**Trust Lands: Kellie** showed us that we are on track in 4 out of our 5 goals. We will have some extra money, but we have an idea to bring in an outside company, International Center for Leadership in Education (ICLS) to come in and provide professional development to our teachers about utilizing data in their PLC’s. The ICLE tentative proposal was presented. CC members all agreed to incorporate this program into the School Improvement Plan. Kellie is going to write up a proposal for Logan Toone.

**SIP: Kellie** The District is not mandating our goals this year. As a CC we are able to come up with our own goals.

The goals will fall under AP, ACT, subpopulation graduation rate, professional development and CE.
