Tuition Assistance

During these challenging economic times we recognize and appreciate the commitment families have made to St. Xavier High School. It is the goal of our administration that every young man who has the ability and the desire to attend St. X be able to do so regardless of financial circumstances. With that said, there is a finite tuition assistance budget set aside for transfer applicants. Tuition assistance is awarded in the form of grants to students demonstrating need on the basis of family financial circumstances.

To learn more about the tuition assistance process, please contact Mr. Roderick Hinton at tuitionaid@stxavier.org or 513-618-3258.

Interviews and Tours

Interviews – Transfer candidates with a proven track record of academic success, as a final step in the decision process, will be asked to interview.
