### **Coordination of Programs**

WSISD will assess the needs of families and children in the community using a variety of tools including data and discussions from: grade level team meetings, Campus Planning Committee meetings, Professional Learning Communities, Instructional Focus meetings with campus and district instructional administration, and results from the end-of-year campus parent surveys. The district will utilize the results to develop effective programs that address needs and revise existing programs.

### **Annual Evaluation of Effectiveness of Parent Engagement Policy**

The parent and family engagement program will implement effective family engagement activities to improve student academic achievement and school performance.

The district and campus will provide assistance and resources to facilitate the parental engagement program, and the District Planning Committee (DPC) will annually evaluate the content and effectiveness of the policy and its programs. Surveys, assessment data and other resources will be used to determine the needs and develop revised strategies for student success. Revisions to the District Improvement Plan and the Parent and Family Engagement Policy will be developed with input from the DPC then communicated to parents/families.
