3. Counselor Report (Mr. Griffiths)

May 24th at 6:30 will be the 9th Grade Night of Excellence. Invitations will be sent out to families in the mail to invite them if their student is receiving an award. Parents, grandparents, siblings and other extended family are invited to attend. Holly Reynolds asks if students can receive the awards if they are not able to attend the banquet. Mr. Griffiths says yes they will but all students should try to attend to receive their awards!

The counseling office is still updating schedule changes for 7th & 9th graders. 8th graders can make changes in August at this point. May 31st after school there will be a Credit Recovery Meeting. Students deficient will be invited to attend and they can also make up a "U" for attending the meeting. Counselors aren't expecting many students to need to attend the class since they are encouraging students to get caught up before that day.
