Get Your AP Scores Online in July

1. **EXAM TIME: FILL IN**
   - Fill in your AP® answer sheets carefully and consistently to prevent delays in score access.
   - Especially your name, date of birth, sex, mailing address, and email address.

2. **BEFORE JULY: SIGN UP**
   - Sign up for a College Board account at [collegeboard.org/register](http://collegeboard.org/register).
   - It's best to provide the same information on your College Board account and your AP answer sheet.
   - You may already have an account—try signing in to confirm. You should also double-check that the information you put on your answer sheet matches what's in your account, especially if you've recently changed your email address.
   - If you've forgotten your username or password, you can recover them on the website. You shouldn't create a duplicate account.

3. **IN JULY: REMEMBER**
   - The following information to access your scores:
   - Your College Board account username and password.
   - Your AP number (or student ID number if you provide it on your AP answer sheet).

4. **GET YOUR SCORES: LOG ON**

   - Check [apscore.org](http://apscore.org) to find the exact date when you'll be able to access your scores.
   - Look for a reminder in July at the email address you put on your AP answer sheet.
