

Garfield Elementary presents...

Spring Concert 2026

A black treble clef is positioned on the left, with a five-line musical staff extending to the right. Several black musical notes of varying durations are placed on the staff. The staff ends with a decorative flourish.

Concert Etiquette

We're thrilled to share this evening of music with you! As the audience, you are an important part of tonight's concert. To ensure a positive performance experience for our students, we kindly request your cooperation with the following:

Full Attendance: Students are required to remain for the entire concert as they have dedicated significant effort to their performance. We appreciate your commitment to staying until the conclusion.

Respectful Listening: Please refrain from talking or texting during the performances. Video and photography are welcome, but please disable flash.

Movement During Performances: If you must enter or exit, please wait until a piece is complete and then move quickly and quietly. If you have a young child who becomes restless, please step into the hallway to minimize disruption.

Applause and Recognition: Please refrain from calling out student names during the concert. For solo performances, please wait to applaud until the piece concludes, at which time soloists will be recognized.

We invite you to relax and enjoy the beautiful music. Thank you for your support of the arts and our talented students!
