Executive Summary Finance Committee Meeting

DATE: March 21, 2024

TOPIC: 6-year | Kindergarten through Fifth Grade Math Program Adoption | Carnegie Learning, Inc. © 2014-2023

PREPARED BY: Dominick Lupo

Purpose/Background:

The Board of Education approves all curricular adoptions and contracts.

The Middle School Math Committee met throughout the 2023-2024 school year to discuss and review kindergarten through fifth grade math programming. The committee consisted of eight teacher representatives ranging in expertise from all grade-levels and programs that utilize our elementary school math materials. Representatives unpacked several of the most popular and widely used programs at the elementary school level. Using a standardized rubric, along with committee discussion, the team chose the *ClearMath Solutions* program from *Carnegie Learning, Inc. © 2014-2023* as the series best suited to meet our students' needs. This program balances an age appropriate amount of materials with ample meaningful learning experiences to teach the skill or topic being explored. Committee members were unanimous in their support of the *Carnegie* program for this adoption. This program recommendation replaces the *McGraw-Hill MyMath* program.

This program represents a positive instructional shift in rigor and style in which math is presented and explored by elementary school students. The most up-to-date math instruction employs a conceptual approach meaning students learn to understand why math operations work, versus the traditional procedural approach where students learn by memorizing a series of steps to solve a problem.

This program will allow us to meet our students at their current levels of understanding, and give us more options for extending their understanding beyond our current program's capabilities. In addition to print and electronic materials, this adoption comes with *Carnegie's* virtual program called *Mathia*. In *Mathia* students practice and extend their capabilities virtually. The tool utilizes an "intelligence" program that both assesses students on current understanding and offers immediate feedback to students as they are working through conceptual and application-based problems.

In addition to the materials and subscriptions, the administration is looking to secure a solid, initial professional development plan as we work with the teachers to roll out this new program. This will include four, full-day initial implementation workshops (two for Rutledge Hall and two for Todd Hall) where representatives from *Carnegie* will be individually working with all of our elementary school teachers on lesson planning and delivery. They will also be working with the staff to help them understand and utilize all of the available tools targeted to specific profiles of learning needs. Additionally, we are looking to have *Carnegie* instructors come back six times over the course of the first year of implementation to continue guiding our staff in the direction of full implementation of the program.

The District's Legal Counsel reviewed all documents and stated that the signed Amendment to Carnegie's terms and conditions and privacy policy from the middle school adoption remains in place to cover this quote.

Fiscal Impact:

The fiscal impact of the 6-year adoption will be \$233,733.12 for all materials and professional development.

Recommendation:

The Finance Committee concurs with the Administration's recommendation to the Board of Education to approve this contract from *Carnegie Learning, Inc. © 2014-2023* for the adoption of the K-5 math curriculum in the amount of \$233,733.12 from the 2024-2025 school year to the 2029-2030 school year.

("Carnegie Learning") pursuant to the Quote number Q-39504 dated March 10, 2023, and the Carnegie Learning's Terms of Use (collectively, the "Agreement"), and shall continue in force for any extensions of the Agreement or subsequent renewals or order forms, unless otherwise agreed by the Parties.

1. **Terms and Conditions.** This Amendment modifies the Agreement entered into by the Parties. Terms and conditions not amended herein shall have the same meaning as in the Agreement. If there is conflict between this Amendment and the Agreement, the terms of this Amendment will prevail. Carnegie Learning shall not materially modify or amend the Agreement (see <https://www.carnegielearning.com/terms-of-use>) during the term of this Agreement or any extension thereof, without providing written notice.

2. **Auto-Renewal.** The term of the Agreement between the parties shall not automatically renew. Subsequent extensions of the Agreement shall require notice to and approval of the School District.

3. **FOIA/OMA.** School District shall not be required to make any claim of privilege that may be applicable to prevent disclosure in response to, and will not be required to notify Carnegie Learning prior to any disclosure in response to, a valid FOIA request for information that is not confidential or proprietary. Carnegie Learning acknowledges and agrees that the Agreement is not confidential or exempt from disclosure under the Illinois Freedom of Information Act or Open Meetings Act.

4. **Governing Law/Venue/Dispute Resolution.** This Agreement will be governed and construed in accordance with the laws of the State of Illinois, without regard to any conflicts of law provisions. Venue for all actions between the parties shall lie solely in the Circuit Court of Cook County, Illinois. Carnegie Learning hereby agrees to this exclusive venue, to personal jurisdiction of this court, and to service of process in accordance with its rules of civil procedure, and Carnegie Learning waives any objection that this venue is not convenient. Any references to binding arbitration, the waiver of the right to a jury trial, or the waiver of claims which may be litigated on a class or representative basis shall be deleted from the Agreement as it currently exists or as it may be modified or amended in the future.

5. **Illinois Student Privacy Laws.** In addition to its obligation to maintain student data in accordance with applicable federal laws, Carnegie Learning shall also maintain all student data obtained from School District in accordance with any applicable Illinois laws, including (without limitation, and only to the extent applicable) the *Illinois School Student Records Act* (105 ILCS 10/1 *et seq.*); and the *Illinois Student Online Personal Protection Act* (105 ILCS 85/1 *et seq.*) (herein "SOPPA"). - a. The categories or types of SOPPA-covered information, as defined in Section 5 of SOPPA, to be provided to Carnegie Learning pursuant to this Agreement may include:
 - i. Information created by or provided to Carnegie Learning by a student or the student's parent or legal guardian in the course of the student's, parent's, or legal guardian's use of the operator's site, service, or application for K through 12 school purposes;
 - ii. Information created by or provided to Carnegie Learning by an employee or agent of School District for school purposes; or

- d. If a breach is attributed to Carnegie Learning under SOPPA, any and all costs and expenses incurred by School District in investigating and remediating the breach will be allocated to Carnegie Learning, except for the cost of School District personnel. The costs and expenses may include, but are not limited to, all items described in Section 15(4)(D) of SOPPA, as now written or as may be amended from time to time. Carnegie Learning shall indemnify and defend School District, and its individual Board members, officers, employees, agents, and successors against third-party claims, charges, causes of action, and liability of any kind, including but not limited to attorney's fees, arising directly and specifically from any security or privacy breach involving SOPPA-covered information as a result of negligent or intentional acts or omissions of Carnegie Learning, and any damages limitations in the Agreement shall not apply to School District in this regard.

- e. Carnegie Learning must delete or transfer to School District all SOPPA-covered information within ninety (90) days if the information is no longer needed for the purposes of this Agreement. Carnegie Learning must delete, within a reasonable time period, a student's SOPPA-covered information if the School District requests deletion, unless the student or student's parent consents to the maintenance of the SOPPA-covered information.
- f. Because School District maintains a website, SOPPA requires that School District must publish a copy of this Agreement on the website.
- g. Carnegie Learning shall provide to School District a list of any third parties or affiliates to whom Carnegie Learning is currently disclosing SOPPA-covered information or has disclosed SOPPA-covered information. This list must, at a minimum, be updated and provided to the school by the beginning of each fiscal year and at the beginning of each calendar year.

6. **Insurance.** During the term of this Agreement and any renewal thereof, Carnegie Learning shall maintain a cyber-liability insurance policy insuring against data breaches. School District shall be named as an additional insured on such policy. Any damages limitations in this Agreement shall not apply to School District in its capacity as an additional insured.

7. **Authority to Execute.** Each signatory hereto represents and warrants that he or she has the proper corporate authority to execute this Amendment and bind his or her entity to the terms and conditions hereof.

WHEREAS, this Amendment and its terms and conditions are agreed upon by the Parties on the date set forth above.

Student Privacy Policy

CARNEGIE LEARNING STUDENT PRIVACY POLICY

Updated and Effective: October 31, 2022

This Privacy Policy applies to the collection of information from students by Carnegie Learning, Inc. ("Carnegie Learning") through access-controlled learning platforms we provide, including through any related websites, software, applications, or interactive features or online services, and that post a link to or include this Privacy Policy (collectively, our "Learning Platforms"). This Privacy Policy also applies to any student information we collect offline in connection with use of the Learning Platforms.

OVERVIEW

The Learning Platforms include teaching and learning resources designed for students in pre-K through college. Typically students will access the Learning Platforms through agreements Carnegie Learning has with teachers, or representatives of schools, learning institutions, school districts, state or local boards of education or other educational organizations (collectively, "Schools").

The Learning Platforms are made available to students and others authorized by the Schools, who have been provided access by the Schools, such as by adding a student's name and email address to their class roster or by syncing class rosters through third-party services authorized by a School. Teachers or administrators may also provide other information to us about their students who participate in the Learning Platforms. We may also disclose information to the Schools pursuant to our agreements with the Schools. When we provide access to the Learning Platforms through a School agreement, we collect, process, disclose, and store student information in order to provide learning services through the Learning Platforms and on behalf of Schools and only in the ways permitted by the applicable School agreement. We otherwise use information as set forth in this policy.

Certain students may obtain access through Private Providers. If you are accessing the Learning Platforms through a Private Provider, [please see below for additional information](#).

Students Younger than 13

Some students that access our Learning Platforms may be younger than the age of 13 ("Children") and the online collection of personal information from those students may therefore be subject to the Children's Online Privacy Protection Act ("COPPA") and other applicable law. Carnegie Learning collects personal information about Children for the use and benefit of Schools, and for no other commercial purpose. When a School provides access to the Learning Platforms to students who are Children, the School represents that it has secured all necessary consent from the parents of those Children or is providing that consent on the parents' behalf. We limit the use of information about Children to the educational context authorized by the contracting School. If you are the parent of a Child who uses our Learning Platforms through his/her/their School and have questions about our privacy practices, please contact us as indicated in the "[Contact Us](#)" section below.

What Information Do We Collect from Students?

We may collect information from you directly, automatically when you visit the Learning Platforms, and sometimes from third parties, such as your teacher or School administrator. Some of this information may be considered "personal information" under various applicable laws. We consider information that identifies you as a specific, identified individual (such as your name and email address) to be personal information. We will also treat additional information, including IP addresses and cookie identifiers, as "personal information" where required by applicable law. Note that we may de-identify personal information so that it is non-personal, such as aggregating or converting it to a code, sometimes using a function commonly known as "hash". We will treat de-identified information as non-personal to the fullest extent allowed by applicable law. If we combine non-personal information with personal information, then we will treat the combined information as personal information under this Privacy Policy.

Information collected directly from students

Carnegie Learning may ask you to provide certain information to us directly, depending on which product(s) you are using, including:

- Full Name
- Date of Birth
- Email address
- Student identifier
- Student login ID and password (unique to our system)
- The grade, class, school where a student is enrolled, and any relevant programs such as English Language Learner (ELL) or English as a Second Language (ESL) or Special Education

- Feedback about any of our products and services
- Records of interactions with customer support
- Data generated from student activity within the Learning Platforms, including answers provided, errors, hint requests, preferences, timing information, progress within the system, and inferences made from this data about student knowledge.
- External assessment scores used to customize instruction

Information collected automatically through use of the Learning Platforms

In addition to any personal information that you choose to submit to the Learning Platforms, we and our third-party service providers may use a variety of technologies that automatically or passively collect certain information whenever you visit or interact with the Learning Platforms ("Usage Information"). Usage Information may include the following, among other information:

- Web browser type and version
- Operating system
- All pages and activities viewed on the Learning Platforms
- Date and time of use
- Length of stay on certain courses or pages
- We also automatically collect your IP address or other unique identifier ("Device Identifier") for any computer, mobile phone or other device you may use to access the Learning Platforms. A Device Identifier is a number that is automatically assigned to your device used to access the Learning Platforms, and our servers identify your device by its Device Identifier. We may be able to collect or infer your approximate location through information we collect, such as IP address.

Any Usage Information, Device Identifier, or other persistent identifier we collect is used for the sole purposes of providing our Learning Platforms to students and their Schools and to support the Learning Platforms' internal operations.

The technologies that may be used to collect Usage Information include the following:

Cookies. When you use our Learning Platforms, Carnegie Learning may store data in "cookies" or similar technology on your devices, which are data files placed on your computer or other device when you visit the Learning Platforms or otherwise access our online content. Carnegie Learning may use cookies for many purposes, including, without limitation, to remember you and your preferences, to collect information about how you use our Learning Platforms, personalize content within the Learning Platforms, and track the pages you've visited. We use both session and persistent cookies (which remain on your computer after the browser has been closed). This information allows us to customize your Carnegie Learning experience so that your visit is as relevant and as valuable to you as possible.

For more information on cookies, visit <http://www.allaboutcookies.org>.

Web Beacons. We may use web beacons (small graphic images or other web programming code, also known as "1x1 GIFs" or "clear GIFs") and similar technologies on our Learning Platforms. Web beacons can recognize certain types of information on your computer such as cookies, the time and date a page is viewed, and a description of the page where the web beacon is placed. Web beacons or similar technologies may be used for a number of purposes, including, without limitation, to count visitors to the Learning Platforms, to monitor how users navigate the Learning Platforms, to count how many e-mails that were sent were actually opened or links were actually viewed and to improve your experience on the Learning Platforms.

Embedded Scripts. An embedded script is programming code that is designed to collect information about your interactions with the Learning Platforms, such as the links you click on. The code is temporarily downloaded onto your device from our web server or a third party service provider, is active only while you are connected to the Learning Platforms, and is deactivated or deleted thereafter.

In addition, we may use a variety of other technologies that collect similar information for security and fraud detection purposes.

Information We Receive from Schools

We may receive information about you from your School(s). For example, the School may provide us your name and email address to set up an account on your behalf and/or so that we may contact you, such as to send you an invitation to create a password and log-in. Executive Summary Finance Committee Meeting

DATE: March 21, 2024

TOPIC: Middle School Science Curriculum Adoption – © 2024 Amplify Education, Inc.

PREPARED BY: Dominick Lupo

Recommended for:

- ☒ Action
- ☒ Discussion
- ☒ Information

Purpose/Background:

The Board of Education approves all curricular adoptions and contracts.

The Science Committee met throughout the 2023-2024 school year to discuss program implementation. The three middle school science teachers sampled several programs including Amplify Science. The staff responded positively to the structures and materials presented by the Amplify representatives. Teachers feel that Amplify Science would be engaging for students, and it appeared that amount of material was appropriate for each grade level.

Much like the Mystery Science experience that students get as a part of our kindergarten through fifth grade science programming, Amplify Science is a curriculum that blends hands-on investigations, literacy-rich activities, and interactive digital tools to empower students to think, read, write, and argue like real scientists. The learning experiences, lessons, and materials offered by Amplify Science presented as being meaningful and authentic to the topics being explored, and committee members were unanimous in their support of the Amplify program.

In addition to the materials and subscriptions, the team, along with administration, is looking to secure a solid initial professional development plan from Amplify Science. This will include one, full-day initial implementation workshop to be delivered on-site. There is the option of a virtual professional development workshop, but the administration feels that a hands-on, in-person workshop would be the best course of action given the tactile nature of the program.

District Legal Counsel reviewed Amplify's terms and conditions and offered an amendment which Amplify signed without any edits.

Fiscal Impact:

The fiscal impact of the 6-year adoption will be \$67,710.20 for all materials and professional development. This grant will be paid for using the funds from the Targeted School Improvement grant as this program will be a resource to increase students' access to informational texts.

Recommendation:

The Finance Committee concurs with the Administration's recommendation to the Board of Education to approve this Agreement from Amplify Education for three middle school science curriculum in the amount of \$67,710.20 from the 2024-2025 school year until the 2029-2030 school year.

2. What personal information do we collect?

When you access or use our Products, you may choose to provide us with personal information, including Student Data. This information may be provided to us directly (e.g. when an account is created or through communications with us) or through our Products.

Student Data. Below is a list of the categories of Student Data that may be collected by Amplify or its Products, either directly or through the School Customer’s use of the various features and configurations of the Products:

- **Identifier and Enrollment Data**, such as name, email, school / state ID number, username and password, grade level, homeroom, courses, teacher names.

- **Why?** Most of Amplify’s Products require some basic information about who is in a classroom and who teaches the class—student or teacher Identifier and Enrollment data. This information is provided to Amplify by our School Customers, either directly from the School Customer’s student information system or via a third party with whom the School Customer contracts to provide that information.
- **Demographic Data**, such as date of birth, socioeconomic status, race, national origin, and preferred or primary language.
 - **Why?** To support school instructional and reporting requirements, Amplify’s Products allow School Customers to view reports and analyze data using student demographic and other special indicators. For example, a School District may wish to analyze student literacy assessment results based on English Language Learner status to better tailor classroom instruction, and in that case may provide the associated indicator as part of the enrollment information to enable that reporting.
- **School Records**, such as grades, attendance, assessment results, and Individualized Education Plan status (i.e. whether a plan is in place)
 - **Why?** Some of our Products support grading assignments and administering formative, diagnostic, and curriculum-based assessments. Teachers use that data to support students’ progress in the program or help with instructional decisions. We do not collect specific details from an IEP, nor do we collect health or other sensitive information.
- **Schoolwork and Student Generated Content**, which includes any information contained in student assignments and assessments, including information in response to instructional activities and participation in collaborative or interactive features of our Products, such as student responses to academic questions and student-written essays, as well as images, video, and audio recordings.
 - **Why?** As part of the digital learning experience, some of our Products may enable students to write texts and create and upload images, video, and audio recordings. For example, in Amplify ELA, students may write essays or submit short-form responses in our platform as part of a lesson on literature. As another example, in Boost Reading, student interactions with reading skills games are recorded to keep track of the student’s progress to level up in the program and to provide visibility to teachers on how students are mastering the skills.
- **Teacher Comments and Feedback**, such as scores, written comments, or other feedback that educators may provide about student responses or student course performance.
 - **Why?** To enable teachers to track the performance and provide feedback to their students.

Other Data. We may collect the following types of personal information from all other Authorized Users:

- **Contact Information**, such as name and email address, as well as grade level taught, school name and school location, whether you are a teacher, administrator, or other authorized person that creates an account or uses our Products or communicates with us.
- **Account Information**, such as customer user login and password, for account creation and access purposes.
- **Survey Responses**, which you provide in response to surveys or questionnaires.

- **Device and Usage Data.** Depending on the Product, we may collect certain information about the device used to connect to our Product, such as device type and model, browser configurations, and persistent identifiers, such as IP addresses and unique device identifiers. We may collect device diagnostic information, such as battery level, usage logs, and error logs, as well as usage, viewing, and technical information (e.g., email open rates), such as the number of requests a device makes, to ensure proper system capacity for all Authorized Users. We may collect IP addresses and use that information to approximate device location to support operation of the Product. To the extent that we collect this information from website visitors who have not signed up for an account, this data is solely used to support operation of the Product and is not linked to Student Data.

Unless otherwise notified by our School Customer, we will delete or de-identify Student Data after termination of our Agreement with the School Customer.

10. COPPA

Except as described in the Appendix, we do not knowingly collect personal information from a Child User unless and until a School Customer or educator has, on behalf of a parent or guardian, authorized us to collect such information to provide the Products. We comply with all applicable provisions of COPPA. To the extent COPPA applies to the information we collect, we process such information for educational purposes only, at the direction of the partnering School District or State Agency and on the basis of educational institutional consent. If you are a parent or guardian and have questions about your child's use of the Products and any personal information collected, please direct these questions to your child's school.

11. Updates to this policy

For example, we may update it to comply with new laws or regulations, to conform to industry best practices, or to reflect changes in our product offerings. When these changes do not reflect material changes in our practices with respect to use and/or disclosure of Authorized Users' personal information, including Student Data, such changes to the Privacy Policy will become effective when we post the revised Privacy Policy on our website. In the event there are material changes in our practices that would result in Authorized Users' personal information being used in a materially different manner than was disclosed when the information was collected, with respect to Student Data, we will notify the School Customer, and with respect to other information, we will notify you via email and provide an opportunity to opt-out before such changes take effect.

LINCOLNWOOD SCHOOL DISTRICT 74 AND AMPLIFY EDUCATION, INC.**

This Amendment is entered into as of April 4, 2024, by and between the Board of Education of Lincolnwood School District No. 74 (“School District”) and Amplify Education, Inc. (“Amplify”) pursuant to Quote # Q-338508-1 dated January 29, 2024, and the Customer Terms & Conditions (collectively, the “Agreement”), and shall continue in force for any extensions of the Agreement or subsequent renewals or order forms, unless otherwise agreed by the Parties.

1. **Terms and Conditions.** This Amendment modifies the Agreement entered into by the Parties. Terms and conditions not amended herein shall have the same meaning as in the Agreement. If there is conflict between this Amendment and the Agreement, the terms of this Amendment will prevail. Amplify shall not materially modify or amend the Agreement (see <https://amplify.com/customer-terms>) during the term of this Agreement or any extension thereof, without providing written notice.
2. **Auto-Renewal.** The term of the Agreement between the parties shall not automatically renew. Subsequent extensions of the Agreement shall require notice to and approval of the School District.
3. **FOIA/OMA.** School District shall not be required to make any claim of privilege that may be applicable to prevent disclosure in response to, and will not be required to notify Amplify prior to any disclosure in response to, a valid FOIA request for information that is not confidential or proprietary. Amplify acknowledges and agrees that the Agreement is not confidential or exempt from disclosure under the Illinois Freedom of Information Act or Open Meetings Act.
4. **Governing Law/Venue.** This Agreement will be governed and construed in accordance with the laws of the State of Illinois, without regard to any conflicts of law provisions. Venue for all actions between the parties shall lie solely in the Circuit Court of Cook County, Illinois. Amplify hereby agrees to this exclusive venue, to personal jurisdiction of this court, and to service of process in accordance with its rules of civil procedure, and Amplify waives any objection that this venue is not convenient. Any references to binding arbitration, the waiver of the right to a jury trial, or the waiver of claims which may be litigated on a class or representative basis shall be deleted from the Agreement as it currently exists or as it may be modified or amended in the future.
5. **Illinois Student Privacy Laws.** In addition to its obligation to maintain student data in accordance with applicable federal laws, Amplify shall also maintain all student data obtained from School District in accordance with any applicable Illinois laws, including (without limitation, and only to the extent applicable) the *Illinois School Student Records Act* (105 ILCS 10/1 *et seq.*); and the *Illinois Student Online Personal Protection Act* (105 ILCS 85/1 *et seq.*) (herein “SOPPA”). In accordance with SOPPA, the School District has separately executed an Exhibit E “General Offer of Privacy Terms” to join in the IL-NDPA Agreement between Amplify and another Illinois public school district.
6. **Insurance.** During the term of this Agreement and any renewal thereof, Amplify shall maintain a cyber-liability insurance policy insuring against data breaches. School District shall be

named as an additional insured on such policy. Any damages limitations in this Agreement shall not apply to School District in its capacity as an additional insured.

Customer agrees to comply with all applicable Export Laws, and will not, and will not permit Authorized School Users to, export, or transfer for the purpose of re-export, any Product to any prohibited or embargoed country in violation of any U.S. export law or regulation. Further, Customer represents that it is not a party subject to sanctions by the U.S. Office of Foreign Assets Control or included on any restricted party list maintained by the U.S. Bureau of Industry and Security. The software and associated documentation portions of the Products are “commercial items” (as defined at 48 CFR 2.101), comprising “commercial computer software” and “commercial computer software documentation,” as those terms are used in 48 CFR 12.212. Accordingly, if Customer is the U.S. Government or its contractor, Customer will receive only those rights set forth in this Agreement in accordance with 48 CFR 227.7201-227.7204 (for Department of Defense and their contractors) or 48 CFR 12.212 (for other U.S. Government licensees and their contractors).

4. **Reservation of Rights.** SUBSCRIPTION PRODUCTS ARE LICENSED, NOT SOLD. Subject to the limited rights expressly granted hereunder, all rights, title, and interest in and to all Products, including all related IP Rights, are and will remain the sole and exclusive property of Amplify or its third-party licensors. “IP Rights” means, collectively, rights under patent, trademark, copyright, and trade secret laws, and any other intellectual property or proprietary rights recognized in any country or jurisdiction worldwide. Customer must promptly notify Amplify of any violation of Amplify’s IP Rights in the Products, and will reasonably assist Amplify as necessary to remedy any such violation. Amplify Products are protected by patents (see [amplify.com/virtual-patent-marking](#)).

5. **Payments.** In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer will be responsible for all state or local sales, use or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.

6. **Shipments.** Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported to Amplify by Customer within 60 days of receipt. In such case, Customer may not return Products without Amplify’s written authorization.

7. Account Information. For subscription Products, the authentication of Authorized School Users is based in part upon information supplied by Customer or Authorized School Users, as applicable. Customer will and will cause its Authorized School Users to (a) provide accurate information to Amplify or a third-party service as applicable, and promptly report any changes to such information, (b) not share login credentials or otherwise allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized School Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized School Users.

8. Confidentiality. Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized School Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how, or trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

9. Student Data. The parties acknowledge and agree that in the course of providing the Products to the Customer, Amplify may collect, receive, or generate information that directly relates to an identifiable current or former student of Customer ("Student Data"). Student Data may include personal information from a student's "educational records," as defined by the Family Educational Rights and Privacy Act of 1974 ("FERPA"). Student Data is owned and controlled by the Customer and Amplify receives Student Data as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Individually and collectively, Amplify and Customer agree to uphold our obligations, as applicable, under FERPA, the Children's Online Privacy Protection Act ("COPPA"), the Protection of Pupil Rights Amendment ("PPRA"), and applicable state laws relating to student data privacy. Amplify's [Privacy Policy](https://amplify.com/customer-privacy) at amplify.com/customer-privacy ("Privacy Policy") will govern collection, use, and disclosure of Student Data collected or stored on behalf of Customer under this Agreement. Customer is responsible for providing notice and obtaining appropriate consents under applicable laws to authorize Authorized School Users' use of the Products, including making a copy of the [Privacy Policy](https://amplify.com/customer-privacy) available to the parents or guardians of users who are under the age of 13. In addition, Amplify has entered into the Data Privacy Agreements listed at amplify.com/privacy-security aligned with state and national templates to facilitate compliance with applicable state laws and help expedite Customer's student data privacy documentation process.

10. Customer Materials and Requirements. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized School Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at amplify.com/customer-requirements.

11. Warranty Disclaimer. PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD-PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS, OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD-PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD-PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE, AND DISCLOSURE PRACTICES OF THIRD PARTIES.

12. Limitation of Liability. IN NO EVENT WILL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE, OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO

CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, MAY NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12-MONTH PERIOD. UNDER NO CIRCUMSTANCES WILL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. **Term/Termination.** This Agreement will be in effect for the Term and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity, or otherwise, a party will have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized School User) materially breaches any term, provision, warranty, or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge, or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible for the cost of any continued use of the Products following termination. Upon termination, Amplify will return or destroy any Student Data provided to Amplify hereunder. Notwithstanding the foregoing, nothing will require Amplify to return or destroy any data that does not include Student Data, including de-identified information or data that is derived from access to Student Data but which does not contain Student Data. Sections 3–14 will survive the termination of this Agreement.

14. **Miscellaneous.** This Agreement, including all addenda, attachments, and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement will supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and will supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement will apply to their singular and plural forms, as applicable. The word “including” means “including without limitation.” This Agreement will be governed by and construed and enforced in accordance with the laws of the U.S., state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement will constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized School User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement will for any reason be held to be unenforceable at law, such provisions will be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify will have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, pandemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network. Each party represents and warrants that it has all necessary right, power, and authority to enter into this Agreement and to comply with the obligations hereunder.

We are delighted to work with you and we thank you for your order!

DATE: March 21st, 2024

TOPIC: District Purchasing Update(s)

PREPARED BY: David Russo, Dominick Lupo, Jordan Stephen

Recommended for:

- ☐ Action
- ☒ Discussion
- ☒ Information

Purpose/Background:

This document provides the Finance Committee with an update of ongoing District renewals and/or purchases that will not require Board Approval based on criteria adopted in May 2023.

Items for Finance Committee Review:

- Genuity Renewal for 2024-2025
 - The technology department has been using Genuity for its IT ticketing and contract management systems for the past year.
 - The District took advantage of this new product and pulled away from using the SchoolDude IT Management software, saving the district money over the past year.
 - \$359.88 - The District paid \$329.89 for the same services for the 23-24 school year.
- IXL for 1st Grade
 - Currently, the district has a multi-year contract with IXL learning for grades 2-8.
 - First grade did a 2-month pilot to see if this program would benefit our first grade students with their Math and ELA skills.
 - The pilot proved to be beneficial. Therefore, we would like to extend the service to first grade for the remainder of the contract that is in place for grades 2-8.
 - The fiscal impact of the program will be \$4,882, and the contract will end on August 10, 2026.
