

# Community Council Meeting

Odyssey Elementary 02/14/17

Meeting Start Time 8:00

Attending: Ali Jones, Ryan Robison, Julie Peters, Shauna Smith, Cathy Tonge, Nicole Mann, Lisa Northcutt,

Logan Toone from district came and talked about our responsibilities as Community Council Members. Should have a financial summary every month (at least 5 minutes to review on plan). Talked about our responsibility with Land Trust funds, and also other issues affecting the school. It was decided that we will add some more meetings before the planning day on April 17<sup>th</sup>, so we can in detail go over our school plan and discuss the best ways we can use the Land Trust monies to help our school and teacher development. Next month we will go over Diebels scores and decide the most effective way we can use land trust funds to help reach our goals as a school. We will have another meeting February 28<sup>th</sup> to work on goals.

After we get school improvement plan completed we will discuss the effectiveness of APEX, and go over other issues, such as crossing guards, etc.

Meeting adjourned: 8:40 am
