

# Summer At The Academy

Summer At The Academy was launched thirty years ago and has grown into one of the most successful summer programs in the Southwest. Each year more than 1600 boys and girls from South Texas and beyond attend a diverse array of over 300 classes taught by more than seventy of the area's top teachers, coaches and artisans. Summer At The Academy, an eight-week enrichment program for boys and girls ages four and older, provides excellent opportunities to create, learn, explore and have fun. Listed below is general information about our program. We anticipate the return of our former students and look forward to welcoming newcomers to our campus. Please call us if you have any questions.

## ENRICHMENT COURSES

Week-long enrichment courses will be offered in the mornings from 9:00–11:30 AM and in the afternoons from 12:30-3:00 PM. Enrollment in each class is limited and will vary according to age group or topic. **A child must be four years old by June 4, 2018, to register.**

Classrooms will be open 15 minutes prior to and following class. Students who arrive early or who are not picked up on time will be placed in our Wildcat Alley facility, and parents will be charged \$15.00 for each quarter-hour or part thereof. In order to ensure each child's safety, parents are asked to park and escort their children to the first day of class and from class each day.
