How We Measure Student Progress

We want to make sure our students are learning as much as possible, so we use state and district assessments to determine their strengths and areas for growth. The results of these assessments help us figure out how we can better support our students in the classroom.

Assessments help us answer questions such as:

- *Are we teaching what we think we are teaching?*
- *Are students learning what we intend for them to be learning?*
- *Are all students improving and being appropriately challenged?*

Some of the assessments our students will take this year are:

- MAP - TBA
- MCA – TBA
- ACCESS for ELL — TBA
- ACT – TBA
- Advanced Placement – TBA

How We'll Share Student Progress with You

Throughout the year, we'll share information with you about how your student is doing in the classroom.

We'll do it in the following ways:

- Parent-Teacher conferences on October 16th-17th
- Quarterly report cards on the parent portal
- Please contact your teacher and/or counselor about your child's progress

Title I

What is Title I?

Title I is a federal program that provides money to schools and districts to help them ensure all children have an equal opportunity to get a high-quality education and achieve proficiency on our state's academic standards and assessments.

Title I supports our School Improvement Plan, and the funding we receive helps us reach our goals.

South High School is a schoolwide Title I program, which means all our students are able to benefit from the services we provide with our Title I funding.

For the 2024-2025 school year, we received \$863,553.00 in Title I funding.
