

## Community Council Meeting

Odyssey Elementary 9-21-16

Meeting Start Time: 8:05 am

Attending: Ali Jones, Julie Peters, Shauna Smith, Cathy Tonge, April Toone and Lisa Northcutt.

Odyssey Olympics - raised \$5474.67 last year. The hope was to get a matching grant from the district for \$5000. However, the grant was not applied for and have probably missed the window, but we will check to see if it can still be done.

Structured Recess –The guidelines for using trust lands no longer support structured recess. The administration worked with JSSC on scheduling to keep structured recess in a modified form in order to still have it be an important part of movement for the school. If the matching grant from the district is still a possibility and structured recess follows the grant’s guidelines, it will be used to fully fund structured recess.

Trust Lands Money – This year the projected amount received from Trust Lands is \$42,000. This money will be spent according to the goals identified in our School Improvement Plan which is also posted on our webpage.

Meeting adjourned: 8:40 am
