

Literature Titles 7 – 12

Literature lists by grade are provided as a guide to the literature available in the district and to minimize overlapping instruction. Classes may “read down” on the list, meaning a 9th grade teacher can use any title from the 7th, 8th, and 9th grade lists, but may not use titles from the 10th, 11th, and 12th grade lists. Additional titles will be added as they are approved by the district literature committee. See book approval guidelines at the beginning of this section for requesting new titles.
