And The Staff Present:

You Meet The Nicest
People At FHS

Smiles, Laughter Part Of Friendship

The smiles, the laughter, and the talk that can be heard echoing in the halls, add to the closeness and friendship of the students at FHS. Every year new faces are seen and new friends are made. These friendships continue throughout the years, even after the high school days have passed. You meet the nicest people at FHS.

At Top Opposite Page are Helen Barker and Danny Rose conversing between classes.

At Bottom Opposite Page are Russ Miller, Marcia Locke, Dennis Wiese, Anita Sutton participating in Senior Awareness, a part of English IV.

At Top is Mike Wendell initiating a freshman during Homecoming. Above are Tara Jueschke, Annette Spiering, Connie Tirrel, Marlys Ehlers, Jill Zebill relaxing during a break at Homecoming Dance.

At Left is Chris Sigle lending a helping hand.

Relaxing Time For Us

Contrary to popular belief, students at FHS found time during the day to relax. The between class rush to the lockers; the late-to-class sprints; the romantic interludes; the before school strolls around the halls; and, the general friendly atmosphere served as a pleasant diversion from the classroom routine.

In anticipation of the day ahead, students "drag" themselves to school by various means. Some walk, some are delivered by bus, and a few of the students drive their own cars.

At 3:40 in the afternoon, the students are dismissed. The halls are soon flooded with students and are just as quickly emptied of them.

Above are Mary Parsley, Cindy Veldkamp, Jackie Schatz, and Janet Locke making popcorn for FHA.

Middle Right is Diane Hoss screaming down the hall.

At Right is Marcia Locke wearing her outfit for Hobo Day for Homecoming.

Discovering Trades At Vocational School

The East Central Multi-District Vocational School, in its second year, began with the addition of a new course, Sales and Services. This new course was offered along with the previous classes of Building Trades, Business Education, Health Occupation, Auto Mechanics, and Electronics. The students who participate in these classes are able to gain necessary skills and experiences in the trades of their choice.

The students take the bus ride to Brookings every morning at 9:30 a.m. to attend their 10:00 a.m. classes.

As stomachs start to rumble, students are dismissed at 12:00 to return to FHS. They eat a rushed dinner and return to the rest of their classes.

Students Hold Jobs

After the school day is done, some students still must go to a job which will occupy much of their after school time.

They work for various reasons; the most prominent of which is to earn some extra money. Also, the students find that working provides a sense of enjoyment, accomplishment, and experience during their high school days.

Race To Dinner Daily Event

Mr. Harold Schoeneman signaled the beginning of dinner by excusing the hungry students from class. Students were seen racing down the halls to be first in the lunch line. Usually they were slowed down by one of the teachers on "noon duty."

For many students this was their first break from the routine all day. There were two, 25 minute lunch shifts. Students alternated the shifts they ate every other week. Vocational school thundered in during the last 10 minutes of late shift to hurriedly gobble their food.

This year the cooks tried something different. Students and faculty had their choice of chef salad or the regular menu.

Top Right is a group of students conversing during their lunch break.

Discos Featured At Dances

FHA helped kick-off the dances by sponsoring a sock-hop. Brian Bonde furnished the disco music.

Homecoming Dance was held September 16 at Spafford gym following the football game. Dakota Disco from Brookings provided the music and special lighting.

To help raise money for Multiple Schlerosis, FHS students sponsored a Dance-A-Thon. Money raised for MS totaled over \$2000 and students danced for up to 22 hours.

FHA-FFA held a Christmas Dance December 10th at Spafford gym. Music for this dance was also provided by a disco group.

Youth Get Into Religion

Apart from the weekday activities, Wednesday nights were set aside as church night for the students. Church youth groups participated in various activities, such as: hayrides, potlucks, pizza parties, retreats, choroling, and roller skating parties.

These groups often worked together in their many activities. They worked on fund raising projects for the community and various charities. Besides these worthwhile activities, these students, also, found time for Bible study and church school.

FHA Kept Busy

The FHA chapter had another busy year. At the state meeting in October Keith Wilson was installed as State Treasurer, the first boy installed in South Dakota. Because Keith held a state office, our chapter hosted the Region III meeting in April.

The annual style show had a new twist this year with the addition of "Community Awareness." Booths were set up in the school to present local clubs and organizations.

Other activities included picnics; the annual Guest Night, where the members brought their parents or special guests for supper; and a Christmas dance held with the FFA. The FHA'ers also made Easter gifts for needy children, helped Keith with the MS drive, and some FHA'ers worked all night on the Jerry Lewis Telethon.

Annual Staff Strives To Preserve Memories

The yearbook staff again had a busy year. In preparation, the co-editors spent a week of their summer vacation at a yearbook workshop.

Later, during the school year, the annual staff attended a seminar sponsored by the American Yearbook Company and a Press Convention; both of which were held in Brookings. These workshops helped to develop original ideas and to create organization for the yearbook format.

Awards were also given at the Press Convention with the '77' yearbook receiving a first place plaque.

High Flyer Staff Keeps Up On Times

Just about every Wednesday the students get to catch up on the happenings in FHS by quickly going home and reading the "High Flyer," which is published in the Moody County Enterprise.

The 76-77 "High Flyer" received a All-State award at the Press Convention held in Brookings on October 1, 1977.

Besides conferences meets, the debate teams attended meets at Aberdeen, Brookings, Lincoln High School, and Augustana College plus the varsity team attended the NFL meet held at O'Gorman. The competition in these meets consisted of many class "A" schools and often times out of state teams.

At the conference meets, the "A" teamsters dominated the meets consistently. The "A" and "B" teams took several trophies during these meets including the first place sweepstakes trophy.

The championship team attended Regional and State Debate meets. The team placed 4th, losing in the semi-final round to Clear Lake.

Individual Events Part Of Team Totals

Many students participated in individual events this year. Most members competed in Extemporaneous speaking at one time or another. Also Oratory and Interpretation were two other events in which several members spoke.

Speakers received sweepstakes points in each of these events which were added to the total team points to determine the team's placing at the particular meet.

At the conference meets, several other events were open for competition. These were Humorous Impromptu, Duet Interpret., and Discussion.

The District contest this year was held here on November 2nd at Our Savior's Lutheran Church. Students from ten different schools meet to determine who would advance to the Regionals, which were held at Augustana College in Sioux Falls November 8th.

No members from FHS advanced to the state level of competition.

Students Produce Play About A Play

The All-School Play, "Up The Stage Over," was held April 24 in the high school gym. It had an unusual plot that included the many trials and tribulations of a group of actors and actresses putting on a play.

Admission charged for the play went for payment of royalties and other expenses such as, makeup, scenery, etc.

The band held three concerts during the year, with something special at each one. The first, the Christmas concert, was presented along with the chorus. The Pops concert was held on a Sunday afternoon preceded by a band dinner. The Spring concert, saluting the seniors, was held with two guest soloists, Dr. Warren Hatfield and Deb Schultz, performing along with the regular concert band.

Eight soloists and two groups participated in the Regional music contest at Madison on March 21st. From these groups, two soloists and a duet placed first.

Cross-Country Makes Circuit

The boys' cross-country team had five returning letter winners this year, along with three new faces. The team competed in six meets, along with the conference and regional meets. The team did not participate in the state meet, but Bill Sutton attended and placed fifth.

The eight girls in cross country had the same schedule as the boys, competing in a total of eight meets. Because of tough regional competition, Tracie LaPlante was the only member of the team to go to the state meet, where she placed twenty-first.

The closing half of the season was more difficult as the team lost their five remaining games.

The final standings in the conference were two and four with an overall season record of six and seven.

Squad Improves Record Over Last Year

The girls' "B" basketball team finished with a season record of 6-8.

The improvement of this year's six wins over last year's three was contributed by much hard work and teamwork by the girls. The squad is composed of freshmen and sophomores, all working to gain a position on the varsity squad.

The Varsity squad completed the season with a tournament at the Indian School and a final record of seven wins and three losses.

Lack Of Numbers Makes For Losing Season

The "B" team wrestlers had a disappointing season. The team, unfortunately, lost each of its nine matches. These results were caused in part by a lack of participation by the student body and several injuries early in the year.

Top Left is Todd Sanderson trying to get out of the grip of his opponent.

Stick Them With A Pin

The varsity squad wrestled in nine dual matches, winning three and losing six. They entered two invitational tournaments, placing 4th and 8th.

Arlington hosted the Districts at which three FHS team members won to advance to Regions at Dell Rapids.

Two wrestlers won at the Regions and proceeded to Sioux Falls for the state tournament held February 17-18.

Three members of this year's squad were seniors but several lettermen will be returning for more wrestling action next year.

Cheerleaders Boost Team Spirit

FHS cheerleaders for the 1977-1978 season were chosen last spring by a group of teachers, class officers, and cheerleaders from SDSU. They were interviewed by this group and also performed for them.

In preparation for the season, some of the cheerleaders attended a cheerleading camp at SDSU. Many hours were spent practicing and preparing for the games.

Four new school records were set this season. Times or distances were bettered in the 100 yard dash, 180 yard hurdles, shot put, and Medley Relay, which was a new event.

it seems to me a crime
that we should age,
these fragile times
should never pass us by,
a time we never can
or shall erase,
as friends together
watch their childhood fly.
