Any students may bring a Title IX grievance forward using the following procedures:

**Purpose of Student Grievance Procedures**

1. To define the correct procedure for students to follow in resolving grievances.
2. To secure at the lowest possible level an equitable solution to the problem for those parties involved with the grievance.

**General Conditions**

1. The student must initiate definite action on the grievance within ten (10) days following the event or occurrence which gives rise to the grievance or it shall be considered waived.
2. This procedure shall be used only when direct negotiation between parties involved would aggravate existing relationships.
3. Failure at any level of a school district administrator to submit a written decision within the specified time limits shall permit the aggrieved student to take said grievance to the next level.

Failure by the student to take the grievance to the Board of Education within the specified time limit shall be considered acceptance of the decision rendered at the particular level.

4. Days indicated at each level should be considered as maximum, and every effort should be made to expedite the grievance process. Specified time limits may be extended by mutual written agreement of the parties involved.
5. Formal grievances and decisions shall be in writing.
6. In the event a grievance is filed after June 1 of any year and this procedure will not allow for settlement prior to completion of the school year, all parties shall attempt to resolve the grievance within ten (10) weekdays of the event or occurrence.

**Procedures**

1. Level One. The student takes up the grievance with the person immediately concerned.

  - B. The principal shall assign a designee to contact the student. Within five (5) days, a meeting will be held to render a validity judgment on the grievance. At this time the student will be advised as to whether he/she must make another effort to resolve the problem at level one or continue to level two.
2. Level Two. If the problem is not resolved at level one, the student may submit a formal grievance to the Title IX Coordinator. He/she shall discuss the grievance with all parties involved, including parents of the student if necessary. Following the discussion, the administrator shall render a decision in writing to all parties involved within ten (10) days after receiving the grievance form.
3. Level Three. If the student is not satisfied at level two, the student may appeal to the Superintendent, or the Superintendent's designee, within five (5) days of receiving the written decision. The Superintendent or designee will discuss the grievance with the parties including the parents of the student if necessary. Following the discussion, the Superintendent or the Superintendent's designee shall render a written decision to the parties within ten (10) days of receiving the appeal.
4. Level Four. If the student is not satisfied with the decision at level three, within five (5) days of receiving a written decision, he/she may appeal to the Board of Education. Within one (1) month of receiving the appeal, the grievance shall be placed on the agenda of a Board meeting and all involved parties notified of the meeting at which the grievance will be discussed. Following the discussion and consideration, the Board of Education shall render a decision in writing to all parties involved.
