

ADVISORY COMMITTEES TO THE BOARD

The Board will rely on various advisory committees to counsel it as one means of discerning the needs and desires of the school district and its residents. The central purpose of all advisory committees is to contribute to the educational program by conducting studies, identifying problems, and developing recommendations that will enhance the effectiveness of the decision making process. The ultimate authority to make decisions will continue to reside in the powers and duties of the Board as imposed by law.

The Regional School District No. 7 Board of Education in the pursuit of its regular business may appoint an ad-hoc committee to provide input to the Board for its regular deliberative process.

Such committee will be task directed and time oriented and shall serve at the pleasure of the Board.

The committee's final report shall be forwarded to the Board prior to release.
