OPEN FORUM

- NOTE: Members of the public who desire to address the board on items of interest or concern ~~that do not appear on the agenda~~ are invited to do so at this time. Up to 15 minutes will be devoted to this agenda item with the board president to increase or decrease the time as needed.

It would be most appreciated if you would limit your remarks to not more than 3 minutes; to appoint a spokesperson if the concern is a group concern; and to supplement verbal presentations with written reports, if necessary or desired.

We ask that you remember that South Dakota law prohibits the board from discussing specific employees, their job performance, or students.

~~If you have thoughts to share about items that are included as topics for tonight's meeting, we would invite those comments when we reach that point in the meeting.~~

1-25-1. Official meetings open to public--Exceptions--Public comment--Violation as misdemeanor.

The official meetings of the state and its political subdivisions are open to the public unless a specific law is cited by the state or the political subdivision to close the official meeting to the public.

It is not an official meeting of one public body if its members provide information or attend the official meeting of another public body for which the notice requirements of § 1-25-1.1 or 1-25-1.3 have been met. It is not an official meeting of a public body if its members attend a press conference called by a representative of the public body.

For any event hosted by a nongovernmental entity to which a quorum of the public body is invited and public policy may be discussed, but the public body does not control the agenda, the political subdivision may post a public notice of a quorum, in lieu of an agenda. The notice of a quorum shall meet the posting requirements of § 1-25-1.1 or 1-25-1.3 and shall contain, at a minimum, the date, time, and location of the event.

The public body shall reserve at every regularly scheduled official meeting a period for public comment, limited at the public body's discretion, but not so limited as to provide for no public comment. At a minimum, public comment shall be allowed at regularly scheduled official meetings which are designated as regular meetings by statute, rule, or ordinance. }

Public comment is not required at official meetings held solely for the purpose of an inauguration, swearing in of newly elected officials, or presentation of an annual report to the governing body regardless of whether or not such activity takes place at the time and place usually reserved for a regularly scheduled meeting.

If a quorum of township supervisors, road district trustees, or trustees for a municipality of the third class meet solely for purposes of implementing previously publicly-adopted policy, carrying out ministerial functions of that township, district, or municipality, or undertaking a factual investigation of conditions related to public safety, the meeting is not subject to the provisions of this chapter.

A violation of this section is a Class 2 misdemeanor.

Unless there are TWO signatures, this ballot will be unacceptable and declared void.

Kelly Messmer, Harding County

My name is Kelly Messmer and I am the Principal and Athletic Director at Harding County High School. I have been in education and athletics for 24 years, with my last 11 at Harding County. I have been a teacher, coach, and administrator in both large and small school districts, and I understand the dynamics of both settings. I have a passion for high school extra-curricular activities and believe students who participate in both fine arts and/or athletics become well-rounded adults and contributors to society.

I will always have an open ear and an honest answer for anyone wanting to give suggestions or ideas to make our great organization even better. I would be honored and humbled to be elected to the SDHSAA Board of Directors and be a voice for all members.

Todd Palmer, Sturgis Brown

My name is Todd Palmer and I am currently the Director of Activities for the Meade School District. My career in education started in the fall in 1992 when I was offered my first teaching/coaching contract at Stanley County. In the 29 years since, I have had the opportunity to serve the students of South Dakota as a teacher, coach, official and administrator. During those years I have also been fortunate to server the SDHSAA in many different capacities. I have served on the Native American Advisory Council as the official representative. I was the Region 5 officials coordinator for both basketball and volleyball. I served on the Calendar Committee that was commissioned by SDHSAA to look at revamping the calendar due to new NFHS protocols pertaining to football. I was asked by then Executive Director Wayne Carney to sit on one of the interviewing committees for the new Executive Director. As the AD in Chamberlain, I hosted numerous SoDak 16 contests in both Volleyball and Basketball. I currently serve as the Awards Chairperson for the SDIAAA and am the secretary for the Black Hill Conference. I am humbled to be nominated for the West River At-Large position as an AD and take the task of representing all the schools of South Dakota, as do all the sitting board members and former board members.

I was honored to be nominated with all of the quality individuals that were nominated at the Annual Meeting in Pierre on April 20, 2021. If you have any questions of myself, please feel free to email (todd.palmer@k12.sd.us) or call (605-381-0698) and I would be happy to visit with you. To carry on the long-lasting servant leadership that all of those who have served our state as a member of the board is what I look forward to doing if your school would feel so inclined to cast your vote for myself. If one of the other very qualified nominees is chosen by the membership, I will support them 100 percent.
