Notice of Joint Public Hearing

The Proposed Merger of Academy for Health Careers (17K751) with Pathways in Technology Early College High School (17K122) in Building K625 in the 2027-2028 School Year

The New York City Department of Education (NYCDOE) is proposing to merge Academy for Health Careers (17K751), referred to as AHC, with Pathways in Technology Early College High School (17K122), referred to as P-TECH, in building K625 (K625) in the 2027-2028 school year. A merger means that two or more existing school organizations are combined into one school to operate and serve students more effectively.

AHC is an existing district high school serving students in grades 9-12 and P-TECH is an existing district high school currently serving students in grades 9-12 that also offers an early college program. AHC and P-TECH are co-located in K625, located at 150 Albany Avenue, Brooklyn, New York 11213, in Community School District 17, referred to as District 17. A co-location means that two or more school organizations are located in the same building and may share common spaces, such as auditoriums, gymnasiums, libraries, and cafeterias. K625 also houses a Living for the Young Family Through Education program (79M984).

If this proposal is approved, AHC will be merged with P-TECH in the 2027-2028 school year, and AHC's students, staff, and resources will become a part of the merged school under the P-TECH name. If this proposal is approved, AHC will no longer exist as a distinct school option after the 2026-2027 school year.

For further information about this proposal, please see the Educational Impact Statement, which is available in the main offices of AHC and P-TECH, as well as on the Panel for Educational Policy (PEP) website at: https://www.schools.nyc.gov/get-involved/families/panel-for-education-policy/2026-2027-pages/january-20-2027-school-utilization-proposals.
