

PROGRAM FOR 8TH AND 9TH GRADERS

CS + X Summer Camp

at Illinois Mathematics and Science Academy

June 22 - June 27, 2025

1500 Sullivan Road, Aurora, IL 60506

The CS+X summer camp at IMSA is an immersive one-week residential experience. The camp offers a dynamic, project-based curriculum created by the University of Illinois Urbana-Champaign. By showing how different aspects and applications of CS tools can be used in various fields (X), we can nurture the next wave of tech innovators.

Students will arrive on campus on Sunday, June 22, and will complete the immersive residential experience on Friday, June 27. Tuition, which includes room, board, and meals for the week is \$1200 for students who live in Illinois, and \$1800 for students who live in any other US State.

For more information, or if you have questions, contact IMSA's Center for Teaching and Learning at studentenrichment@imsa.edu, 630.907.5987.
