This benefits enrollment guide describes only the highlights of the Spring Branch ISD benefits program. For details and specific plan provisions, refer to the Spring Branch ISD Employee Benefits website. In the case of any discrepancy between this brochure and the plan documents, the plan documents will govern in all cases.

Spring Branch ISD feels it is very important to provide a competitive benefits package for its employees and intends to continue the benefits described in the enrollment guide. However, Spring Branch ISD reserves the right to amend, modify, or terminate any of the plans or benefits, in whole or in part, at any time and for any group of participants.

Participation in these plans does not create, imply or amend any contract of employment between you and Spring Branch ISD.

By participating in these benefit plans you authorize the necessary payroll deductions by Spring Branch ISD to cover the cost of your coverage. In the event that you do not receive a paycheck due to leave of absence or for any other reason, you are responsible for making payments for your benefit premiums. If payment is not made the outstanding premiums will be deducted from the first paycheck you receive upon your return to active duty. Continuing failure to make timely payments for benefit premiums owed may result in termination of benefits.

Who can enroll for benefits?

TRS-ActiveCare Health Plan
(administered by Aetna)

To be eligible for TRS-ActiveCare, you must be either an active, contributing TRS member or employed 10 or more regularly scheduled hours each week. Please see the TRS-ActiveCare enrollment guide for details.

Employees who are contributing TRS members will receive the state and district contribution toward health insurance premiums.

Employees, substitutes and temporary workers who work at least 10 hours per week but are not paying members of TRS are eligible for TRS-ActiveCare, but are not eligible for the state and district contribution toward health insurance. These employees will pay the full monthly health premium. To find out the full monthly rate, see the TRS enrollment guide or contact the Benefits Department at 713-464-1511.

All other insurance products:

To be eligible for insurance products other than TRS-ActiveCare, you must be an active, contributing TRS member or a TRS retiree who works 50% or more of the time required of the standard workload for a full-time position.

When does my insurance become effective?

If you are employed with the District prior to the beginning of the plan year (September 1, 2017), your benefits will become effective **September 1, 2017**.

If you are hired after the beginning of the plan year, your benefits will become effective as follows:

TRS-ACTIVECARE HEALTH INSURANCE:

Your effective date of insurance is either your first day at work or the first of the month following your start date. If you elect for your insurance to become effective your first day of work, premium payment for the entire month is required.

ALL OTHER INSURANCE PRODUCTS:

Your effective date of coverage is the first of the month following your first day of work.

What if I want to change my benefits?

The elections you make during open enrollment will be effective for the full plan year (September 1, 2017 through August 31, 2018) unless you experience a change in status as defined by federal law. Once you experience a change in status, you have 31 days from the event date to change your benefit elections.

To find out if you qualify for a benefits status change:
contact the Benefits Department at 713-464-1511.

Do you need medical coverage?

Before we get to the details, let's focus on the first decision you have to make: Do you need medical coverage?

Your first step in making this important decision should be to estimate what your medical expenses will be for the year, and what will influence those expenses. *Are you planning to add a child? Have you been putting off surgery or a procedure that you know you might face this year? Do you take good physical care of yourself?* The answers to these questions and more can have a big influence on your decision, and then there is always the unanswerable: *what is the probability of major illness or an accident in my family this year?*

After you've considered the questions and made your estimate, compare it with the employee medical contribution amounts below, taking into account deductibles, copays, and coinsurance on the previous page. That's how to make your decision.

Please note: The Affordable Care Act requires most U.S. citizens to have medical insurance as part of the "Individual Mandate" portion of the law or face penalties.

Delta Dental is our dental provider!

Why buy dental?

- THE HEALTH OF OUR TEETH AND MOUTH ARE LINKED TO OVERALL HEALTH AND WELL-BEING.
- YOUR WELLNESS ROUTINE SHOULD INCLUDE REGULAR DENTAL CHECK-UPS WITH PROPER CARE.
- YOU CAN PREVENT UNNECESSARY DISEASE.

Spring Branch ISD offers 3 dental plan options for you to choose from: DHMO, LOW PPO, and HIGH PPO.

What does a dental plan cover?

All three options cover four main types of dental expenses:

1. **Preventive and diagnostic care**
routine exams and cleanings, fluoride treatments, sealants, x-rays
2. **Basic treatment**
pulling teeth, fillings, root canal therapy and some oral surgeries
3. **Major treatment**
dentures, bridges and crowns, and some oral surgeries
4. **Orthodontic braces**
including installation, removal and follow-up care

• BOTH DPPO DENTAL PLANS HAVE A **PLAN YEAR DEDUCTIBLE**.

Any time a deductible is referred to as plan year, this indicates that the **deductible begins on September 1st and ends on August 31st**.

The plan year deductible tells you how much you will be responsible for paying toward your covered dental expenses before the insurance company begins paying their share.

How to find a participating provider:

For the most current information, please contact your selected provider or Delta Dental Member Services at 800-521-2651, or visit deltadentalins.com for a list of dentists in the Delta Dental network. Click the "Find a Dentist" tab on web page. Select the dental plan network which applies to you and begin your search.

When you don't use the network:

DHMO Option – Dental services must be provided by your primary care dentist. In some cases, your dentist will refer you to a specialist. You will need to choose a dentist in the DHMO network.

DPPO Options – If you go to a provider who is not in the network, you may pay additional charges over and above your normal portion of the cost.

FSA & HSA. They're not so scary ... really!

Discovery Benefits is our
new FSA & HSA provider!

If you're interested in reducing your income taxes, you should consider contributing to a Flexible Spending Account (FSA). FSAs offer a convenient way to reimburse yourself for certain healthcare and dependent care expenses with pre-tax dollars.

There are two types of FSAs:

1. Healthcare FSA used to reimburse out-of-pocket medical expenses incurred by you and your dependents.

Use your healthcare FSA for:

- MAJOR DENTAL WORK OR ORTHODONTIA
- DEDUCTIBLES AND COPAYS FOR MEDICAL, RX, DENTAL AND VISION
- QUALIFIED OUT-OF-POCKET HEALTHCARE EXPENSES NOT REIMBURSED BY A MEDICAL PLAN

2. Dependent care FSA used to reimburse expenses related to the care of your eligible dependents while you and your spouse work. Use your dependent care account for:

- CARE OR SERVICES FOR CHILDREN UNDER 13 YEARS, INCLUDING BEFORE OR AFTER SCHOOL CARE
- ELDER CARE

Eligible and Ineligible Expenses

The IRS determines what expenses are eligible and ineligible, and be aware they may from time to time change these lists. You can view eligible and ineligible expenses, for both healthcare and dependent care accounts on the SBISD benefits website. If you are unsure about whether an expense is eligible or not, contact Discovery Benefits at 866-451-3399 (FSA).

Knowing how much to set aside for your FSA is an important decision you have to make. You may want to consider:

- LAST YEAR'S MEDICAL AND/OR DEPENDENT CARE EXPENSES.
- ANY MEDICAL, DENTAL, OR VISION CARE COSTS YOU FORESEE THAT MIGHT NOT BE COVERED UNDER YOUR HEALTHCARE PLAN.
- ANY CHANGES IN YOUR FAMILY STATUS THAT MIGHT HAVE AN IMPACT ON YOUR MEDICAL, DENTAL/VISION OR DEPENDENT CARE EXPENSES. LIKE, HAVING A BABY.

Tax-Free Basis & Pre-Tax Dollars = Less taxes you have to pay

When you contribute to an FSA account (\$2,600 maximum for healthcare/\$5,000 maximum for dependent care), deductions are taken out of your paycheck prior to having any taxes withheld. This means that you don't pay federal income tax, TRS, and (in most cases) state and local income taxes on the portion of your paycheck you contribute to your FSA. Depending on your individual income and tax filing status, you could save as much as 20 to 50 percent on eligible healthcare services by utilizing an FSA.

	WITHOUT FSA	WITH FSA
GROSS PAY	\$25,000	\$25,000
FSA HEALTHCARE CONTRIBUTIONS	\$ 0	- \$ 2,000
FSA DEP. CARE CONTRIBUTIONS	\$ 0	- \$ 5,000
(*EXAMPLE BASED ON EFFECTIVE FEDERAL INCOME RATE OF 15% AND MEDICARE OF 1.45%) SALARY YOU'RE TAXED ON	\$25,000	\$ 18,000
LESS FEDERAL INCOME TAXES	- \$ 3,750	- \$ 2,700
LESS MEDICARE	- \$ 363	- \$ 261
LESS AFTER-TAX HEALTHCARE EXPENSES	- \$ 2,000	\$ 0
LESS AFTER-TAX DEP. CARE EXPENSES	- \$ 5,000	\$ 0
YOUR TAKE-HOME PAY	\$ 13,887	\$ 15,039

* Maximum amount increased by \$50 in 2017.

Here's the important stuff:

You are able to carry forward \$500 of unused FSA funds from the 2017/2018 plan year into the next plan year (2018/2019). For the expenses you incur September 1, 2017 through August 31, 2018, you must file your claims for reimbursement by September 30, 2018. Any unused balance of \$500 or less will roll over to the next plan year, and any unused balance of over \$500 will be forfeited.

	ANNUAL CONTRIBUTION LIMITS
HEALTHCARE FSA	\$2,600
DEPENDENT CARE FSA	\$5,000
HEALTH SAVINGS ACCOUNT	\$3,400 single \$6,750 family
FSA/HSA DEBIT CARDS	<ul style="list-style-type: none">• No one-time printing fee• No monthly fee charged to your account

Contributions are deducted over 16 pay periods, from October 1, 2017 through May 16, 2018.

For more information, please refer to

<http://cms.springbranchisd.com/benefits/Benefits/FlexibleSpending/tabid/24497/Default.aspx>

A Health savings account (HSA) acts similar to the FSAs except the money is yours to keep. There is no “use it or lose it” feature.

Ok great! But how does an HSA work?

- YOU MUST ENROLL IN TRS-ACTIVECARE 1-HD TO PARTICIPATE.
- YOU CANNOT CONTRIBUTE TO BOTH AN HSA AND AN FSA AT THE SAME TIME.
- UNUSED MONEY ROLLS OVER TO NEXT YEAR.
There is no limit to how much money you can have in your HSA at any time.
- UNUSED MONEY STAYS IN YOUR ACCOUNT AND CONTINUES TO EARN INTEREST.
You may also choose to invest the money for the long-term in a variety of mutual funds offered by the Plan Administrator.
- YOU CAN CONTINUE TO USE THE FUNDS IN YOUR HSA FOR QUALIFIED MEDICAL EXPENSES EVEN IF YOU ARE NO LONGER ENROLLED IN A QUALIFIED HIGH DEDUCTIBLE HEALTH PLAN (HDHP).
- IF YOU CONTINUE TO BE ENROLLED IN A QUALIFIED HDHP, YOU CAN CONTINUE TO CONTRIBUTE TO YOUR HSA. IF YOU ARE NO LONGER ENROLLED IN A QUALIFIED HDHP PLAN YOU MAY NOT CONTRIBUTE TO YOUR HSA.
- HSA FUNDS ARE AVAILABLE AS THEY ARE PAYROLL DEDUCTED
(Unlike FSA funds, which are available when the plan year begins.)

If you are considering enrolling in the HSA contact Discovery Benefits at 866-451-3399 or customerservice@discoverybenefits.com.

Life Insurance and Accidental Death & Dismemberment (AD&D)

Here's a topic most people don't want to think about, but should.

If something were to happen to you, how financially secure would your loved ones be? Would your spouse be able to keep your home? Would your children be able to afford college? How would all the bills get paid?

To help alleviate some of the worry, the District, with The Hartford, offers Life Insurance and Accidental Death & Dismemberment coverage.

Options for life insurance coverage are available for you, the employee, and your spouse and children.

All benefit eligible employees automatically receive \$10,000 in Basic Term Life Insurance provided for you by the District.

Because accidents happen – always unexpectedly and often quickly – there is the employee Accidental Death and Dismemberment Insurance included in your policy.

SUPPLEMENTAL LIFE INSURANCE:

In addition to the District provided life insurance, you are able to purchase additional life insurance for yourself. You are also able to purchase life insurance for your spouse, and/or your child(ren).

You can elect to buy additional life insurance for yourself in \$20,000 increments up to a maximum of \$500,000, not to exceed seven times your annual earnings.

You are able to buy life insurance coverage for your spouse in \$20,000 increments up to \$300,000, not to exceed 100% of your coverage amount, at the same rate as your life insurance. You are also able to buy \$5,000 or \$10,000 of coverage for your dependent child(ren). Life insurance rates are shown below.

EMPLOYEE GUARANTEED ISSUE AMOUNT WITHOUT A PHA: increments of \$20,000 up to \$300,000 or 7 times earnings

SPOUSE GUARANTEED ISSUE AMOUNT WITHOUT A PHA: increments of \$20,000 up to \$60,000

Employees and/or spouses who currently have life insurance or are coming onto the plan for the first time (late entrant) can increase their coverage 1-5 increments (employees) or 1-3 increments (spouses) up to the guaranteed issue (GI) amount during open enrollment without providing a Personal Health Application (PHA). Refer to the plan rider for more information.

PHA is required if you are electing life insurance for yourself and/or your spouse and you are not already covered or you are choosing to increase coverage. (Employees and spouses who are currently enrolled have the opportunity to increase coverage during open enrollment.) Benefits will not be in effect until your PHA is approved by The Hartford.

New Hires: If you apply for coverage within 31 days of your hire date, you're eligible for up to \$300,000 in coverage on yourself, \$60,000 on your spouse and \$10,000 on all eligible dependents without providing a PHA.

What if you weren't getting a paycheck?

Disability Insurance

Chances are, work plays an important role in your life. So what if a disabling injury or sickness kept you from the workplace? How long would your savings hold out? How would you maintain your independence? Certainly, there's a lot depending on your income. That's why SBISD has teamed up with The Standard Insurance Company to offer disability income protection insurance. Should a disability prevent you from working and earning a living, this insurance can help. It's valuable insurance designed to help protect against the big **what ifs** in life.

- IT CAN HELP REPLACE A PORTION OF YOUR INCOME WHEN YOU ARE DISABLED AS THE RESULT OF A COVERED SICKNESS OR INJURY.
- BENEFITS PAID YEAR-ROUND REGARDLESS OF WHETHER SCHOOL IS IN SESSION.
- MATERNITY IS COVERED THE SAME AS ILLNESS.
- IT IS AVAILABLE TO YOU AT AFFORDABLE GROUP RATES.
- PREMIUMS ARE CONVENIENTLY PAYROLL-DEDUCTED.

A quick definition of the terms you will see in the below rate chart:

BENEFIT AMOUNT: You may select a monthly benefit amount in \$100 increments. (Minimum benefit of \$200, not to exceed $66\frac{2}{3}\%$ of your monthly earnings. Don't worry, The Standard will calculate the amount.)

Long-Term Care

The last thing many of us want is to be a burden on our loved ones as we grow older.

The possibility of needing long-term care is something that we all must face as we enter our twilight years, and this type of care doesn't come cheap. The cost of living in an assisted care facility can range anywhere from \$30,000 to \$70,000 a year or more. For many people, Medicaid or Medicare will not pay the full amount.

A long-term care benefit provides the insured with the funds to pay for necessary long-term assisted care.

To learn more about long-term care insurance, we suggest you discuss options with a financial professional, and visit the Genworth website.

COBRA

CONTINUATION COVERAGE RIGHTS UNDER COBRA You are receiving this notice because you have recently become covered under a group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage. For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

WHAT IS COBRA CONTINUATION COVERAGE? COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."

WHEN IS COBRA COVERAGE AVAILABLE? The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

YOU MUST GIVE NOTICE OF SOME QUALIFYING EVENTS For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs.

HOW IS COBRA COVERAGE PROVIDED? Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

DISABILITY EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. In order for your extension of benefits to be processed you must notify the plan administrator of the determination within 60 days of the determination and before the end of the original 18-month COBRA coverage period. Each qualified beneficiary who has elected continuation coverage will be entitled to the 11-month disability extension if one of them qualifies. If the qualified beneficiary is determined by SSA to no longer be disabled, you must notify the plan administrator of the fact within 30 days after the SSA's determination.

SECOND QUALIFYING EVENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and any dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

IF YOU HAVE QUESTIONS Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to Aetna, or contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website dol.gov/ebsa. Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.

KEEP YOUR PLAN INFORMED OF ADDRESS CHANGES In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

MILITARY FAMILY LEAVE ENTITLEMENTS Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember medically unfit to perform his or her duties for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

BENEFITS AND PROTECTIONS During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

ELIGIBILITY REQUIREMENTS Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

DEFINITION OF SERIOUS HEALTH CONDITION A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

USE OF LEAVE An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

SUBSTITUTION OF PAID LEAVE FOR UNPAID LEAVE Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

EMPLOYEE RESPONSIBILITIES Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

EMPLOYER RESPONSIBILITIES Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

UNLAWFUL ACTS BY EMPLOYERS FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA;
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

ENFORCEMENT An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.
