### Evaluation

Your son or daughter has been identified as needing an evaluation of English Proficiency. That evaluation will be conducted by school district staff and will occur at your child's school.

At the conclusion of the evaluation the staff will contact you, review the evaluation information, and make recommendations for interventions, if appropriate.

If you have any questions or concerns please contact your school administrator.

### Services

It has been determined through evaluation that your child's English Proficiency is not adequate to allow for a successful school experience without support interventions.

The school will be implementing the following services to support your child's education:

If you have any questions or concerns please contact your school administrator.

**Administrative follow-up if appropriate:**
