SO ACCORDING TO BSA QUIDELINES **13 HOURS** COULD BE USED BY US TO HELP OUT THE CUSODIANS TO REDISTRIBUTE THE SOFTFALL BACK INTO THE PLAY AREAS.

ASLO HOW MANY BOYS SCOUTS ARE THERE AT EACH SCHOOL? ENOUGH TO HELP OUT WITH REDISTRBUTION OF SOFT FALL.

Custodians: It is your responsibility to instruct scouts how to use the equipment properly and how to disperse the chips in the play areas. Also make available PPE (gloves) if scouts are picking debris from play area.

I estimate approx. 15 minutes before school starts to accomplish the redistribution and clean up per day.

Please remember that service hours are available to all organizations.
