

Safety Accountability Form

Safety Program and Management Guide for

- Technology and Engineering
- Agriculture
- Skilled and Technical Sciences

Directions:

Upon completion of this form, submit a printed, signed copy to your district CTE supervisor. YOU are responsible for understanding and adhering to the guidelines presented in the **Safety Program and Management Guide** produced by the USOE and State Div. of Risk Mgmt. If you have any questions regarding your responsibilities, the manual, or other items regarding safety and instruction, contact your CTE supervisor.

Name _____ School _____ Program Area _____

- T F 1 - As the instructor and authority in the classroom, I should do everything reasonable and prudent within my abilities to keep all persons in the shop safe.
- T F 2 - It is reasonable and prudent to turn my shop over to a student aide or a substitute teacher who does not hold a current CTE endorsement specific to my shop.
- T F 3 - Students need to pass safety tests with 100% accuracy before they are allowed to work in the shop.
- T F 4 - A clean shop is a safe shop
- T F 5 - Only the principal of my school can call 911 in an emergency
- T F 6 - If I am excessively negligent or malicious, Davis School District is required to support my decisions and actions
- T F 7 - Safety glasses are the only PPE ever needed for all shop operations
- T F 8 - Accident forms should be filled out as soon as possible following any injury that is severe enough to a) cause the loss of one-half day or more of school or b) warrant medical attention and treatment and/or c) require reporting according to school district policy
- T F 9 - My equipment selection should be based on course standards, course goals, and the maturity level of my students

I understand it is my responsibility to maintain a safe learning environment in my classroom, which includes becoming familiar with **ALL** the contents of the **Safety Program and Management Guide**.
