

EMERGENCY PROCEDURES PLAN

PURPOSE: To define guidelines to respond to natural or man-made disasters and emergencies.

These guidelines, will be reviewed annually and revised as needed and will be placed in the current Emergency Procedures Plan maintained by each site.

The guidelines will address incidents that include, but not limited to, the following:

Accident/Serious Illness	Intruder/Lock-Down
Atmospheric Chemical Release	Student Endangerment
Bomb Threats	Student Runaway/Abduction
Child Abuse	Suicide Intervention
Death of a Student or Staff Member	Tornados/Severe Weather
Fire
