b. Curriculum and Instruction, Assistant Superintendent's Report: **Dr. Dominick M. Lupo**

i. Curriculum Department Update

District staff had very informative professional development opportunities last week as a part of our Institute Day. The District had an outstanding blend of specialists from outside of the District along with our very own staff leading these sessions.

- The middle school hosted a series of sessions that were focused on planning and delivering best practice instruction in all content areas to English Language Learners. While these strategies focus on EL students, they also have benefit to the learning of all students.
- At Todd Hall, staff from the Rush Neurobehavioral Center led our staff in best practices for teaching Executive Functioning skills to our primary students.
- A number of District staff members lead sessions on innovative instructional strategies and tools across forty different individual sessions. As a part of this SD74 TeachCon or TeacherConvention, Literacy Consultant, Pat Pollack, lead five sessions on best practices in literacy instruction, and NTDSE personnel came in to lead four sessions on Trauma informed practices in the classroom. It was a tremendous full day of professional learning, and we look forward to implementing many of the strategies that were discussed.

The District is nearing completion of the IAR state assessments. Students in grades 3 thru 8 are assessed in Language Arts and Math by taking the Illinois Assessment for Readiness, and students in grades 5 & 8 are assessed in Science via the Illinois Science Assessment.

We are excited to announce that due to great interest in the SD74 Summer Adventures program, some of the classes have already reached capacity. Therefore, if you have interest in registering, please consider doing so in the near future. On May 3, 2024 the registration window will close.

RE: Todd Hall Sensory Path
Project No. 23057

Dear Mrs. Whited:

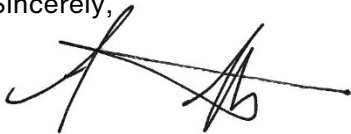

Proposals for the above referenced project were received by two contractors. A proposal tabulation sheet is herein attached for your review.

We have analyzed the proposals and the qualifications of the contractors and recommend that the Todd Hall Sensory Path project be awarded to the lowest bidder, **Paint the City**. Paint the City has provided two proposals for consideration. Option 1 (\$22,760.06) includes the installation of thermoplastic applications for the custom design components to match the proposed drawings provided by Studio GC. Option 2 (\$20,518.56) includes the utilization of local certified artists with artistic liberties to achieve the proposed design intent in lieu of custom thermoplastics. Links to work samples from these certified artists have been included on the proposal tab attached for reference. There are no allowance monies included in the project.

Studio GC will be at the Facilities Committee Meeting to further discuss the proposal results with the committee.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Athi Toufexis, AIA, ALEP, LEED-AP

Paint The City proposal for Lincolnwood SD Sensory Ground Mural Painting

Project Overview:

Paint The City artists to be using StreetBond paint for Todd Hall playground area at Lincolnwood SD outdoor playground space from June 14th-July 15th 2024. Paint The City will be able to have access to property as much as possible to ensure completed time frame.

Paint The City Scope of Work:

Paint The City and or outsourced companies through Paint The City are responsible for treating asphalt before painting starts by power washing and if needed applying a colored base coat. Paint The City will also either outsource or put up fencing around the worksite parameters. Their artists and crew will paint the design submitted by the architects with StreetBond paint, apply thermoplastics and use stencils if decided for accurate coverage. It has been noted that normal paint can be substituted in place of thermoplastics for more reasonable budget. Paint The City will have access to power and water source.

Lincolnwood SD responsibilities:

Lincolnwood SD will be able to provide a water and power source to PTC during working hours to properly execute the project.

TOPIC: 6-year | Kindergarten through Fifth Grade Math Program Adoption | Carnegie Learning, Inc. © 2014-2023

PREPARED BY: Dominick Lupo

Recommended for:

- ☒ Action
- ☒ Discussion
- ☒ Information

Purpose/Background:

The Board of Education approves all curricular adoptions and contracts.

The Middle School Math Committee met throughout the 2023-2024 school year to discuss and review kindergarten through fifth grade math programming. The committee consisted of eight teacher representatives ranging in expertise from all grade-levels and programs that utilize our elementary school math materials. Representatives unpacked several of the most popular and widely used programs at the elementary school level. Using a standardized rubric, along with committee discussion, the team chose the *ClearMath Solutions* program from *Carnegie Learning, Inc. © 2014-2023* as the series best suited to meet our students' needs. This program balances an age appropriate amount of materials with ample meaningful learning experiences to teach the skill or topic being explored. Committee members were unanimous in their support of the *Carnegie* program for this adoption. This program recommendation replaces the *McGraw-Hill MyMath* program.

This program represents a positive instructional shift in rigor and style in which math is presented and explored by elementary school students. The most up-to-date math instruction employs a conceptual approach meaning students learn to understand why math operations work, versus the traditional procedural approach where students learn by memorizing a series of steps to solve a problem.

This program will allow us to meet our students at their current levels of understanding, and give us more options for extending their understanding beyond our current program's capabilities. In addition to print and electronic materials, this adoption comes with *Carnegie's* virtual program called *Mathia*. In *Mathia* students practice and extend their capabilities virtually. The tool utilizes an "intelligence" program that both assesses students on current understanding and offers immediate feedback to students as they are working through conceptual and application-based problems.

In addition to the materials and subscriptions, the administration is looking to secure a solid, initial professional development plan as we work with the teachers to roll out this new program. This will include four, full-day initial implementation workshops (two for Rutledge Hall and two for Todd Hall) where representatives from *Carnegie* will be individually working with all of our elementary school teachers on lesson planning and delivery. They will also be working with the staff to help them understand and utilize all of the available tools targeted to specific profiles of learning needs. Additionally, we are looking to have *Carnegie* instructors come back six times over the course of the first year of implementation to continue guiding our staff in the direction of full implementation of the program.

The District's Legal Counsel reviewed all documents and stated that the signed Amendment to Carnegie's terms and conditions and privacy policy from the middle school adoption remains in place to cover this quote.

Fiscal Impact:

The fiscal impact of the 6-year adoption will be \$233,733.12 for all materials and professional development.

Recommendation:

The Finance Committee concurred with the Administration's recommendation to the Board of Education to approve this contract from *Carnegie Learning, Inc. © 2014-2023* for the adoption of the K-5 math curriculum in the amount of \$233,733.12 from the 2024-2025 school year to the 2029-2030 school year.

Student Privacy Policy

CARNEGIE LEARNING STUDENT PRIVACY POLICY

Updated and Effective: October 31, 2022

This Privacy Policy applies to the collection of information from students by Carnegie Learning, Inc. ("Carnegie Learning") through access-controlled learning platforms we provide, including through any related websites, software, applications, or interactive features or online services, and that post a link to or include this Privacy Policy (collectively, our "Learning Platforms"). This Privacy Policy also applies to any student information we collect offline in connection with use of the Learning Platforms.

OVERVIEW

The Learning Platforms include teaching and learning resources designed for students in pre-K through college. Typically students will access the Learning Platforms through agreements Carnegie Learning has with teachers, or representatives of schools, learning institutions, school districts, state or local boards of education or other educational organizations (collectively, "Schools").

The Learning Platforms are made available to students and others authorized by the Schools, who have been provided access by the Schools, such as by adding a student's name and email address to their class roster or by syncing class rosters through third-party services authorized by a School. Teachers or administrators may also provide other information to us about their students who participate in the Learning Platforms. We may also disclose information to the Schools pursuant to our agreements with the Schools. When we provide access to the Learning Platforms through a School agreement, we collect, process, disclose, and store student information in order to provide learning services through the Learning Platforms and on behalf of Schools and only in the ways permitted by the applicable School agreement. We otherwise use information as set forth in this policy.

Certain students may obtain access through Private Providers. If you are accessing the Learning Platforms through a Private Provider, [please see below for additional information](#).

Students Younger than 13

Some students that access our Learning Platforms may be younger than the age of 13 ("Children") and the online collection of personal information from those students may therefore be subject to the Children's Online Privacy Protection Act ("COPPA") and other applicable law. Carnegie Learning collects personal information about Children for the use and benefit of Schools, and for no other commercial purpose. When a School provides access to the Learning Platforms to students who are Children, the School represents that it has secured all necessary consent from the parents of those Children or is providing that consent on the parents' behalf. We limit the use of information about Children to the educational context authorized by the contracting School. If you are the parent of a Child who uses our Learning Platforms through his/her/their School and have questions about our privacy practices, please contact us as indicated in the "[Contact Us](#)" section below.

What Information Do We Collect from Students?

We may collect information from you directly, automatically when you visit the Learning Platforms, and sometimes from third parties, such as your teacher or School administrator. Some of this information may be considered "personal information" under various applicable laws. We consider information that identifies you as a specific, identified individual (such as your name and email address) to be personal information. We will also treat additional information, including IP addresses and cookie identifiers, as "personal information" where required by applicable law. Note that we may de-identify personal information so that it is non-personal, such as aggregating or converting it to a code, sometimes using a function commonly known as "hash". We will treat de-identified information as non-personal to the fullest extent allowed by applicable law. If we combine non-personal information with personal information, then we will treat the combined information as personal information under this Privacy Policy.

We may be able to collect or infer your approximate location through information we collect, such as IP address.

Any Usage Information, Device Identifier, or other persistent identifier we collect is used for the sole purposes of providing our Learning Platforms to students and their Schools and to support the Learning Platforms' internal operations.

Web beacons can recognize certain types of information on your computer such as cookies, the time and date a page is viewed, and a description of the page where the web beacon is placed. Web beacons or similar technologies may be used for a number of purposes, including, without limitation, to count visitors to the Learning Platforms, to monitor how users navigate the Learning Platforms, to count how many e-mails that were sent were actually opened or links were actually viewed and to improve your experience on the Learning Platforms.

Embedded Scripts. An embedded script is programming code that is designed to collect information about your interactions with the Learning Platforms, such as the links you click on. The code is temporarily downloaded onto your device from our web server or a third party service provider, is active only while you are connected to the Learning Platforms, and is deactivated or deleted thereafter.

In addition, we may use a variety of other technologies that collect similar information for security and fraud detection purposes.

Information We Receive from Schools

How Does Carnegie Learning Share Information Collected about Students?

To And On Behalf Of Schools

As discussed above, we provide the Learning Platforms to students through agreements with Schools and on behalf of those Schools. In some cases, a School (including teachers or administrators) may enter into additional reporting or research agreements for the provision of reports or analyses that require data to be associated with demographic categories (gender, ethnicity, free or reduced lunch status, etc.) or other individual student information, such as test scores. In such cases, the teachers, Schools and/or school district administrators provide Carnegie Learning and specified service providers with the information required, which may personally identify students. When such agreements are in place, reports containing student information are provided only to the teachers, Schools and school district administrators authorized to receive that information. We may disclose personal information about students to third parties when necessary to protect the security or integrity of the Learning Platforms; take precautions against liability; respond to judicial process; or provide information to law enforcement agencies or for an investigation on a matter related to public safety. We may also disclose personal information about students in connection with a merger or the sale of Carnegie Learning's assets or interest in the Learning Platforms, or other similar change in ownership (including, during the course of any due diligence process), provided that any subsequent owner of student's personal information has agreed to abide by Carnegie Learning's then-current student privacy policy.

Executive Summary Board of Education Meeting

DATE: April 4, 2024

TOPIC: Middle School Science Curriculum Adoption – © 2024 Amplify Education, Inc.

PREPARED BY: Dominick Lupo

Recommended for:

- ☒ Action
- ☒ Discussion
- ☒ Information

Purpose/Background:

The Board of Education approves all curricular adoptions and contracts.

The Science Committee met throughout the 2023-2024 school year to discuss program implementation. The three middle school science teachers sampled several programs including Amplify Science. The staff responded positively to the structures and materials presented by the Amplify representatives. Teachers feel that Amplify Science would be engaging for students, and it appeared that amount of material was appropriate for each grade level.

Much like the Mystery Science experience that students get as a part of our kindergarten through fifth grade science programming, Amplify Science is a curriculum that blends hands-on investigations, literacy-rich activities, and interactive digital tools to empower students to think, read, write, and argue like real scientists. The learning experiences, lessons, and materials offered by Amplify Science presented as being meaningful and authentic to the topics being explored, and committee members were unanimous in their support of the Amplify program.

In addition to the materials and subscriptions, the team, along with administration, is looking to secure a solid initial professional development plan from Amplify Science. This will include one, full-day initial implementation workshop to be delivered on-site. There is the option of a virtual professional development workshop, but the administration feels that a hands-on, in-person workshop would be the best course of action given the tactile nature of the program.

District Legal Counsel reviewed Amplify's terms and conditions and offered an amendment which Amplify signed without any edits.

Fiscal Impact:

The fiscal impact of the 6-year adoption will be \$67,710.20 for all materials and professional development. This grant will be paid for using the funds from the Targeted School Improvement grant as this program will be a resource to increase students' access to informational texts.

Recommendation:

The Finance Committee concurred with the Administration's recommendation to the Board of Education to approve this Agreement from Amplify Education for the middle school science curriculum in the amount of \$67,710.20 from the 2024-2025 school year until the 2029-2030 school year.

2. What personal information do we collect?

When you access or use our Products, you may choose to provide us with personal information, including Student Data. This information may be provided to us directly (e.g. when an account is created or through communications with us) or through our Products.

Student Data. Below is a list of the categories of Student Data that may be collected by Amplify or its Products, either directly or through the School Customer’s use of the various features and configurations of the Products:

- **Identifier and Enrollment Data**, such as name, email, school / state ID number, username and password, grade level, homeroom, courses, teacher names.

- **Why?** Most of Amplify’s Products require some basic information about who is in a classroom and who teaches the class—student or teacher Identifier and Enrollment data. This information is provided to Amplify by our School Customers, either directly from the School Customer’s student information system or via a third party with whom the School Customer contracts to provide that information.
- **Demographic Data**, such as date of birth, socioeconomic status, race, national origin, and preferred or primary language.
 - **Why?** To support school instructional and reporting requirements, Amplify’s Products allow School Customers to view reports and analyze data using student demographic and other special indicators. For example, a School District may wish to analyze student literacy assessment results based on English Language Learner status to better tailor classroom instruction, and in that case may provide the associated indicator as part of the enrollment information to enable that reporting.
- **School Records**, such as grades, attendance, assessment results, and Individualized Education Plan status (i.e. whether a plan is in place)
 - **Why?** Some of our Products support grading assignments and administering formative, diagnostic, and curriculum-based assessments. Teachers use that data to support students’ progress in the program or help with instructional decisions. We do not collect specific details from an IEP, nor do we collect health or other sensitive information.
- **Schoolwork and Student Generated Content**, which includes any information contained in student assignments and assessments, including information in response to instructional activities and participation in collaborative or interactive features of our Products, such as student responses to academic questions and student-written essays, as well as images, video, and audio recordings.
 - **Why?** As part of the digital learning experience, some of our Products may enable students to write texts and create and upload images, video, and audio recordings. For example, in Amplify ELA, students may write essays or submit short-form responses in our platform as part of a lesson on literature. As another example, in Boost Reading, student interactions with reading skills games are recorded to keep track of the student’s progress to level up in the program and to provide visibility to teachers on how students are mastering the skills.
- **Teacher Comments and Feedback**, such as scores, written comments, or other feedback that educators may provide about student responses or student course performance.
 - **Why?** To enable teachers to track the performance and provide feedback to their students.

Other Data. We may collect the following types of personal information from all other Authorized Users:

- **Contact Information**, such as name and email address, as well as grade level taught, school name and school location, whether you are a teacher, administrator, or other authorized person that creates an account or uses our Products or communicates with us.
- **Account Information**, such as customer user login and password, for account creation and access purposes.
- **Survey Responses**, which you provide in response to surveys or questionnaires.

- **Device and Usage Data.** Depending on the Product, we may collect certain information about the device used to connect to our Product, such as device type and model, browser configurations, and persistent identifiers, such as IP addresses and unique device identifiers. We may collect device diagnostic information, such as battery level, usage logs, and error logs, as well as usage, viewing, and technical information (e.g., email open rates), such as the number of requests a device makes, to ensure proper system capacity for all Authorized Users. We may collect IP addresses and use that information to approximate device location to support operation of the Product. To the extent that we collect this information from website visitors who have not signed up for an account, this data is solely used to support operation of the Product and is not linked to Student Data.
- **How? Cookies and Similar Technologies.** We collect device and usage data through “cookies,” Web beacons, HTML5 local storage, and other similar technologies, which are used in some of our Products.
 - **Why?** We use this information to remember returning users and facilitate ease of login, to customize the function and appearance of the Products, and to improve the learning experience. This information also helps us track product usage for various purposes, including website optimization, to ensure proper system capacity, troubleshoot and fix errors, provide technical assistance and customer support, provide and monitor the effectiveness of our Products, monitor and address security concerns, and compile analytics for product improvement and other internal purposes. **AMENDMENT TO AGREEMENT BETWEEN THE BOARD OF EDUCATION OF
LINCOLNWOOD SCHOOL DISTRICT 74 AND AMPLIFY EDUCATION, INC.**

This Amendment is entered into as of April 4, 2024, by and between the Board of Education of Lincolnwood School District No. 74 (“School District”) and Amplify Education, Inc. (“Amplify”) pursuant to Quote # Q-338508-1 dated January 29, 2024, and the Customer Terms & Conditions (collectively, the “Agreement”), and shall continue in force for any extensions of the Agreement or subsequent renewals or order forms, unless otherwise agreed by the Parties.

1. **Terms and Conditions.** This Amendment modifies the Agreement entered into by the Parties. Terms and conditions not amended herein shall have the same meaning as in the Agreement. If there is conflict between this Amendment and the Agreement, the terms of this Amendment will prevail. Amplify shall not materially modify or amend the Agreement (see <https://amplify.com/customer-terms>) during the term of this Agreement or any extension thereof, without providing written notice.
2. **Auto-Renewal.** The term of the Agreement between the parties shall not automatically renew. Subsequent extensions of the Agreement shall require notice to and approval of the School District.
3. **FOIA/OMA.** School District shall not be required to make any claim of privilege that may be applicable to prevent disclosure in response to, and will not be required to notify Amplify prior to any disclosure in response to, a valid FOIA request for information that is not confidential or proprietary. Amplify acknowledges and agrees that the Agreement is not confidential or exempt from disclosure under the Illinois Freedom of Information Act or Open Meetings Act.
4. **Governing Law/Venue.** This Agreement will be governed and construed in accordance with the laws of the State of Illinois, without regard to any conflicts of law provisions. Venue for all actions between the parties shall lie solely in the Circuit Court of Cook County, Illinois. Amplify hereby agrees to this exclusive venue, to personal jurisdiction of this court, and to service of process in accordance with its rules of civil procedure, and Amplify waives any objection that this venue is not convenient. Any references to binding arbitration, the waiver of the right to a jury trial, or the waiver of claims which may be litigated on a class or representative basis shall be deleted from the Agreement as it currently exists or as it may be modified or amended in the future.
5. **Illinois Student Privacy Laws.** In addition to its obligation to maintain student data in accordance with applicable federal laws, Amplify shall also maintain all student data obtained from School District in accordance with any applicable Illinois laws, including (without limitation, and only to the extent applicable) the *Illinois School Student Records Act* (105 ILCS 10/1 *et seq.*); and the *Illinois Student Online Personal Protection Act* (105 ILCS 85/1 *et seq.*) (herein “SOPPA”). In accordance with SOPPA, the School District has separately executed an Exhibit E “General Offer of Privacy Terms” to join in the IL-NDPA Agreement between Amplify and another Illinois public school district.
6. **Insurance.** During the term of this Agreement and any renewal thereof, Amplify shall maintain a cyber-liability insurance policy insuring against data breaches. School District shall be

named as an additional insured on such policy. Any damages limitations in this Agreement shall not apply to School District in its capacity as an additional insured.

7. **Authority to Execute.** Each signatory hereto represents and warrants that he or she has the proper corporate authority to execute this Amendment and bind his or her entity to the terms and conditions hereof.

WHEREAS, this Amendment and its terms and conditions are agreed upon by the Parties on the date set forth above.

Terms & Conditions

1. **Scope.** These Terms and Conditions (the “Customer Terms”) are a legal agreement between Amplify Education, Inc. (“Amplify”) and your school, district, state agency, or other educational organization (“you” or “Customer”) for the license and use of one or more of Amplify products or services (the “Products”), as specified in the receipt, price quote, proposal, renewal letter, or other ordering document containing the details of this purchase (the “Quote”). Unless otherwise specified in the Quote, these Customer Terms and the Quote constitute the entire agreement between Amplify and Customer regarding the license and use of the Products (the “Agreement”). This Agreement becomes effective at the earliest of the following: (i) issuing a purchase order, shipment request, or payment against the Quote; (ii) accessing, downloading, or using the Products; or (iii) otherwise accepting this Agreement. You represent and warrant that: (1) you are of legal age to accept this Agreement; (2) you are authorized to accept this Agreement and to access and use the Products; and (3) your use of the Products will comply at all times with Amplify’s [Acceptable Use Policy](#) available at [amplify.com/acceptable-use](#) (“AUP”). In such case, Customer may not return Products without Amplify’s written authorization.

Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized School Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized School Users.

3. **Priority of Agreements.** This DPA shall govern the treatment of Student Data in order to comply with the privacy protections, including those found in FERPA and all applicable privacy statutes identified in this DPA. In the event there is conflict between the terms of the DPA and the Service Agreement, Terms of Service, Privacy Policies, or with any other bid/RFP, license agreement, or writing, the terms of this DPA shall apply and take precedence. In the event of a conflict between Exhibit H, the SDPC Standard Clauses, and/or the Supplemental State Terms, Exhibit H will control, followed by the Supplemental State Terms. Except as described in this paragraph herein, all other provisions of the Service Agreement shall remain in effect.
4. **Entire Agreement.** This DPA and the Service Agreement constitute the entire agreement of the Parties relating to the subject matter hereof and supersedes all prior communications, representations, or agreements, oral or written, by the Parties relating thereto. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

5. **Severability.** Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction.** THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS FOR THE COUNTY OF THE LEA FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS DPA OR THE TRANSACTIONS CONTEMPLATED HEREBY.
7. **Successors Bound:** This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority.** Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver.** No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

River Trails School District 26

_____ (the "Local Education Agency" or "LEA") and Amplify Education, Inc. (the "Provider"), is incorporated in the attached DPA and amends the DPA (and all supplemental terms and conditions and policies applicable to the DPA) as follows:

1. **Compliance with Illinois Privacy Laws.** In performing its obligations under the Agreement, the Provider shall comply with all Illinois laws and regulations pertaining to student data privacy, confidentiality, and maintenance, including but not limited to the Illinois School Student Records Act ("ISSRA"), 105 ILCS 10/, Mental Health and Developmental Disabilities Confidentiality Act ("MHDDCA"), 740 ILCS 110/, Student Online Personal Protection Act ("SOPPA"), 105 ILCS 85/, Identity Protection Act ("IPA"), 5 ILCS 179/, and Personal Information Protection Act ("PIPA"), 815 ILCS 530/, and Local Records Act ("LRA"), 50 ILCS 205/.

2. **Definition of "Student Data."** In addition to the definition set forth in **Exhibit C**, Student Data includes any and all information concerning a student by which a student may be individually identified under applicable Illinois law and regulations, including but not limited to (a) "covered information," as defined in Section 5 of SOPPA (105 ILCS 85/5), (b) "school student records" as that term is defined in Section 2 of ISSRA (105 ILCS 10/2(d)) (c) "records" as that term is defined under Section 110/2 of the MHDDCA (740 ILCS 110/2), and (d) "personal information" as defined in Section 530/5 of PIPA.

3. **School Official Designation.** Pursuant to Article I, Paragraph 1 of the DPA Standard Clauses, and in accordance with FERPA, ISSRA and SOPPA, in performing its obligations under the DPA, the Provider is acting as a school official with legitimate educational interest; is performing an institutional service or function for which the LEA would otherwise use its own employees; is under the direct control of the LEA with respect to the use and maintenance of Student Data; and is using Student Data only for an authorized purpose and in furtherance of such legitimate educational interest.

4. **Limitations on Re-Disclosure.** The Provider shall not re-disclose Student Data to any other party or affiliate without the express written permission of the LEA or pursuant to court order, unless such disclosure is otherwise permitted under SOPPA, ISSRA, FERPA, and MHDDCA. Provider will not sell or rent Student Data. In the event another party, including law enforcement or a government entity, contacts the Provider with a request or subpoena for Student Data in the possession of the Provider, the Provider shall redirect the other party to seek the data directly from the LEA. In the event the Provider is compelled to produce Student Data to another party in compliance with a court order, Provider shall notify the LEA at least five (5) school days in advance of the court ordered disclosure and, upon request, provide the LEA with a copy of the court order requiring such disclosure.

5. **Notices.** Any notice delivered pursuant to the DPA shall be deemed effective, as applicable, upon receipt as evidenced by the date of transmission indicated on the transmission material, if by e-mail; or four (4) days after mailing, if by first-class mail, postage prepaid.

6. **Parent Right to Access and Challenge Student Data.** The LEA shall establish reasonable procedures pursuant to which a parent, as that term is defined in 105 ILCS 10/2(g), may inspect and/or

copy Student Data and/or challenge the accuracy, relevance or propriety of Student Data, pursuant to Sections 5 and 7 of ISSRA (105 ILCS 10/5; 105 ILCS 10/7) and Section 33 of SOPPA (105 ILCS 85/33). The Provider shall respond to any request by the LEA for Student Data in the possession of the Provider when Provider cooperation is required to afford a parent an opportunity to inspect and/or copy the Student Data, no later than 5 business days from the date of the request. In the event that a parent contacts the Provider directly to inspect and/or copy Student Data, the Provider shall refer the parent to the LEA, which shall follow the necessary and proper procedures regarding the requested Student Data.

7. **Corrections to Factual Inaccuracies.** In the event that the LEA determines that the Provider is maintaining Student Data that contains a factual inaccuracy, and Provider cooperation is required in order to make a correction, the LEA shall notify the Provider of the factual inaccuracy and the correction to be made. No later than 90 calendar days after receiving the notice of the factual inaccuracy, the Provider shall correct the factual inaccuracy and shall provide written confirmation of the correction to the LEA.

8. **Security Standards.** The Provider shall implement and maintain commercially reasonable security procedures and practices that otherwise meet or exceed industry standards designed to protect Student Data from unauthorized access, destruction, use, modification, or disclosure, including but not limited to the unauthorized acquisition of computerized data that compromises the security, confidentiality, or integrity of the Student Data (a "Security Breach"). For purposes of the DPA and this Exhibit G, "Security Breach" does not include the good faith acquisition of Student Data by an employee or agent of the Provider or LEA for a legitimate educational or administrative purpose of the Provider or LEA, so long as the Student Data is used solely for purposes permitted by SOPPA and other applicable law, and so long as the Student Data is restricted from further unauthorized disclosure.

9. **Security Breach Notification.** In addition to the information enumerated in Article V, Section 4(1) of the DPA Standard Clauses, any Security Breach notification provided by the Provider to the LEA shall include:

- a. A list of the students whose Student Data was involved in or is reasonably believed to have been involved in the breach, if known; and
- b. The name and contact information for an employee of the Provider whom parents may contact to inquire about the breach.

10. **Reimbursement of Expenses Associated with Security Breach.** In the event of a Security Breach that is attributable to the Provider, the Provider shall reimburse and indemnify the LEA for any and all legally required costs and expenses, to the extent such Security Breach is attributed to the provider, that the LEA incurs in investigating and remediating the Security Breach, without regard to any limitation of liability provision otherwise agreed to between Provider and LEA, including but not limited to costs and expenses associated with:

- a. Providing notification to the parents of those students whose Student Data was compromised and regulatory agencies or other entities as required by law or contract;
- b. Providing credit monitoring to those students whose Student Data was exposed in a manner during the Security Breach that a reasonable person would believe may impact the student's credit or financial security;
- c. Legal fees, audit costs, fines, and any other fees or damages imposed against the LEA

as a result of the security breach; and

- d. Providing any other notifications or fulfilling any other requirements adopted by the Illinois State Board of Education or under other State or federal laws.

For clarity and without limitation, Provider will not be responsible for costs associated with voluntary costs, expenses, monitoring, or notification which is not legally required. With respect to any Security Breach which is not due to acts or omissions of Provider or its agents, Provider will reasonably cooperate in performing the activities described above, as the LEA requests, at the LEA's reasonable expense.

11. Transfer or Deletion of Student Data. The Provider shall review, on an annual basis, whether the Student Data it has received pursuant to the DPA continues to be needed for the purpose(s) of the Service Agreement and this DPA. The Provider will delete or transfer Student Data in readable form to the LEA, as directed by the LEA (which may be effectuated through Exhibit D of the DPA), within 90 calendar days if the LEA requests deletion or transfer of the Student Data and upon request shall provide written confirmation to the LEA of such deletion or transfer.

If the LEA receives a request from a parent, as that term is defined in 105 ILCS 10/2(g), that Student Data being held by the Provider be deleted, the LEA shall determine whether the requested deletion would violate State and/or federal records laws. In the event such deletion would not violate State or federal records laws, the LEA shall forward the request for deletion to the Provider. The Provider shall comply with the request and delete the Student Data within a reasonable time period after receiving the request.

Any provision of Student Data to the LEA from the Provider shall be transmitted in a format readable by the LEA.

12. Public Posting of DPA. Pursuant to SOPPA, the LEA shall publish on its website a copy of the DPA between the Provider and the LEA, including this Exhibit G.

13. Subcontractors. By no later than (5) business days after the date of execution of the DPA, the Provider shall provide the LEA with a list of any subcontractors to whom Student Data may be disclosed or a link to a page on the Provider's website that clearly lists any and all subcontractors to whom Student Data may be disclosed. This list shall, at a minimum, be updated and provided to the LEA by the beginning of each fiscal year (July 1) and at the beginning of each calendar year (January 1).

14. DPA Term.

- a. **Original DPA.** Paragraph 4 on page 2 of the DPA setting a three-year term for the DPA shall be deleted, and the following shall be inserted in lieu thereof: "This DPA shall be effective upon the date of signature by Provider and LEA, and shall remain in effect as between Provider and LEA 1) for so long as the Services are being provided to the LEA or 2) until the DPA is terminated pursuant to Section 15 of this Exhibit G, whichever comes first. The Exhibit E General Offer will expire three (3) years from the date the original DPA was signed."
- b. **General Offer DPA.** The following shall be inserted as a new second sentence in Paragraph 1 of Exhibit E: "The provisions of the original DPA offered by Provider and accepted by Subscribing LEA pursuant to this Exhibit E shall remain in effect as between Provider and Subscribing LEA 1) for so long as the Services are being provided to

Subscribing LEA, or 2) until the DPA is terminated pursuant to Section 15 of this Exhibit G, whichever comes first.”

15. **Termination.** Paragraph 1 of Article VII shall be deleted, and the following shall be inserted in lieu thereof: “In the event either Party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or been terminated. One party may terminate this DPA upon a material breach of this DPA by the other party. Upon termination of the DPA, the Service Agreement shall terminate.’
16. **Privacy Policy.** The Provider must publicly disclose material information about its collection, use, and disclosure of Student Data, including, but not limited to, publishing a terms of service agreement, privacy policy, or similar document.
17. **Minimum Data Necessary Shared.** The Provider attests that the Student Data request by the Provider from the LEA in order for the LEA to access the Provider’s products and/or services is limited to the Student Data that is adequate, relevant, and limited to what is necessary in relation to the K-12 school purposes for which it is processed.
18. **Student and Parent Access.** Access by students or parents/guardians to the Provider’s programs or services governed by the DPA or to any Student Data stored by Provider shall not be conditioned upon agreement by the parents/guardians to waive any of the student data confidentiality restrictions or a lessening of any of the confidentiality or privacy requirements contained in this DPA.
19. **Data Storage.** Provider shall store all Student Data shared under the DPA within the United States.
20. **Exhibits A and B.** The Services described in Exhibit A and the Schedule of Data in Exhibit B to the DPA satisfy the requirements in SOPPA to include a statement of the product or service being provided to the school by the Provider and a listing of the categories or types of covered information to be provided to the Provider, respectively.
