

EDUCATIONAL FOUNDATIONS

The Board of Education is committed to maintaining excellence in education and pursuing resources to enhance educational opportunities for all students.

Demands on the educational system may exceed available funding. Therefore, the Board recognizes that members of the community are often willing to make voluntary contributions that will provide needed additional funds and resources for the District.

The Board desires to work cooperatively with the foundation in determining the purpose for which funds may be used to meet the changing needs of the District and its students.

The Board supports foundation allocations that serve the students of the District and all District schools equitably.

Any foundation raising funds for Regional School District No. 7 Public Schools is requested to include the Superintendent as an ex officio member of the Board of Directors to assist in maximizing communication of the Board of Education's goals, needs, and programs.
