

1. What do you want the foundation to purchase and what do you hope to achieve?
2. Explain how the grant is innovative.
3. Explain the grant's importance and how it relates to Sheldon ISD or your campus improvement plan.
4. What will be achieved? State objectives in measurable terms.
5. How many students will benefit from this grant this year and/or in future years? Describe how.
6. What criteria will you use to measure the success from the implementation of the grant?
7. Can this project be continued in future years?
8. Will you receive additional funds for this project/program (examples: campus funds, PTA, etc.)?
9. Please list the additional potential funding sources (with dollar amounts).
10. Please describe the project/program and its success
11. Has this project/program been implemented at your campus as either a pilot program or as an active part of instruction?
12. Do you plan to share this program with your grade level - or with other grade levels - at your campus?
