## THROUGH A PLAYER'S EYES... WITH BRENDAN TEN EYCK

What was your favorite memory throughout your football career?

On the bus ride home, Martin and I had brownies and Saud asked for one and we said, "No." So when it got dark, we threw the brownie at him and it nailed him in the face.

How has football affected your life?

It has disciplined me and given me the opportunity to make friendships. I made a lot of friends through it.

What was the biggest challenge you have had to overcome with football this season?

The biggest one was probably losing teammates to injuries and having to find replacements.

If you could've changed one thing this season, what would it be?

I honestly would not have changed anything. We all played our hardest and gave everything we had.

What do you think will happen with football in the future?

I feel like next season will be better and we will win more games. We will just have to put in more work and want it.

# Never Quit!

Although we were a young team this year, I felt from the start of the season to the end of the season, we improved in all aspects of the game (serving, setting, digging, blocking, and spiking). # CROSS COUNTRY

## Coaches' Corner

Austin

"This past year the Hogwarts quittance team performed quite well. Well the Huffelpuffs struggled again this year but that was to be expected. The sneaky Slytherians pulled out the title despite the best efforts of Harry Potter and the Gryffindor team."

In other news...

The Flandreau Boys Cross Country Team had a great season. The team had a blend of up and coming runners and upperclassmen runners. This blend of experience and youth worked as the team finished in the top half of 7 of their meets. The team finished 2nd in the Lake Central Conference by 1 point, and 3rd in the Big East Conference by 1 point. The team placed 5th in Region 2A, sending Seniors Dylan Erickson and Anthony Julson to their 4th (Dylan) and 5th (Anthony) State meets. We will definitely miss all of our Seniors (Dylan, Anthony, Austin, Jacob) who have contributed so much to the team over the last few seasons.

The Girls Cross Country team had a historic season winning a team record 6 meets. Those victories included both conference meets and Region 2A. All six (Marilyn, Sinona, Libby, Madeline, Hannah, Kathy) of our varsity runners qualified for the State meet as individuals, and combined their efforts to lead the team to 3rd place at the State meet, the best finish in the history of the school. The varsity girls did a good job representing the team and all of our outstanding up and coming JV runners who complete a team of energetic, fun loving, hardworking, and inspiring athletes. -Mr. Streitz

One of my favorite characteristics about cross country this year was the makeup of our team. Some runners were seasoned veterans and continued to impress me and Mr. Streitz, but others were out for their rookie season and it was neat to see them contribute to the team in pressing forward towards their goals. Mr. Streitz and I always marvel at the variety of students that we load up on the bus and take to the meets. It's a privilege and a blessing to be a part of this crew! -Mr. Parsley

## BEST MEMORIES

My greatest memory is my 2012 State cross country meet. The whole ride to Huron, Mr. Gappa and Mr. Streit made us play games with them. I was so happy after the race because I managed to place 25th and I was a freshman. The best part of the whole experience was the fact that everyone wanted to sleep the whole way home because we ran hard. Mr. Gappa didn't let that fly! He wanted to play catch phrase on the ride home, so half way home he woke us all up by starting the game timer. We all woke up and started guessing random words not knowing what team we were guessing for.

- Anthony J.

My greatest memory is when we were coming home from one of our meets and everybody just randomly started singing.

"With all the injuries we had, our younger guys really stepped up and made a difference."  
-Mr. Ross

"We had a year of adversity dealing with some key injuries, but to our guys' credit both the older and younger guys stepped up to battle their way through it. We'll miss some solid seniors that helped shape the program over the years, but we look forward to what next season will bring our team. As coaches, we are proud of the effort and toughness our wrestlers showed all season long."

The 2015-2016 season was filled with many positive experiences, including reaching the Region Championship. I am especially thankful for the leadership provided by our seniors. The team committed to putting in extra time and work during the summer, and it paid off. I look forward to seeing the progress we've made when next season begins.

# Prom 2016

All attendants

Senior Class of 2016

Junior Class and their dates

## Freshmen's First Experience!

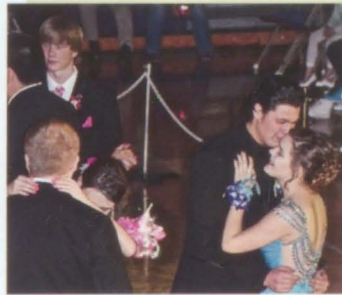

The freshmen that attended prom said, "It was lit, the decorations were amazing, and everyone looked so good!" Although they had a lot of fun and made some unforgettable memories, they also said, "For only going as freshmen, we spent way too much money on prom!" Some of the girls thought it was worth it, but the boys, not so much.

## Sophomore Attendant's Experience!

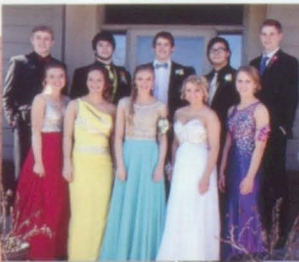

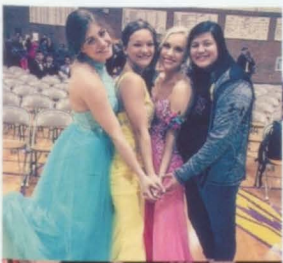

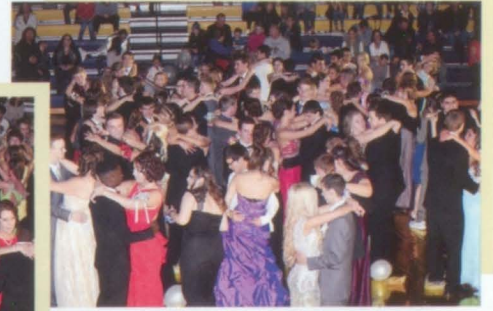

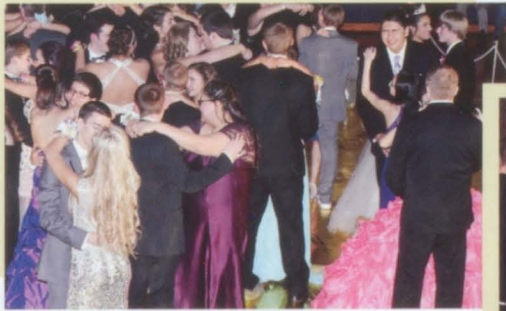

The sophomore attendants of prom 2016 were Michael Witte and Kathy Parsley with their dates Amanda Haugen and Dylan LeBrun who also happened to be sophomores. There was a lot that they thought about saying, but the sophomore attendants commented, "It was great serving all that punch!"

# Dream Sequence

## The Junior Experience!

The Class of 2017 put in a lot of hard work constructing the Dream Sequence theme. "The setup turned out way better than expected!" Some said, "Best night of my life, hands down!" Everyone looked great leaving each other a little blown away, saying, "My date's hot!" and "Is that G-Eazy?" Although the night may have dragged on a bit, we all enjoyed laughing at the goofballs that participated in the hypnotist act at after prom, "If you want to see aliens, a ballerina, and a male dancer, all in one night, go to prom!"

# After Prom

## The Senior Class of 2016 Experience!

It's been a good four years, "Live for today, don't think about it tomorrow!" The class of 2016 really left their mark on our school. From state cross country, state wrestling, and state basketball; to artists in many forms: pottery, drawing, and makeup. From our enlisted men to our future farmers, "It was A1 - yes, like the sauce." Although prom in the past may have been a blast, "This one was definitely one to remember!" and "The best one yet; unforgettable!"
