Band was a class where you can sit and relax with the added benefit of music. For others, it was all fun and games. Throughout our time in high school band, there have been sticks, shoes, and ham sandwiches thrown around inside the band room. The countless holes on the ceiling tiles are proof of these occurrences. On the buses on our way to contests, we drove the bus drivers crazy by singing them songs with the most annoying lyrics: "Frank, Frank, Frank, Frank, Drive the bus!"

■ ■ ■ "Mr. Foster was directing the band because he wanted to try it out. He used Mr. Weight's blue light saber and nearly hit Shelby and me. Good thing we ducked. We laughed so hard!"

ORAL INTERP SENIORS Kristin Wiechers, Alyssa Gunderson and Jacob Sutton MC the student showcase.

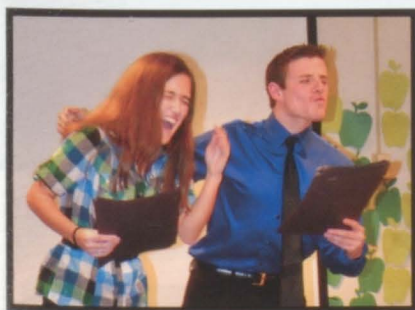

"Oral Interp is the one time you can copy someone and you are not considered childish." Showcase Opener

This season was probably the best season out of my four years participating in interp. The reason is because of who was involved this season. We had many new people who came out and it was exciting because we got to see their talents and link them to ours as well. We each had different strengths that we brought to the table in Reader's Theatre. We may not have gone to state with it, but we sure did have an excellent season with it. The highlight of this season for me was when I made semi-finals at the Sioux Falls Lincoln meet. I was shocked because the meet is so big that I never thought I could make it. I ended up getting seventh place and that was an achievement for me. I may not have made it to state, but I thought my season was strong overall.

"On behalf of the Flandreau Oral Interp Team..." Alyssa started this and it just kept going throughout the season. We complimented Ms. Tuchscherer with this line after every meet so we could go somewhere for something (and it usually worked!). This season had some very talented people. We had four entries go to state and I was proud of everyone who participated throughout the year! I could not have asked for a better team this year! Everyone was there for each other when we were down and we also just had fun. We are a team. We compete individually most of the time but supporting each other is what makes a team. It really means something when someone is willing to go dig through a trash can for someone else's retainer at Pita Pit! Keri, I will never forget that and I don't think anyone else will either! Especially Alyssa, the digger.

But ever since that day I have spent my study halls in Marda's room working on the yearbook. 2011 CROSS COUNTRY

- Coach **STREITZ**

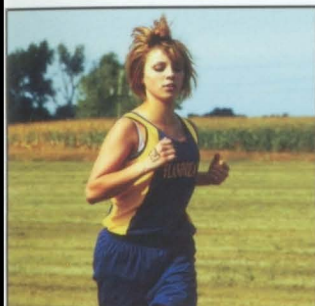

"Champions are made when no one is watching!" ~Anonymous

FHS CROSS COUNTRY - STAMINA & FORTITUDE The 2011 Cross Country season was made special by the athletes who made practices fun (and a little crazy) and very fulfilling. Whether that fun be Morgan Orlick and Kaylee Doyle winning the "Tour de Flandreau", the craziness of watching Travis Pinnick try to nail Mr. Gappa with a water balloon, or the success at the State Cross Country Meet with Jared Sutton and Guy Zephier placing in the top

25 and the boys' team placing in the top 8 for the second consecutive season. Our athletes made the season with their multiple marches up "Stenger Hill", the "Thrill Hills Pursuit Run" and the day to day dedication to self betterment and their teammates. The 2011 Cross Country season will be remembered as a season of hard work, success, and running for fun.

BUMP SET SPIKE This year had many ups and downs throughout the whole season. We had many injuries, but we would always come together as a team to adjust to with the new person playing with us. The most memorable part of our season was when we played Castlewood. We played all five games and they were all within two points. We made many memories along the way like Christmas in October or watching Kelly dance to "Party Rock Anthem" imagining the entire football team walk in when she was dancing and how embarrassing it would be for her. That made it all the funnier. I will never forget the teammates I played with this whole year especially Brooke since she was the only senior. She was a big leader and was always positive during the entire season.

FLANDREAU FOOTBALL This season was a very special season for Flandreau Football. I wouldn't of wanted to play with a better group of guys. You don't see very many teams who really adopt the team above self concept, and I would say we struggled at the beginning of the year, but as we progressed our team concept got stronger. We turned into a family. Playing for this football team you learn a lot of lessons that you are able to carry with you throughout your life.

MONSTERS ON MAPLE STREET

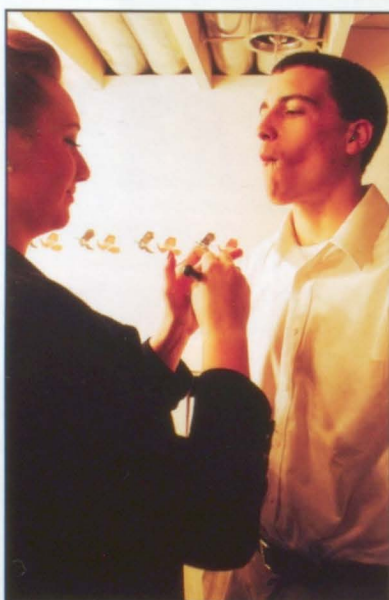

For One Act play this year we did "Monsters on Maple Street", an old episode from The Twilight Zone. The hardest part of this play I think for all of us was the fact that it was a thriller. Staying in character was super important and hard mainly because if we messed up and broke that intensity in our characters it threw all of us into a hysterical laughing fit, following with Ms. Fischer saying "Guys stay in character". There are so many amazing funny memories I have from the play and everyone this year but some stand out more than others. When a few of us were at the school practicing, waiting for the others to get back from sports practice, we needed a "Pete Van Horn" who was Justin Lacey, and we needed him to practice the death scene. So for the longest time we were just screaming and killing an imaginary man, when Ms. Fischer jumped in to fill in the spot. Jacob Sutton, "Charlie", the one who kills "Pete", picked up the ruler we were using for the gun and got into character, he took aim and shot. Ms. Fischer falling to the ground and

right when she hit the ground the pockets to her jacket exploded with candy. She picked it up screaming "Oh no, Charlie I'm bleeding candy!" We were all laughing when Leslie Clark picked up the candy yelling "Taste the rainbow". All in all, we had a great play and a great year with all the practices and mess-ups. Girls putting on dresses that made them look like their moms or grandmas did back then, and the boys looking like they stepped out of a "Leave it to Beaver" movie. Tones of make-up, even more hair spray, pinchy shoes, grease, itchy wigs, ill fitting dresses, set malfunctions, repeated warnings from Ms. Fischer, and one sassy old lady, Lexy Antoine. All made this years One Act play, a play that I won't forget, thanks to everyone who participated and a big thanks to Tech Crew. We couldn't have done it without you.

"We had a lot of fun in the wrestling room and at the meets. Wrestling means a lot to me and I think you have to have some good self control."

Jace Christiansen, *State Champion*

"State was fun this year because we placed 6th as a team and we haven't done that in over 40 years."

Cody Reed, *3rd Place*

"Being able to go to state makes me feel like I accomplished a lot this season. It proves to me that hard work does pay off. Words I hear every day in practice is 'Push Yourself.' This means to me to not coast because you won't get better. Hard work will eventually pay off."

Dakota Petersen, *4th Place*

"I wrestle because it is one on one. My most memorable moment is when Coach Ross taught me how to do a boot scoot. My favorite quote from Coach Ross is, 'Sarge my feet hurt, I'm hungry, we're not animals.' This showed me complaining doesn't get you anywhere."

Tate Lacey, *5th Place*

"I like wrestling because it's only me out there and I can't ask for help. It tests my abilities as a wrestler and a student. Going to state made me realize that I have worked hard enough to make it."

Jacob Scofield, *5th Place*

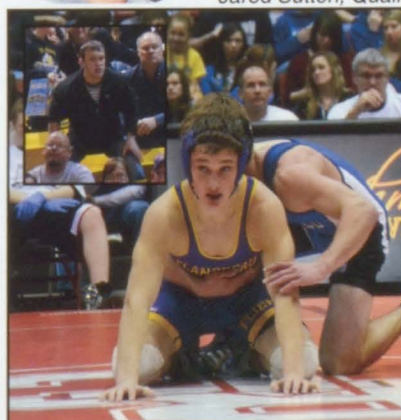

"It was a fun road trip listening to Coach Ahrens jam out to Adele. We went there and brought back some hardware as a team. This was the first time in 40 years, so it was really fun to be a part of that school history."

Kyle Scofield, *6th Place*

"Wrestling is a sport that motivates you and tests you constantly. I know that wrestling has taught me more than any other sport I've done because you learn something new everyday. Once it's over you wish you could do it over again. It builds character and makes you gain a passion for wrestling. We spent long hours in the hot gyms at team camps and some of us spent time in the weight room making ourselves faster and stronger all in hopes of having a successful basketball season. The 2011-2012 basketball season was all about Attitude and Effort. The words are self explanatory and it was our job to keep them in mind as a team. As many other teams, our season had its ups and downs, but we were able to take that to our advantage and grow together as the season progressed. Being the only senior, it was my job to be a positive teammate and lead by example. This year was also special because I got to spend it with my sister and my dad. One memory I won't forget is playing 5 on 5 during practice and we were a player short so Mr. Relf

(dad) had to step in. We went up and down the court a couple times and took off in a fast break when all of a sudden we heard a big thud and turned around and he had tripped over his own feet and belly-flopped right in the middle of the court and has since then blamed it on Kendra. Bad luck must run in the family, because a few days before that Baylee tripped over the line, and a few days after that, it was my turn. Throughout the season, many of our games were close, and some slipped through our fingers. We used those games as motivation which allowed us to compete with some of the best. This season not only brought a lot of together time but also friendships that will last far longer than high school. I'll never forget the amazing girls I was able to spend with during my last basketball season with the Flyers. Not only have they become my friends, but they are also a part of my family.

-Joe PARSELEY

One thing that I will never forget about basketball is all the fun we had messing around before practice. We were always throwing balls at each other or throwing someone else's ball across the gym. One day that always sticks out to me is the day we were taking pictures for the pins that our parents always wear to games. Each person had to wait to get their picture taken so you can imagine we were having

some fun while the time passed. For some reason Mitch Foster started shooting like Russ Hendrickson and we all thought it was the funniest thing we had ever seen. We all tried to do it, but the reenactment by Mitch was the best. We laughed even harder when we all looked over and saw Mr. Relf laughing so hard the tears were starting to come. Just one of the great memories with the boys.

SCHOOL HOUSE ROCK

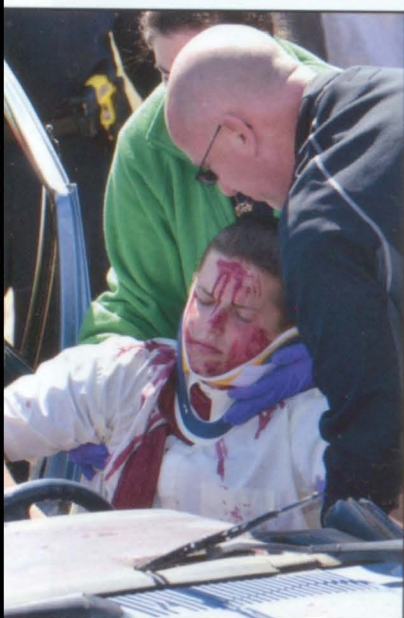

School House Rock was so much fun this year! Flandreau had never done a musical since I was in Middle School! We had so much fun with this play too. I remember Lolly, Lolly, Lolly with Lexy Antoine and Keri Johnson, or 3 is a Magic Number, or even my personal favorite.... I'm just a bill! We grew so much as a cast, and it was awesome to do all these things together! I will never forget putting this musical together with my friends, in 25 DAYS! It was awesome of the school to provide us with the opportunity to do a musical again!

FLANDREAU GOLF in the SPRING During my high school golf career, I never once had a home golf meet on the Flandreau Golf Course because it was always flooded, and last year we only practiced behind the school on the practice football field. ON YOUR MARKS>>> Track to me means having fun and competing against others. During track you also compete against yourself trying to improve all the time. This year we had a good season. Our relay team (Jacob Patterson, Joe and David Parsley and me) broke two school records, improving on one later in the season and qualifying both the 400 and 800 relay teams for State. Joe, David and I also qualified in individual events. We had a great team.

I've learned during track that you always have fun even if the weather isn't good. We picked on Mr. Gappa and one time had him taking gravel roads back from Chester. I've been told "There are two things about track... Lookin' good, and havin' fun." ~Carter Ziebarth. I'd have to agree with that because it is a lot of fun.

Lifetime Goal: To give my son Caleb, the best life I can give him and teach him to make the right decisions in life.

Activities: Band, One Act Play, All-School Play, National Honor Society

HIGH SCHOOL MEMORIES

As we entered our freshman year, the end of high school seemed so far away. After just a blink of eye we were preparing for graduation. High school brought prom, formal, homecoming, and ACTS. Many will never forget when the Flandreau Fliers won the 11B State Football Championship trophy. Now with our drivers licenses, we could road trip to football games and movies where many memories were made among us classmates. The week of setting up for prom with Mr. Gappa was unforgettable, often making jokes of him being inappropriate. We will never forget all the preparation that went into a very successful first ever Sock-Hop. Those who had Mr. Ahrens often enjoyed getting him off topic for the whole class period and for those of us in Mrs. Opsahl's class who would always dread Calc class because it was so difficult. ;) We will never forget filling up Foster's office on the last day of school with a thousand balloons. As we left high school we looked forward to our futures but would never forget the memories we made together.
