

Parent and Family Engagement Plan
2024-2025

Mission Statement:

Educating every student today . . . Preparing every student for the opportunities of tomorrow.

Vision Statement:

In collaboration with our community and stakeholders, Tusculumbia City Schools provides every student with a safe learning environment that promotes social and academic growth. By setting high standards and high expectations, we commit to empower students to become responsible and productive citizens with the skills necessary to succeed in a global society.

Communication:

Tusculumbia City Schools will ensure that information related to the school and parent programs, meetings, and other activities, is sent to the parents in an understandable and uniform format, including alternative formats upon request, and to the extent practicable, in the parent’s primary language. Translation services in written, oral, and technology formats will be utilized for our students and their families.

Strategies:

These strategies will be used to support successful school and family engagement:

- Parent Advisory Committee
- Parent Assessments/Surveys
- Parent Workshops/Meetings
- Parent Engagement Meetings
- PTO Meetings
- Parent Conferences/Open Houses
- Provide copies of Parents Right-to-Know and the Title I District Parent and Family Engagement Policy
- School-Parent Compacts
- As part of each school’s Continuous Improvement Plan (CIP), share the results of parent assessments/surveys that have been documented and analyzed
- Establish Parent Resource Centers
- Provide other reasonable support for activities as parents may request

Resources:

The school district along with the assistance of its schools will provide necessary training to improve academic achievement.

- Maintaining a parent resource center
- Holding parent meetings on various topics of interest
- Helping parents obtain local library cards and AVL cards
- Opening computer labs after hours if possible
- Providing assistance in understanding the State’s academic content standards, the State’s assessment programs, monitoring student progress and improving communication with teachers
