Collective Bargaining Agreement
between
Northshore School District No. 417
and
Athletics and Activities Association/Northshore Education Association
Effective Date: September 1, 2016 through August 31, 2019

Article 1.0 **Preamble**

- 1.1 This Collective Bargaining Agreement hereinafter referred to as the “Agreement,” is made and entered into by and between Northshore School District No. 417, King and Snohomish Counties, Washington, hereinafter referred to as the “District,” and Northshore Education Association/Athletics and Activities Association and its affiliates, Washington Education Association and National Education Association, hereinafter referred to as the “Association.”
- 1.2 WHEREAS, the parties, pursuant to RCW 41.56, Public Employees’ Collective Bargaining Act, have reached certain agreements on wages, hours, and terms and conditions of employment, which they desire to confirm in this document, in consideration of the following covenants, it is hereby agreed as follows:

Article 2.0 **Recognition and Definitions**

- 2.1 The District recognizes the Association as the exclusive bargaining representative of all employees holding positions listed in Appendix B. All terms and conditions of this Agreement apply to all employees unless specifically stated otherwise. As used in this Agreement, the following terms shall apply:
- 2.1.1 EMPLOYEE - An individual who is a member of this bargaining unit as listed in Appendix B of this Agreement.
- 2.1.2 PAY PROVISIONS - Pay provisions are determined jointly by the parties and found herein as Appendix A.
- 2.1.3 EXTRA CURRICULAR - Coaching and activities which do not require a teaching certificate are listed in Appendix B and paid as agreed to in Appendix A.
- 2.1.4 DAYS - Unless otherwise noted, “day,” “days,” refers to days in which school is in session and is exclusive of weekends, holidays and vacations or school breaks. During the period following the last school day in June and the first employee work day in September, the term “school day” shall mean week day.
- 2.1.5 WIAA - Washington Interscholastic Activities Association - The governing body for interscholastic athletics and activities in the State of Washington. Northshore is a voluntary member of WIAA.

Article 3.0 **Job Requirements and Expectations**

- 3.1 **Coaching Positions:** The coach organizes, improvises, plans, selects, determines, encourages, and directs in an open arena, and is constantly subject to observation

and informal evaluation by the school and community. With these working conditions and pressures, it is incumbent on the coach to have appropriate qualifications. The selection process should be sophisticated enough to provide the best possible candidate to fill a coaching position. To that end, a coach shall:

- Demonstrate professional involvement, including WIAA coaching standard requirements.
- Hold a valid First Aid/CPR card or is enrolled in and willing to complete a class to update and hold a valid First Aid/CPR card. Any exceptions to this job requirement must be approved by the District Athletic Director.

3.2 **All Employees:** Job requirements and expectations for employees holding positions as coaches or employees holding activity positions shall be:

- Maintain a balance of social, academic, and physical development of students.
- Have the ability to teach the skills of the activity or sport.
- Maintain professional relationships with students, parents, and colleagues.
- Possess appropriate experience for the position.
- Demonstrate emotional stability and self-control.
- Exhibit characteristics which make one a positive personal example for participants.
- Understand the rules and regulations of the sport/activity.
- Pursue knowledge that pertains to the position.
- Select equipment and maintain an accurate inventory of supplies, as applicable.
- Coordinate the program with other coaches/advisors and school staff.
- Arrange appropriate programs of recognition for participating students.
- Emphasize safety precautions and practices.

3.3 **Selection Process**

3.3.1 All positions shall be filled consistent with the job requirements and expectations as listed Article 3, Section 3.2.

3.3.2 The preference for filling positions for activities/coaching (except for head high school coaching positions) is for qualified candidates who are:

- a. In-building employees (those employed at the same worksite as the vacancy and are employed by the district in some other capacity than merely NSEA/AAA bargaining unit work);
- b. out-of-building employees (those employed by the district in some capacity);
- c. out-of-district individuals (those not employed in any capacity with the district).

3.3.3 For Head High School coaching positions, the following shall apply:

- A committee will be utilized to hire high school head coaches when there are multiple applicants.

- Committee members will be jointly appointed by the Principal or her/his designee and the school's Athletic Director.
- Committee members will minimally include a building administrator, the school's athletic director, a non-coaching/non-supervisory certificated staff member, a coach, community member(s) and a representative for the Association selected from the committee by the Association unless it decides otherwise. The Director of Student Services may participate at her/his option.
- A finalist recommendation will be submitted for final determination to the Director of Human Resources, in consultation with the Building Principal.

3.4 **Training:** The District shall offer, at a minimum, four (4) first aid/CPR classes and four (4) driver training classes at no charge to employees. The District shall provide a schedule of classes to the Association upon request.

Article 4.0 **Posting Procedures**

4.1 Initial in-building posting of vacant positions, and district wide posting of High School Head Coaching positions shall occur within 30 days of the building administrator becoming aware of the vacancy. District wide posting of positions not filled in-building shall occur within 30 days of the closing of the in-building posting.

4.1.1 All vacant positions, except for High School Head Coaches, shall be posted in-building for a minimum of seven (7) days (See Section 2.1.4, Days).

4.1.2 High School Head Coaching positions as well as those positions (both activities and coaching) not filled in-building shall be posted district wide for a minimum of fourteen (14) calendar days.

4.1.3 District-wide posting shall be by notice on the District website along with an e-mail notification to District staff.

4.1.4 Should a head coaching position become vacant within three (3) weeks prior to the season or during the season, the normal posting, hiring and selection process will be suspended. The District will consult with the Association regarding its process for filling the vacancy. The goal of the consultation is to develop a posting, hiring and selection process satisfying to the interests of the parties.

Should an assistant coaching position become vacant within three (3) weeks prior to the season or during the season, the in-building posting required in Section 4.1.1 shall be waived and the position shall be posted District-wide for seven (7) days pursuant to Section 4.1.3.

Article 5.0 **Hiring Procedures**

5.1 Interviews will normally occur, unless the applicant is clearly not qualified, not available, or if there is only one (1) qualified applicant for the position.

- 5.1.2 Positions shall be offered in writing. In-building written notification may be a listing of all coaching/activity assignments with names of those people assigned. Notification shall be given to each building member. Should additional coaching/activity positions be created during the school year, said positions will be posted by giving each building member notification of the posted position.
- 5.1.3 Those applicants not selected will be notified within ten (10) days of the position being filled.
- 5.1.4 Candidates not selected will receive upon request, a conference with the building administrator for the purpose of explaining the reasons why she/he was not selected and to provide guidelines as to how she/he can improve her/his qualifications as determined by the building administrator.
- 5.2 Non-Continuance of Assignments: Activity/Coaching assignments and appropriate notice of non-continuance of assignment(s) shall be as follows:
- Should the District plan not to offer an activity/coaching position to a current employee, the building administrator shall notify the person in writing within thirty (30) days of the last scheduled activity. The person may request within fourteen (14) calendar days of such notice the reasons for the non-continuance.

Article 6.0 Pay For Work Performed/Employment Status

- 6.1 Each employee shall be given a supplemental contract or notice of coaching assignment whichever is appropriate, containing the following:
- a. Employee's name
 - b. Total number of authorized hours of work and rate of pay
 - c. Authorized work year
 - d. Work location
- 6.2 All year long activities/coaching positions will be paid in equal monthly payments beginning with the October pay warrant.
- 6.2.1 All other seasonal activities will be paid in equal monthly amounts unless the individual employee requests lump sum payment be made at the completion of the work performed. Such request must be in writing to the Payroll Office by September 15.
- 6.2.2 Post Season Coaching Pay: The following allocation for post season additional hours is as follows:
- Post season will become effective for team sports (i.e., football, volleyball, basketball, baseball, etc.) after the completion of KINGCO competition.

 - Allocations for competitions that require extensive travel outside the Puget Sound region and may include overnight accommodations will be worked out individually with the Director of Student Services.
 - There will be no additional pay for practice and/or competition that occurs during an employee's regular work day.

- Employees may work and receive pay for no more than three (3) hours per day for post season daily practice/up to six (6) hours for post season game/competition for each week of post season, unless adequate verification of additional hours worked is provided by the employee.

Practice and event hours worked in post season shall be compensated at the coach's regular hourly rate from Appendix A-1. Worked post season transportation and supervision hours shall be paid at \$13.00 an hour.

Concerns from employees about supervision of athletes during post season competition shall be addressed to the Director of Student Services and Equity, whose decision about the number of coaches required shall be final.

6.3 The District will create a professional development fund for employees in the amount of \$10,000 annually. The individual employee may request reimbursement from the fund to off-set tuition, conference fees, travel expenses and/or room and board costs associated with attendance at sport clinics, seminars, conferences and the like; provided, the maximum amount of reimbursement is \$175 per conference or the amount the fund has available when the request is made, whichever is less. The Director of Student Services may authorize payment in excess of the maximum per conference amount for expenses associated with in-state conferences or clinics that require travel and overnight stays outside the Puget Sound region.

Reimbursement may also be made for work-related books, compact disc recordings and videos, subject to the same limitations.

The Director of Student Services shall administer this fund, deciding the appropriateness and amount for reimbursement of the requested training event. Any unused funds will be carried over into the next year; provided, however, at no time will the fund exceed \$15,000.

Each employee may request funds once for each sport coached prior to March 1 on forms provided by the District. The District shall provide to the Association an expenditure and transaction report on the fund on a quarterly basis. If funds are still available after March 1, coaches may make additional requests.

6.4 The District shall reimburse employees for eligible driving expenses incurred in the performance of their duties at the IRS-approved mileage rate. Eligible driving expenses are those incurred while driving from their regularly-established practice or school location to another location as required in the performance of their duties. When round-trip buses are provided by the District without cost to the employee, no reimbursement for mileage shall be made. District employees whose work under this Agreement is at a school different from the one where they work in another District capacity are responsible for the costs of their transportation to their regularly-established practice school or location. Upon request by an employee, the school administrator shall identify an alternative to the employee having to ride one-way charter buses for supervision purposes, when the District is unable to provide a school bus for transportation to a competition.

6.5 The District shall reimburse employees for any entry fees they are required to pay in the performance of their duties.

Article 7.0 **Evaluation**

7.1 All secondary coaches will be evaluated the first year in the position. Subsequently, head coaches will be evaluated every other year. All coaches may be evaluated more frequently upon the request of the coach or if the administrator determines it to be necessary. Evaluations will be completed within thirty (30) school days after the close of the season for the athletic activity. The evaluation criteria shall be consistent with Section 3.2 of this Agreement, “Job Requirements and Expectations for coaches.”

Article 8.0 **Duty to Bargain**

8.1 Any changes affecting employee wages, hours, and terms and conditions of employment are subject to provisions of Chapter 41.56 RCW.

Article 9.0 **Severability**

9.1 If any provision of this Agreement or any application of the Agreement shall be found to be contrary to law, such provision or application shall have effect only to the extent permitted by law, and all other provisions or applications of this Agreement shall continue in full force and effect.

9.2 If any provision of this Agreement is so held to be contrary to law, the parties shall, by mutual consent, commence bargaining on said provision as soon thereafter as is reasonable possible.

Article 10.0 **Distribution of the Agreement**

10.1 Within the first thirty (30) school days following execution of this Agreement, the District shall print and deliver a copy to each employee of this bargaining unit. Fifty (50) additional copies shall be provided to the Association. All employees newly hired by the District shall be provided a copy of this Agreement by the District at the time of hire, along with a copy of the Athletic Staffing Guidelines and information about accessing professional development and reimbursement for mileage.

Article 11.0 **District Rights**

11.1 Except as otherwise specifically limited by provisions of this Agreement, the District has the exclusive right to exercise all the rights or functions of management, including the development, adoption, implementation and enforcement of policies, rules, regulations, and practices in furtherance of management rights or functions, and the use of judgment and discretion in connection with the exercise of District rights.

11.2 It is expressly agreed by the Association that the enumeration of District rights in this Article shall not be deemed to exclude other District rights not specifically enumerated above.

Article 12.0 Association Rights

- 12.1 The Association shall have the right to use District buildings for meetings to transact Association business in accordance with District policy, procedures, rules, and regulations governing the public use of buildings.
- 12.2 The Association shall have the right to use intra-District mail services, faculty room bulletin boards, and employee mailboxes for communications with employees.
- 12.3 Association representatives shall have the right to visit the District's premises to meet with employees when employees are not performing assigned duties. Such representative(s) should first check in at the principal's office.
- 12.4 The Association shall have the right to designate up to four (4) employees, who shall be released from other District assigned duties for the purposes of bargaining with the District at mutually agreed upon times.
- 12.5 The Association may designate employees to be released from other District assigned duties for purposes of conducting Association business provided that the Association reimburses the District for the cost of substitutes.
- 12.6 The Association hereby declares and promises that it shall indemnify and hold harmless the District, its officers, agents, or employees against any claim made or any suit instituted against the District or said persons, individually or severally, resulting from the implementation of the provisions of this Article, provided that the Association shall have the right, but not the duty, to designate the attorney who may assist in the defense of any suit brought against the District as a result of these provisions. If an attorney is so designated, the Association shall be required to pay all her/his fees and costs.

Article 13.0 Employee Rights and Responsibilities

- 13.1 The rights granted to employees hereunder shall be in addition to those provided elsewhere.
- 13.2 The District recognizes the right of employees to join, support, and assist the Association for the purposes of engaging in collective bargaining for wages, hours, and terms and conditions of employment.
- 13.3 The religious, political, and/or private persuasions of an employee, which do not become manifest in conduct harmful to the employee-student relationship or in activities adversely impacting the performance of assigned duties, shall not be grounds for disciplinary action.
- 13.4 The District recognizes the right of each employee to enjoy fair and equitable treatment without regard to race, color, creed, religion, national origin, sex, marital status, or presence of sensory, mental, or physical handicap, in accordance with this Agreement.
- 13.5 In cases involving formal disciplinary action, or at the request of the employee, said employee may be represented by counsel and/or an Association representative of

her/his own choice, provided that this right shall not be exercised in a manner designed to unnecessarily delay disciplinary proceedings.

- 13.6 An employee will be disciplined consistent with progressive discipline principles by the District when reasonable grounds have been confirmed that support the need for corrective action. Discipline shall not be for arbitrary, discriminatory, unlawful or retaliatory reasons.
- 13.7 Any complaint against an employee by a parent, student, or other person(s) that will form the basis of a disciplinary or a negative evaluation will be called to the attention of the employee within thirty (30) days of knowledge of such complaint. The employee will be told the substance of the complaint and apprised of the procedures to be followed. In the case of written complaints, a copy of the completed complaint form will be sent immediately to the employee against whom the complaint is lodged.
- 13.8 The employee shall have the opportunity to respond to the complaint within a reasonable amount of time, but no longer than five (5) work days. At the employee's option, an Association representative and/or the employee's representative shall be present at any meetings related to the complaint held with the employee. The District shall give the employee the opportunity to consult the Association and/or other representative prior to any formal investigation.
- 13.9 Student Discipline: Employees shall have the responsibility with respect to students to:
- 13.10 Observe the substantive and procedural due process rights of students.
- 13.11 Provide a written explanation, if required by the principal, when an employee removes a student from an activity for disciplinary reasons.
- 13.12 Be available at reasonable times for parent conferences and/or student conferences.
- 13.13 The District shall assist employees subjected to insult, abuse, intimidation, or threat of force or violence during the performance of assigned duties. Assistance will be tailored to fit the circumstances of each situation.
- 13.14 The District and employees shall require acceptable behavior on the part of all students who participate in school sponsored activities. When corrective action is necessary it shall be consistent with the law, District and Building adopted student discipline policy, and other related expectations from KINGCO and WIAA.
- 13.15 The employee shall have the responsibility to notify the building administrator of deviant or disruptive behavior of a student which may lead to formal disciplinary action (i.e., suspension, expulsion).
- 13.16 Employees are responsible for the supervision of athletes during practice, competitions and for a reasonable time thereafter, which shall generally not exceed 15-20 minutes. Employees and administrators will develop plans for ensuring that athletes are picked up in a timely fashion by parents/guardians. Plans may include securing permission for a student to be picked up by another parent, other

alternative transportation arrangements, or limitations on the athlete's participation until the issue is resolved.

Article 14.0 Liability Insurance

- 14.1 The District agrees to hold employees harmless and defend from any financial loss, including reasonable attorney's fees for actions arising out of any claim, demand, suit, criminal prosecution or judgment by reason of any act, or failure to act by such employee, within or without of the school building, provided such employee at the time of the act or omission complained of, was acting within the scope of her/his employment or under the direction of the District.

Article 15.0 Grievance Procedures

- 15.1 A grievance is a claim filed by an employee and/or the Association with the consent of an aggrieved employee alleging that the District has violated, misinterpreted, misapplied, unfairly applied, or not applied any provision of this Agreement which affects said employee and which shall be processed as hereinafter provided. This article shall not limit an employee's right to discuss a complaint via administrative channels and to solve the problem without resort to these grievance channels. Employees may obtain a grievance form packet from the Association Office or the District Human Resources Office.

- 15.2 Step 1 - Within twenty (20) days following knowledge by the grieving employee(s) of an alleged violation, misapplication, misinterpretation, unfair application, or lack of application of any provision of this Agreement affecting a grieving employee, the employee(s) shall invoke this grievance procedure by filing a written claim with the supervisor immediately involved in the dispute. If the grievance involves more than one school building, it may be filed with the Superintendent or her/his designee. Within five (5) days of receipt of the grievance claim, the immediate supervisor shall schedule a meeting with the grievant and such meeting shall be held within ten (10) days of receipt of the grievance. The grievant may be represented by an Association grievance representative at the grievant's sole option, in an effort to resolve the grievance. The immediate supervisor shall answer the claim in writing within ten (10) days of such meeting and shall furnish a copy thereof to the grievant. Such answer shall include the reasons upon which the decision is based.

- 15.3 Step 2 - If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within ten (10) days of such meeting, the grievance shall be transmitted by the grievant to the Superintendent or her/his designee within five (5) days. The Superintendent or her/his designee shall schedule a meeting with the grievant within five (5) days of receipt of the grievance, and such meeting shall take place within ten (10) days of receipt of the grievance. The Superintendent or designee shall indicate the disposition of the grievance in writing within ten (10) days of such meeting, and shall furnish a copy thereof to the grievant. During this meeting, the grievant may be represented by an Association grievance representative at the grievant's sole option. Legal advisors and witnesses for both parties may be present.

- 15.4 Step 3 - If not satisfied with the disposition of the grievance at Step 2, the grievant shall, with the consent of the Association, within twenty (20) days so advise the Superintendent or her/his designee and may submit the matter to the American Arbitration Association (AAA), which will handle the grievance claim as provided below.
1. Arbitration shall be conducted by an arbitrator selected by the District and Association from a list of persons submitted to them by the AAA, in accordance with AAA selection rules.
 2. During arbitration under this Agreement, AAA rules shall apply; additional rules may be adopted by the arbitrator. By mutual consent, AAA expedited rules shall apply.
 3. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. She/he shall decide all arbitrability issues. Upon request of either party, the merits of the grievance and the arbitrability issues arising in connection with the grievance shall be consolidated for hearing before the arbitrator; provided, however, that the arbitrator shall consider any questions of arbitrability of the grievance prior to hearing the merits of the grievance.
 4. During arbitration, neither party may present any documentary evidence to the arbitrator not previously disclosed to the other party.
 5. The arbitrator shall determine the decision or award, which shall be published in writing not later than thirty (30) calendar days from the date of the hearing or, if oral hearings have been waived by both parties, then from the date the final statement and proof are submitted to the arbitrator. The decision or award shall set forth the arbitrator's findings of fact, reasoning, and conclusions on the issues submitted and shall be final and binding on both parties.
- 15.5 Except that, as a step prior to arbitration and with mutual agreement between the District and the Association, Mediation procedures may be utilized with a jointly selected Arbitrator/Mediator.
- 15.6 Arbitration costs. Each party shall bear its own costs of arbitration, except that the fees and charges of the arbitrator shall be borne by the party not sustained.
- 15.7 Enforcement. The grievant or the District may enter a decision or award of the arbitrator in any court of competent jurisdiction if the other party fails to follow the arbitrator's decision or award. If a motion to vacate the arbitrator's decision or award is entered in a court of competent jurisdiction, each party shall bear its own costs of such action.
- 15.8 Time limits. The time limits provided in this article shall be strictly observed, unless extended by mutual written agreement between the parties. Failure of the District to observe time limits shall entitle the grievant to a finding on the grievance in her/his favor, provided that the arbitrator determines that the grievant's claim is arbitrable. Failure of the grievant to observe time limits shall terminate her/his right to proceed with the grievance.

- 15.9 Grievance and arbitration meetings or hearings. All meetings or hearings held pursuant to this grievance procedure shall be scheduled at a time and place mutually acceptable to the parties. No employee involved in a grievance meeting or hearing as a witness or a grievant shall suffer loss of salary or other benefits.
- 15.10 Continuity of grievance. Notwithstanding the expiration of this Collective Bargaining Agreement, any grievance filed hereunder prior to such expiration may be processed through the grievance procedure until resolution.
- 15.11 No reprisals. There shall be no reprisals of any kind by the District or the Association against any grievant or other employee participating in the grievance procedure.
- 15.12 Selection of forum. Upon submission of a grievance to arbitration, the grieving employee and the Association waive access to any other forum that may be available for resolution of the grievance claim.

Article 16.0 Association Membership

- 16.1 Members of the bargaining unit who are dues-paying members of any bargaining unit of the Washington Education Association shall not be required to pay additional dues or representation fees and shall be a member in good standing of this Association. Other members of the bargaining unit shall have the option of becoming members by completing a membership application form and paying dues.
- 16.2 Within five (5) days of execution of this Agreement or by September 10, whichever date comes last, the Association shall give written notice to the District of the dollar amount of dues required for Association membership and of representation fees.
- 16.3 The District shall deduct from the employee's pay the dues required of membership from any employee who has authorized dues deduction. The amounts deducted shall be transmitted each month to the association on behalf of the employee. Authorization by the employee shall be on an approved form by the Parties hereto and shall provide for revocation of dues deduction by an individual employee between August 15 and September 15 of the current contract year.
- 16.4 The Association agrees to indemnify and hold harmless the District from any and all liability resulting from the dues/representation fee payroll deduction system.
- 16.5 The District shall provide the Association an annual status listing of all employees, with periodic updates, covered by this Agreement within ten (10) days following adoption of this Agreement by the Parties.

Article 17.0 Salary

- 17.1 Employees shall be paid according to the salary schedules in Appendix A of this Agreement.

17.2 For the 2018-19 school year, the rates and stipends in this Agreement shall be increased by a percentage equal to the annual average consumer price index, using the official current base compiled by the bureau of labor statistics, United States department of labor for the city of Seattle for 2017.

Article 18.0 **Duration of Agreement**

18.1 This Collective Bargaining Agreement shall become effective upon ratification of both parties, with an effective date of September 1, 2016, and shall remain in effect until August 31, 2019.

18.2 This Agreement or any provisions herein may be extended by mutual written agreement of the Parties.

MEMORANDUM OF UNDERSTANDING
by and between
THE NORTSHORE SCHOOL DISTRICT
and
ATHLETICS & ACTIVITIES ASSOCIATION/NORTSHORE EDUCATION ASSOCIATION
(COACHES)

This Memorandum of Understanding is supplemental to the 2016-2019 Collective Bargaining Agreement (hereinafter "Agreement") between the Northshore School District (hereinafter "District") and the Athletics and Activities Association affiliated with the Northshore Education Association (hereinafter "Association")

Whereas, the District and the Association desire to maintain the integrity of the salary schedule for coaching positions contained in the Agreement; as well as the integrity of the District's staffing guidelines; and

Whereas, the District and the Association also desire to provide a method for outside organizations to effectively fund additional staff and encourage volunteers for the District's athletic program;

Therefore, the parties agree to the following:

1) Assistant coaches, in addition to those allocated and hired for sports in accordance with the District's staffing guidelines, may be employed by the District at a rate of \$14.00 an hour, provided the funds to pay such coaches are donated to the District from a booster club or another non-district donor. Coaches so employed will receive a Notice of Coaching Assignment specifying this rate of pay with the number of hours authorized for the assignment. If the individual is only employed by the District as an assistant coach, the District may pay the individual a lump sum amount equal to the hourly rate times the authorized hours (example: 100 authorized hours x \$14.00/hour = \$1400) either in a single payment at the end of the season or equal payments over the course of the season, pursuant with Article 6 of the Agreement. Other than the rate of pay specified herein and the hours assigned by the District, other terms and conditions of the Agreement shall apply these assistant coaches.

2) The District shall provide a list of coaches employed pursuant to (1) above once each sports season.

3) Individuals who are not employed by the District in any capacity may volunteer without the promise or expectation of compensation by the District. An outside organization, such as a school booster club, may elect to provide an honorarium directly to a volunteer in an amount up to \$500 at the high school level and up to \$250 at the elementary and junior high level. Volunteers for athletic programs will be subject to the same background screening as other employees of the Association; the District retains sole authority over permitting any individual to volunteer, and such permission may be revoked at any time by the District.

4) The District shall require outside organizations to maintain records of honoraria paid and provide such records to District, which will be provided to the Association upon request.
