## Oak Hills Community Council Meeting Minutes

*Date | time* Thursday, Feb. 19, 2016-6PM | *Meeting called to order by* Council Members

### In Attendance

Ruthanne Keller, Marv Cassler, Cinde Thompson, Vicky Stats, Terry Miller, Misty Mayfield, Ben Pykles, Matt Bird

### Meeting Topics:

#### A. Gala Basket:

We discussed the Gala Basket donations (which so far include 6 Megaplex movie passes, ten 1-hour Get Air passes, a \$100 Hale Center Theater voucher, and a \$25 Chili's gift card). Misty Mayfield will create a sign-up genius document detailing what we still need, and Debbie will send it out to all parents. Possible other donations might include more restaurant gift cards, a spa gift certificate, a Lagoon pass, a ski pass, a Smith's gift card, etc. Hoping for many more donations!

#### B. Safety issues at the school were discussed. The questions asked were: 1) Where do we stand on the District's list of repair priorities? 2) What is the cost to re-work the office configuration (so that all visitors have to pass through the office before entering the school)? If the District won't fund it, can we fundraise? Ruthanne will find answers so we know how to proceed. We reviewed a letter to parents that Elissa Smith wrote, which reminds everyone of some basic safety protocols. A few changes to the letter were suggested and will be forwarded to Elissa. Another safety idea discussed was the possibility of having more fences installed to further secure the playgrounds and field.

#### C. Misty reported that PTA is getting ready for the Read-a-Thon (Feb. 20-March 4th), continuing with play practices for High School Musical Jr, and are beginning to fill the PTA board for next year. PTA is also very happy with how Student Council is going, under the leadership of Kristine Wadsworth.
