

FINANCIAL AID BASICS

What Students & Families
Need to Know

Questions that we will answer in this presentation

1

How much does college cost, and what is included in the total cost?

2

What is the difference between grants, scholarships, loans, and work-study?

3

How does a student receive financial aid?

**More than half of all
students attending
college in the United
States receive some
form of financial
assistance.**

NET PRICE

NET PRICE is the amount that a student pays to attend an institution in a single academic year **AFTER** subtracting scholarships and grants the student receives.

Focus on the NET PRICE.

Not the STICKER Price.

NET PRICE CALCULATORS

NET PRICE CALCULATORS

Available on a college's website, net price calculators can help prospective students get a better handle on what they will be expected to pay.

Students enter information about their family's financial situation to learn what similar students paid to attend the institution in the previous year.

WHY ARE NET PRICE CALCULATORS IMPORTANT?

Knowing your net price:

- **Gives you the best idea of what you'll pay for a particular college**
- **Makes comparing colleges easier**
- **Widens your choice of colleges**

NET PRICE CALCULATOR TIPS

- **Answer questions accurately**
- **Remember that this is just an estimate and the actual cost may end up being higher or lower than the estimate provided by the net price calculator**

FINANCIAL AID

The Process

THE FINANCIAL AID PROCESS

- ◉ **FAFSA** (Free Application for Federal Student Aid) – www.fafsa.ed.gov
- ◉ **CSS Profile** – profileonline.collegeboard.com
- ◉ **Institutional aid applications**

Be sure to check each individual school's website to find out what forms are required and when they must be filed.

FILE YOUR FAFSA

Each year, the federal government awards roughly \$150 billion to college students through need-based grants, loans, and work-study funds.

Filing the FAFSA ensures you are in the running.

- It is required.
- Watch deadlines.
- Be organized.

AN IMPORTANT DAY

October 1 is the first day that the FAFSA can be completed.

FEDERAL STUDENT AID

Completing the **FAFSA** is the first step in securing **federal aid** for college, career school, or graduate school.

The screenshot shows the Federal Student Aid (FAFSA) website homepage. At the top, it features the "Federal Student Aid" logo, the text "An OFFICE of the U.S. DEPARTMENT of EDUCATION", and the "PROUD SPONSOR of the AMERICAN MIND®" logo. To the right, it says "Free Application for Federal Student Aid" and "FAFSA®". Below this is a navigation bar with icons for Home, About Us, FSA ID, StudentAid.gov, and Help. A search bar with a "SEARCH" button and language options for "English" and "Español" is also present. The main heading is "Get help paying for college" with the subtext "Submit a Free Application for Federal Student Aid (FAFSA)". Below this is a banner image showing four diverse students. The page is divided into two main sections: "New to the FAFSA?" with a "Start A New FAFSA" button, and "Returning User?" with a list of options: "Make a correction", "Add a school", and "View your Student Aid Report (SAR), and more...", followed by a "Login" button.

CSS/ FINANCIAL AID PROFILE

The **PROFILE** is a tool created by the College Board that allows students to complete one form and apply online for **non-federal financial aid** from almost 400 colleges, universities, professional schools, and scholarship programs.

CSS/ FINANCIAL AID PROFILE TIPS

- Available on **October 1st**
- Use your **College Board Account** to complete the **Financial Aid PROFILE**
- May be **required** by some colleges and universities
- CSS / Financial Aid PROFILE is in **addition** to the FAFSA.

BE SMART ABOUT SCHOLARSHIPS

Thousands of scholarships exist. Some colleges automatically consider all applicants for scholarships. Other scholarships from colleges, universities, and private sources require special applications and additional work and motivation to make it happen.

Never pay money to apply to an outside scholarship.

TAKE STEPS TO MINIMIZE DEBT

The majority of students use loans to help finance their college education.

Don't borrow any more than you absolutely need.

HOW MUCH WILL IT COST?

BILLABLE COSTS

- **Tuition and Fees**
- **On-Campus Room and Board**

These costs **will show up** on the college bill.

INDIRECT COSTS

- **Books and Supplies**
- **Off-Campus Room & Board**
- **Personal Expenses**
- **Travel Costs**

These costs **do not show up** on the college bill.

ASSESSING STUDENT NEED

A **student's financial need** is calculated as the difference between the cost of attending the school, the **Cost of Attendance (COA)** minus any expected financial assistance (EFA), such as gifts or outside scholarships,

and the amount the student and their family is expected to pay, the **Expected Family Contribution (EFC)**

$$\text{COA} - \text{EFC} = \text{Student Financial Need}$$

EXPECTED FAMILY CONTRIBUTION (EFC) IS INFLUENCED BY THESE FACTORS:

- The amount the student's parents will be asked to pay from income and assets
- The amount the student can contribute from earnings and savings
- Family size, age of oldest parent, number of children currently attending college
- Special circumstances: Health related expenses, loss of property or death in the family
