ISB SUMMER 2018

ISB Summer 2018 is the place to be to get active, design, express yourself, get messy, be creative and develop new skills all while making new friends!

Our Summer Camp will see children participate and engage in fun and dynamic activities through a variety of ISB learning themes: technology, sport, outdoor adventures, creative and performing arts and inquiry.

Come and join the fun and see what we have to offer!

Depending on your child's age group, activities run for a full day, half day or in combination with a morning language class.

All activities are run in English, and we **welcome both ISB and non-ISB families**, as well as **English and non-English speakers**. In addition, ISB Summer has partnered with a number of organisations offering week-long sports camps and a musical theatre camp!

SUPERHEROES

Tap into your inner superhero! Test your agility and fitness with a range of sports and games, learn about superfood nutrition; practice superhero yoga poses; discover superhero concepts like flying, strength, durability and speed and why not use your superhero powers of problem solving and creativity in the great outdoors or in the art room?!

WEEK 1: 25-29 JUNE 2018
3-12 year olds

IMAGINATION STATION

Who, what, where, why, when, how? Time to put your critical thinking hats on! This week you'll get a chance to become a scientist, botanist, explorer, detective, artist and food critic! Enjoy problem solving activities that involve teamwork and looking at things up close and from another perspective!

WEEK 2: 2-6 JULY 2018
3-12 year olds

Children explore a new **theme** each week in their appropriate age group through a range of activities such as **art and crafts, dance, sports, science, cooking, yoga, climbing** and language learning. Pick a morning and/or afternoon of learning and fun, as shown in the table below:
