AP EXAM WINDOW ATTENDANCE POLICY

- Parents/guardians should only call or email the Attendance Office if they receive a 6PM AutoDialer phone call/email absence notification regarding their testing student's attendance.

Students will receive an all-day school-related absence on their exam day(s). The Attendance Office has been provided with a list of students to excuse for AP Testing.

Students should talk to their teachers regarding the work missed on the day of their exam, and are welcome to attend all classes that are outside of their testing window. If they are unable to return to classes after their exam or do not attend classes prior to their exam, the absence will be marked as school-related. This will allow students the flexibility to prepare and recover from the exam, and attend the classes that cannot be missed. **Testing students who do choose to attend classes on their testing day must sign in and out at the Attendance Office.**
