Second: Anne Jepson

Counselor Report: Mr. Plant

Going through Credit Recovery over the next few days.

7<sup>th</sup> grade Conferences going on. Three weeks left.

Getting 9<sup>th</sup> graders ready for upcoming Viewmont registration

Viewmont tour on 2/7

Preview and registration on 2/9, 6:30-8pm

Feb 14<sup>th</sup> is course input from 6-8pm

Immersion students have a few options: Lang class, lose digital literacy class, online is available, extra spot opens up in schedule.

Teacher Report: Mrs. Damron

No concerns at this time.

Student Report: Whitney Keller

Raised \$14,000 for sub for Santa.

Sweet week coming up – doing nice things and service. More inclusive.

February dance

Trust lands budget: Mr. Hansen

Expenditure update was given by Mr. Hansen. See insert in meeting agenda for specifics.

Next month we will learn from Lenoa Cooper

Some money spent for substitute teachers

Question was asked about language labs and if money could go toward it.

School improvement, Plan and discuss goals: Alice Roberts

Discussed the benefits of the Canvas system.

Robotics – 180 students, 24 Mindstorm kits.

Discussed base camp study skills. More useful here at school instead of at home.

Having computers in classrooms is more helpful for students.

Computers better than ipads.

Question was asked if teachers at CJH are getting used to Canvas.

Mrs. Damron said that she is working at it

Mr. Plant said that almost all of the students are using Canvas every day.

Question was asked if students could use their own devices to access Canvas.

Mr. Plant said that the app is still not seamless on these devices.

Leslie Zabriski Joined us and had this update:

Meeting with each department separately once a month.

Teaching them step by step.

Some are using it, some are not.

Math not using it because of ALEKS.

Science uses it extensively.

District has put up a lot on canvas for English.

Teachers can build quizzes and videos for students.

Mr. Plant said that 100% of students that need credit recovery are using Canvas.

Teachers have used other online resources. When we showed them Canvas they were optimistic about its helpfulness.

Discussed SIP Goals for CC review.

Mr Bolinder made a motion to adopt MPG %'s 65% in math, Language Arts 58%, Science at 54%, AP Human Geography at 63%, AP Environmental Science to 55%, Physics with Technology at 60%, and Credit Recovery as written.

Second: Jennifer Carr

All council members voted in favor

Motion to adjourn: Alice Roberts

Second: Ben Horsley

Next meeting February 21st, 2018
