

# Collaborative & Proactive Solutions

## Moving From Power and Control to Collaboration and Problem-Solving

# Two-Day Workshop with Dr. Ross Greene

This two-day workshop focuses on solving problems rather than on modifying behavior. Devise collaborative rather than unilateral solutions, encourage proactive rather than reactive intervention, de-emphasize diagnostic categories, and learn practical, research-based tools for assessment and intervention.

REGISTRATION CLOSING APRIL 18, 2025  
*Register now!*

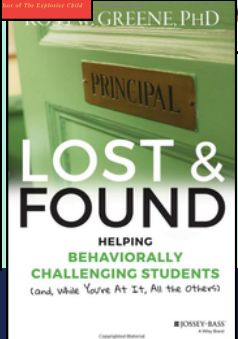

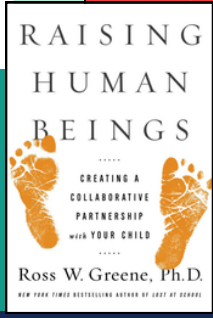

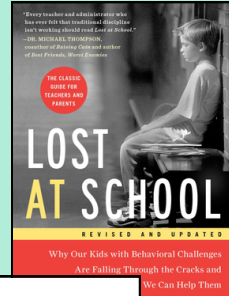

Dates: July 28 - 29, 2025
