

Intensive Care Unit

You will receive an email and/or text if your student has not turned in an assignment on the due date.

This text will show that your student has been placed on ICU for missing assignments and it will list the name of the teacher. The email will include the missing assignment.

Our hope is that you will use this information to help assist in your communication with your student about their assignments/homework/organization, etc.

At school, there will be opportunities to get assistance with the missing assignments through ICU lunch or morning/afternoon ICU with select teachers.

There is another resource to help get homework completed. Our BOOST program runs Monday through Thursday from 7:05 to 8:00am (Math assistance not available until 7:35) and from 3:20 to 4:15pm. Students must sign in at the table near the cafeteria in the morning.
