

Other Items

All woodwind and brass students need a sturdy chair and a music stand at home for practice. Percussionists will only need the music stand. Folding music stands are available with other music supplies and are both inexpensive and can be conveniently stored and carried.

Where to Get Your Music Supplies

These music stores call on our campus weekly. This allows us to follow up on your orders, correct any problems, and assist with service needs throughout the school year.

These stores can also deliver your instrument directly to the school in the fall.
