Fifty WHS, WNHS students recognized by College Board

Woodstock Community Unit School District 200 is proud to announce that a total of 50 students from Woodstock and Woodstock North high schools have been honored by the College Board National Recognition Program for their academic achievements.

The programs grant underrepresented students honors that can be included on college and scholarship applications helping to connect students with colleges and universities across the country and to stand out during the admissions process.

“We’re proud of the strong efforts these students have made and of how they’ve taken advantage of their academic opportunities,” District 200 Superintendent Mike Moan said.

Students are awarded recognition in the following categories: National African American Recognition Award (NAARA); National Hispanic Recognition Award (NHRA); National Indigenous Award (NIA); and/or the National Rural and Small Town Award (NRSTA).

Students who may be eligible must meet the following criteria: Take the Fall 2023 PSAT/NMSQT or Spring PSAT 10 and score in the top 10 percent of test takers from their state; or earn a 3+ on two or more distinct AP exams in the 9th and/or 10th grade; and earn a cumulative GPA of B+ or higher; and identify as Black or African American, Hispanic or Latino, Indigenous or Native and/or attend school in a rural area or small town.

Congratulations to the following students:
