3. You'll automatically be logged in to the Clever Portal.

## FROM HOME:

1. Go to clever.parklandsd.org
2. Click on Log in with Active Directory.
3. When the sign in page opens, enter your ID# and school computer password.
4. You will now be logged in.

## WHY CLEVER IS AWESOME:

- The buttons in the "Instant Login Applications" section will automatically log you in! How cool is that?
  Note: You MUST use Clever to access these products.
- The buttons in the "Links" section take you to the product website sign in page. You will still need a username/password for these, though we are always working to add more apps to Instant Login.
- Check the info icon in the corner of each icon for application specific directions.
