OUTSTANDING CUSTOMER SERVICE PROGRAM**

DESCRIPTION: Customer service is a highly important part of the Orange Unified School District. Several key characteristics set outstanding customer service apart from mediocre customer service. The “Attitude is Everything” recognition program has been designed with the District’s Top Ten Core Values in mind, that of providing outstanding customer service.

Certificated and classified employees who have been nominated by their peers, co-workers, and/or supervisors are selected for this monthly recognition based on their positive “can do” attitude as reflected in daily activities. Qualifications for this recognition include:

- Demonstrating a positive and caring attitude;
- Being responsive, reliable, and respectful when resolving an issue;
- Consistently going the extra mile;
- Always a team player.

This month, two employees were chosen for exemplifying outstanding customer service:

Canyon High School**

The Board of Education will recognize **Debbie Cheuvront and Jenny Treanor** as the recipients of the Outstanding Customer Service Award for the month of May.

TOPIC: **BOARD RECOGNITION: DISTINGUISHED SCHOOL AWARD
– CRESCENT ELEMENTARY SCHOOL**

DESCRIPTION: Forty-three Orange County public schools were named as 2018 California Distinguished Schools, the state's top honor for campuses. The prize goes to schools with the highest overall achievement scores in academic and non-academic indicators. Distinguished Schools must meet targets for suspension rates, equity among all student groups and other indicators and are recognized for having made exceptional gains in implementing academic content and performance standards.

Tonight, the District is pleased to honor Crescent Elementary School for being awarded the 2018 California Distinguished School Award. Schools recognized as a California Distinguished School Awardee hold the title for two years.

TOPIC: **BOARD PROCLAMATION: "CLASSIFIED SCHOOL EMPLOYEE WEEK" – MAY 20-26, 2018**

DESCRIPTION: The California Legislature adopted the the third full week of May each year as "Classified Employee Week" to honor the invaluable contributions of classified school employees and to recognize their service and dedication to school districts.

Classified employees are the heartbeat of our schools. From transporting and feeding students to teaching them vital skills and ensuring that schools are operating smoothly, classified employees are integral to public education. Classified employees perform a wide range of essential work, including food service, maintenance and operations, transportation, instructional assistance and office and clerical work, security, library, media assistance, computer services and more.

The attached proclamation declares May 20-26 as "Classified School Employee Week". The purpose of this proclamation is to recognize the contributions of the 1,300 classified employees who serve as partners in education with the District's certificated and administrative employees and commend them for the vital role they play in the day-to day operations of our schools.

The Board of Education officially proclaims May 20-26, 2018 as "Classified School Employee Week" and encourages students, parents, staff, and community members to participate in events and activities to honor our classified employees.

RESOLUTION NO. 28-17-18: RESOLUTION OF THE BOARD OF EDUCATION OF THE ORANGE UNIFIED SCHOOL DISTRICT AUTHORIZING THE EXECUTION AND DELIVERY OF A GROUND LEASE, A LEASE AGREEMENT, A TRUST AGREEMENT, A CERTIFICATE PURCHASE AGREEMENT AND A CONTINUING DISCLOSURE CERTIFICATE WITH RESPECT TO THE EXECUTION AND DELIVERY OF ORANGE UNIFIED SCHOOL DISTRICT CERTIFICATES OF PARTICIPATION (2018 FINANCING), AUTHORIZING THE EXECUTION AND DELIVERY OF SUCH CERTIFICATES EVIDENCING PRINCIPAL IN AN AGGREGATE AMOUNT OF NOT TO EXCEED \$11,000,000, AUTHORIZING THE DISTRIBUTION OF AN OFFICIAL STATEMENT IN CONNECTION THEREWITH AND AUTHORIZING THE EXECUTION OF NECESSARY DOCUMENTS AND CERTIFICATES AND RELATED ACTIONS

DESCRIPTION:

In order to finance the construction and installation of the Fred Kelly Stadium at El Modena High School (the "Project"), the District proposes to cause the Orange Unified School District Certificates of Participation (2018 Financing) (the "Certificates") to be executed and delivered. The proceeds of the Certificates will be used to (i) finance the Project, (ii) fund a reserve fund or finance the purchase of a reserve fund surety, and (iii) pay the costs incurred in connection with the execution and delivery of the Certificates, including the purchase of municipal bond insurance if economical or advantageous to the District.

The proposed transaction is structured as a lease between the District and the Orange Schools Financing Corporation (the "Corporation"). The District expects to lease certain land and improvements, consisting of a portion of the El Rancho Charter Middle School campus, including the gymnasium and science lab building, the physical education building and approximately half of the parking at such campus (the "Property"), to the Corporation pursuant to the Ground Lease, and to sublease the facilities back for continued use by the District, pursuant to the Lease Agreement. The Corporation will assign its rights in the Ground Lease and the Lease Agreement to U.S. Bank National Association, as Trustee, pursuant to an Assignment Agreement. The obligation to pay rent each year under the Lease Agreement will be evidenced by the Certificates, and the Certificates will be sold to investors.

If upon the review of title reports and other matters relating to the Property is shown to have an encumbrance or attribute that would affect the marketing of the Certificates or any attribute that would otherwise cause it to fail any applicable rating agency, bond insurer or reserve surety provider criteria for leased assets, additional or alternative portions of the El Rancho

Charter Middle School campus may be included in the Property to be leased under the Ground Lease and the Lease Agreement if such site or sites, or combination thereof, would aggregate a sufficient total value or alleviate any issue with such an encumbrance or attribute.

The proposed Resolution approves a not to exceed amount of \$11 million in aggregate principal for the Certificates. The Resolution also approves the draft forms of legal documents necessary for this transaction including:

1. Ground Lease (from District to Corporation);
2. Lease Agreement (from Corporation to District);
3. Trust Agreement (governing the execution and delivery and terms of repayment of the Certificates);
4. Certificate Purchase Agreement (committing the District and Underwriter to final terms of sale of the Certificates);
5. Continuing Disclosure Certificate (committing the District to annually update financial disclosures); and
6. Preliminary Official Statement (describing the Certificates to investors).

All legal documents are available at the Orange Unified School District's Business Services Office located at 1401 North Handy Street, Orange, California 92867 during normal business hours.

The District has engaged Fieldman, Rolapp & Associates, Inc. to perform financial advisory services in connection with the delivery of the Certificates. The Certificates are to be purchased by RBC Capital Markets, LLC, selected by the District. The District will be represented by Orrick, Herrington & Sutcliffe LLP as special counsel. The District and the Corporation will also be represented by Parker and Covert LLP, as general counsel to the District and Corporation.

FISCAL IMPACT:

The District has made improvements to the Property for the benefit and use of the El Rancho Charter Middle School, and the El Rancho Charter Middle School has agreed to pay the District for use of such improvements. Under the Lease Agreement, the District is obligated to pay the base rental payments from any source of legally available funds of the District. To meet such obligations, the District intends, as part of its internal payment plan, to apply the payments received from the El Rancho Charter Middle School toward the base rental payments evidenced by the Certificates as such payments become due.

RECOMMENDATION:

It is recommended that the Board of Education adopt Resolution No. 28-17-18.

the fees and charges paid to third parties not paid with the proceeds of the Certificates, and such estimates are disclosed and set forth in Exhibit A attached hereto; and

WHEREAS, the District desires to proceed to deliver the Certificates and to authorize the execution of such documents and the performance of such acts as may be necessary or desirable to effect the offering, sale and delivery of the Certificates; and

EXHIBIT A

GOOD FAITH ESTIMATES

The good faith estimates set forth herein are provided with respect to the Certificates. Such good faith estimates have been provided to the District by RBC Capital Markets, LLC, the underwriter of the Certificates (the “Underwriter”) and Fieldman, Rolapp & Associates, Inc., the District’s financial advisor (the “Financial Advisor”).

Principal Amount. The Underwriter and the Financial Advisor have informed the District that, based on the District’s financing plan and current market conditions, their good faith estimate of the aggregate principal amount of the Certificates to be sold is \$9,090,000 (the “Estimated Principal Amount”).

True Interest Cost of the Certificates. The Underwriter and the Financial Advisor have informed the District that, assuming that the Estimated Principal Amount of the Certificates is sold, and based on market interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the true interest cost of the Certificates, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Certificates, is 3.860%.

Finance Charge of the Certificates. The Underwriter and the Financial Advisor have informed the District that, assuming that the Estimated Principal Amount of the Certificates is sold, and based on market interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the finance charge for the Certificates, which means the sum of all fees and charges paid to third parties (or costs associated with the Certificates), is \$291,209.47.

Amount of Proceeds to be Received. The Underwriter and the Financial Advisor have informed the District that, assuming that the Estimated Principal Amount of the Certificates is sold, and based on market interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the amount of proceeds expected to be received by the District for sale of the Certificates, less the finance charge of the Certificates, as estimated above, and any reserves or capitalized interest paid or funded with proceeds of the Certificates, is \$10,000,000.

Total Payment Amount. The Underwriter and the Financial Advisor have informed the District that, assuming that the Estimated Principal Amount of the Certificates is sold, and based on market interest rates prevailing at the time of preparation of such estimate, their good faith estimate of the total payment amount, which means the sum total of all payments the District will make to pay the Certificates, plus the finance charge for the Certificates, as described above, not paid with the proceeds of the Certificates, calculated to the final maturity of the Certificates, is \$16,190,788.89.

The foregoing estimates constitute good faith estimates only. The actual principal amount of the Certificates issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to (a) the actual date of the sale of the Certificates being different than the date assumed for purposes of such estimates, (b) the actual principal amount of

Certificates sold being different from the Estimated Principal Amount, (c) the actual amortization of the Certificates being different than the amortization assumed for purposes of such estimates, (d) the actual market interest rates at the time of sale of the Certificates being different than those estimated for purposes of such estimates, (e) other market conditions, or (f) alterations in the District's financing plan, or a combination of such factors. The actual date of sale of the Certificates and the actual principal amount of Certificates sold will be determined by the District based on the need for project funds and other factors. The actual interest rates borne by the Certificates will depend on market interest rates at the time of sale thereof. The actual amortization of the Certificates will also depend, in part, on market interest rates at the time of sale thereof. Market interest rates are affected by economic and other factors beyond the control of the District. The Board of Education has approved the execution and delivery of the Certificates with a maximum true interest cost of 5.00%.

INFORMATION ITEMS

TOPIC: **REPORT ON THE STATUS OF THE OTHER POST-EMPLOYMENT BENEFIT (OPEB) BOND INVESTMENT PORTFOLIO**

DESCRIPTION: The Board of Education approved the issuance and sale of Taxable Retirement Health Benefits Funding Bonds (OPEB bonds) on April 17, 2008. The amount of bonds sold totaled \$94,765,000 and was comprised of:

\$93,763,635	Actuarially Determined Liability
<u>\$ 1,001,365</u>	Cost of Issuance
\$94,765,000	

Additionally, the District had previously deposited \$2,000,000 in the Futuris Public Entity Investment Trust (Trust) bringing the total funds available for investment to \$95,763,635.

The OPEB bonds were marketed as taxable instruments to allow the District to realize positive arbitrage from the investment revenue and appreciation in excess of the interest payments on the bonds. The net income is to be used for retiree health benefit obligations. The fixed income investments are performing as anticipated, and the equity investments have recently performed better than the anticipated portfolio pro forma. While the value of the portfolio was in step with the overall stock market up until December 2017, modifications were made to the Portfolio mix at the December 2017 meeting, locking in the gains in the stock market and minimizing the losses incurred in 2018.

This report will provide the Board of Education and public with an update as to the allocation and performance of the investment portfolio. The District is making retiree health and benefit payments from Fund 71 and bond service payments from the General Fund.

The District is continuing to make retiree health benefits payments on a pay-as-you-go basis from the Fund 71.

This item is for information only.

TOPIC: MEASURE S CAPITAL FACILITIES PROGRAM – OWNER CONTROLLED INSURANCE PROGRAM

DESCRIPTION: An Owner Controlled Insurance Program (OCIP) is an insurance policy held by a school district during the construction or renovation of a school site, which is designed to cover virtually all liability and loss arising from the construction project. The traditional method for insuring construction projects consists of each general contractor and subcontractor obtaining their own insurance policies. Under an OCIP, all construction related insurance is purchased by the district as part of a single policy from a single insurer. A district benefits from an OCIP in that all insurance costs are collected into a single policy premium. The value of the program is in the streamlining of insurance administration. In the unfortunate event that a loss should occur, the OCIP provider is singularly responsible for coverage of the loss.

The concept of implementing an OCIP for Measure S is being considered as a cost effective and efficient method of providing insurance coverage for the Measure S Capital Facilities Program.

Per Board request, information regarding an OCIP will be presented.

CONTRACT SERVICES REPORT – MEASURE S

DESCRIPTION:

The following is a report of contract services items for the Measure S Program:

**STATE OF CALIFORNIA,
DEPARTMENT OF
GENERAL SERVICES,
CMAS CONTRACT NO.
4-18-51-0061A AND NO.
4-18-51-0061C**

Effective October 12, 1994, the State of California approved the use of California Multiple Award Schedules (CMAS) by local governments (i.e., city, county, district, or other local governmental body empowered to expend public funds) for a wide variety of commodities, inclusive of equipment, supplies, materials, and services. Using a CMAS contract awarded by the California Department of General Services (DGS) is a cost-effective manner of procurement for products and services that is available to school districts. Public Contract Code sections 20118, 10298, and 10299 permit school districts to utilize competitively bid contracts, inclusive of master agreements such as CMAS contracts.

On March 22, 2018, the Board approved CMAS Master Contract No. 4-18-51-0061B, awarded to ACCO Engineered Systems, Inc., for the purchase of electrical switchgear equipment for the Orange High School Science Center project. However, the State of California, Department of General Services, awarded two other CMAS contracts to ACCO Engineered Systems, Inc., which will be beneficial for the District: California Multiple Award Schedule (CMAS) Master Contract No. 4-18-51-0061A, effective January 12, 2018 through April 2, 2021, and California Multiple Award Schedule (CMAS) Master Contract No. 4-18-51-0061C, effective March 19, 2018 through March 19, 2022. The latter two contracts will allow for the purchase and warranty of upgraded equipment necessary to increase the main switchgear's system. These contracts are based on some or all of the products and/or services and prices from a GSA schedule.

Staff has determined that it is in the best interest of the District to utilize the two additional CMAS contracts for the purchase of upgraded switchgear equipment for the Measure S Program project at Orange High School from ACCO Engineered Systems, Inc.

There is an immediate need to purchase various power distribution switchgear equipment to facilitate infrastructure upgrades for the Measure S Program at Orange High School. This is an administrative approval with no financial impact; the cost of the switchgear was approved on March 22, 2018.

FISCAL IMPACT:

No fiscal impact

RECOMMENDATION:

It is recommended that the Board of Education approve the Contract Services Report – Measure S Program as presented.

TOPIC: **PURCHASE ORDERS LIST**

DESCRIPTION: Purchase orders and change orders processed are in accordance with the rules and regulations of the Board of Education and applicable legal requirements of the State of California.

District procedures and computer system controls require that an approved purchase order, pay voucher, current liability, or credit memo exist on the District's computer system prior to the issuance of warrants. There may be multiple warrants drawn against a given purchase order, up to the maximum amount for that purchase order. The system restricts the processing of payment amounts in excess of the issued purchase order.

Note that the purchase order system allows for a one-line description of the services or item procurement. The issued purchase order forms a contract between the District and the vendor.

FISCAL IMPACT: \$2,123,451.86

RECOMMENDATION: It is recommended that the Board of Education approve the Purchase Order List dated March 26 through April 22, 2018 in the amount of \$2,123,451.86.

RESOLUTION 31-17-18 OF THE BOARD OF EDUCATION OF THE ORANGE UNIFIED SCHOOL DISTRICT FINDING THE PROPOSED DISTRICT EDUCATION CENTER PORTABLE MODULAR BUILDING PROJECT EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT, APPROVING THE FILING AND RECORDATION OF A NOTICE OF EXEMPTION, AND APPROVING THE PROJECT

DESCRIPTION:

In the spring of 2018, Chapman University donated a 36' x 60' (2,160 sq. ft.) portable modular building science building to the District and pledged to contribute \$50,000 toward the relocation of the building from their campus to a District site. Included in the donation is classroom service equipment and furnishings. This is a manufactured commercial modular building constructed in compliance with the California Department of Housing and Community Development regulations. The best use for the building is to place it at the District Education Center and use it as an administrative/training/ meeting room. The furnishings and science equipment will go to school sites.

Projects undertaken by public agencies are subject to the California Environmental Quality Act (CEQA) as outlined in Public Resources Code (PRC) Section 21000 et seq. and the State CEQA Guidelines (title 14. California Code Regulations, Section 15000 et seq.). PRC section 21065 defines a project as follows:

"Project" means an activity which may cause either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment...

The proposed District Education Center Portable Modular Building Project is a "Project" under CEQA. Staff has evaluated the Project in whole and has determined that the proposed improvements are categorically exempt from further environmental review under the provisions of Title 14. California Code Regulations, Sections 15301 and 15303.

Class 1 Exemption (§15301) – Existing Facilities (minor alterations to existing facilities involving negligible or no expansion beyond current use, including additions to existing structures of up to 2,500 square feet).

Class 3 Exemption (§15303) – New Construction or Conversion of Small Structures (installation of small structures not exceeding 2,500 square feet in area).

Staff has determined that the Project is not subject to any exceptions to the categorical exemption (CEQA Guidelines Section 15300.2). Therefore, the District may file a Notice of Exemption (NOE) for the Project, which exempts the Project from further environmental review and the provisions of CEQA.

This is to certify that this item was approved by the Board of Education.

Gunn Marie Hansen, Ph.D.
Superintendent and Secretary
Orange Unified School District

Adoption of Resolution 31-17-18 provides the required acknowledgements and findings with respect to the Portable Modular Building Project to enable the District to:

1. Find the Proposed District Education Center Portable Modular Building Project Exempt from CEQA
2. Approve the Filing and Recordation of a NOE
3. Approve the Project
4. Authorize staff to file the NOE for the Project with the appropriate public agencies

Upon approval, the Notice of Exemption will be filed with the County Clerk and the State Office of Planning and Research (OPR). The filing of a Notice of Exemption with the County Clerk starts a 35-day statute of limitations period on legal challenges to the agency's decision that the project is exempt from CEQA.

FISCAL IMPACT:

There is no fiscal impact as a result of adopting Resolution 31-17-18.

RECOMMENDATION:

It is recommended that the Board of Education adopt Resolution 31-17-18: (1) Finding the Project Exempt from CEQA; (2) Approving the Filing and Recordation of a NOE, (3) Approving the Project, and (4) Authorizing staff to file the NOE for the Project.

Implementing a data dashboard created by Aeries Analytics by Eagle Software would allow our high schools to follow the college and career readiness of our students. The College/Career Indicator measures how well local educational agencies (LEAs) and schools are preparing students for likely success after graduation. Aeries Analytics would provide us the opportunity to create dynamic dashboards customized to include all the college and career readiness indicators. From the reports and tables created, users can click on each component to see a list of students who meet the chosen criteria. These capabilities will allow the user to see data in each sub-group. In addition, Aeries Analytics has an "early dropout warning system" to alert users about students at risk of not graduating.

The District will enter into an agreement with Voyager Sopris Learning to purchase the DIBELS Next Assessment and Online Scoring VPORT. This universal screening tool will assist teachers with the monitoring of reading development in grades K-6. Based on the results, teachers will be able to provide students with individualized instruction and necessary support to access core content standards. The progress-monitoring tool will also provide additional on-going screening for intensive and strategic students on a weekly, bi-weekly, or monthly basis based on the assessment type. These results will provide teachers with relevant data for continuing or modifying their current instruction and/or intervention in order to scaffold intensive and strategic students toward meeting identified benchmarks.

PLAN FOR PROVIDING EDUCATIONAL SERVICES TO ALL EXPELLED STUDENTS IN ORANGE UNIFIED SCHOOL DISTRICT 2018-2021

General Provisions

As required by Education Code 48926, the Orange County Superintendent of Schools has developed an expulsion plan in conjunction with the Superintendents of the school districts in Orange County. The plan provides for educational services to all expelled students in the county for school years 2018-19, 2019-20 and 2020-21. A student whose behavior has resulted in an expulsion is provided a rehabilitation plan which ensures placement in an educational program and establishes the criteria for return to the Orange Unified School District. All educational alternatives provided by Orange County school districts are not available to all expelled students. The type of offense, location of offense, grade level and nature of the student's individualized needs; all have the potential to affect the educational alternatives available to the student during the period of expulsion. Students expelled for any of the offenses listed in subdivision (a) or (c) of Section 48915 of the California Education Code shall not be permitted to enroll in any district-operated program during the period of expulsion unless it is a community day school (E.C. 48915.2).

As indicated in the Orange County Expulsion plan, the options available to Orange Unified School District after an expulsion decision include, but are not limited to the following:

1. Expulsion, suspended order, with placement on the same school campus [E.C. 48917 (a)].
2. Expulsion, suspended order, with placement on a different school campus within the district [E.C.48917 (a)].
3. Expulsion with referral to a district alternative suspension/expulsion classroom, if available (E.C. 48660).
4. Expulsion with subsequent transfer to another district.
5. Expulsion with referral to the Orange County Department of Education, Alternative, Community and Correctional Education Schools and Services (ACCESS) (E.C. 1981).

Actual referral to a district alternative suspension/expulsion classroom or county community school is made by the Orange Unified School District governing board with recommendations from the office of Student and Community Services, district discipline review board, School Attendance Review Board (SARB), or by another established district referral process as required by statute.

TOPIC: ORANGE PRE-K – PROPOSED FEE RATES FOR 2018-19

DESCRIPTION: The Orange Pre-K Program offers a fee based peer model program. The Peer Model Program provides an opportunity for typically developing children to be integrated into our Early Childhood Special Education classrooms to serve as role models for our children with special needs. Peer models serve as our general education students for the purpose of inclusive schooling and ensuring the least restrictive environment. Peer Model students provide positive peer interactions, demonstrate play skills, and model appropriate language and behavior for children with special needs while in the classroom/playground setting.

A tuition rate adjustment is recommended for the Peer Model Program for the 2018-19 school year. The rate change is necessary to continue covering operating costs of the programs including facility maintenance, playground equipment and technology upgrades. The proposed rates are comparable to similar public and private programs in the community.

This is to certify that this item was approved by the Board of Education.

TOPIC: **RESOLUTION NO. 32-17-18: SIGNATURE AUTHORIZATION**

DESCRIPTION: Authorization of signatures is an item which is routinely updated to reflect changes in personnel and to comply with the requirements of the California Education Code.

As the agency which ultimately releases District payrolls and warrants, the Orange County Department of Education (OCDE) must maintain on file the approved signature authorizations for all school districts. The signatures are applicable to various documents which are approved by the Board of Education and in compliance with the Education Code and other pertinent state and federal laws. The administrative/leadership employees for whom the signature authorizations are designated do not transfer that authority to any staff members.

Purchase orders are processed within the limitations of existing site/program budgets, with the P.O. listing submitted to the Board at each meeting. Non-routine expenditures for consultants, contracts, major facility additions, etc. are submitted to the Board separately for authorization. Before the preparation of a warrant, it is determined that the proper authorization and approvals exist. Warrants prepared by the District are forwarded to the OCDE for review of documentation, signature, and entry to OUSD's county ledgers before they are returned to the District for release to vendors, consultants, or contractors. Purchase orders, bid documents, warrants, payroll, federal/state/county documents, etc. are audited by the District's independent audit firm.

FISCAL IMPACT: This item has no fiscal impact.

RECOMMENDATION: It is recommended that the Board of Education adopt Resolution No. 32-17-18 granting signature authorization for specific District administrative/leadership employees as indicated on the attached document.

This is to certify that this item was
approved by the Board of Education.
