

Instruction

Awards

Under the direction of the superintendent, the District's professional staff shall establish and maintain a set of criteria and procedures for presenting awards to students for academic achievement, sports, community service and other activities.

All honors and awards conferred by the District upon students shall be under the supervision of the building principal and shall be approved by the superintendent.

Honor Rolls

The Board authorizes the publication of the honor roll lists at the junior high level. Their establishment and publication shall be in accordance with procedures and standards determined by the superintendent.
