, though based on many years of experience and training, are not necessarily statements of fact.*

**Preferred Trombones:** Yamaha YSL-448G or Conn 52H

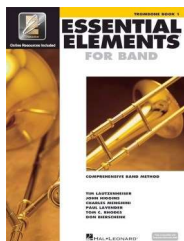

**Acceptable Trombone:** Shires TB-147

**Required Mouthpiece:** Bach 5G

**Any other model MUST be approved by a band director!**

### Required Trombone Supplies:

Essential Elements  
Book 1 for Trombone
