Math Teacher Recommendation

Applying for Grades 7-12

Name of Applicant _____ Applying for Grade _____

The student named above has applied for admission to Charlotte Country Day School. Please complete the information requested below. This information is confidential and privileged. **It is for Admissions Office use only and will not be part of the student's permanent record.** Your professional opinion is extremely helpful in evaluating this applicant. Thank you for your help.

Rating	Superior	Good	Average	Poor	Unknown	Comments
Scholarship						
Intelligence						
Expression of ideas						
Reliability						
Qualities of leadership						
Study habits						
Creativity						
Industriousness						
Cooperativeness						
Courtesy						
Maturity related to age						

How long have you known the applicant and in what capacity?

Where would you place the applicant's current performance in math?

- Below grade level
- On grade level
- Above grade level

Where appropriate, list any strengths or weaknesses the applicant has in math.

Everything considered, how successful do you think this applicant would be in a demanding college preparatory program?

- Superior
- Good
- Fair
- Poor

Please list the math textbooks and required materials this applicant is currently using.

I recommend this applicant for the following class placement:

- First year Algebra (a thorough course with quadratics)
- Geometry
- Geometry Honors (includes numerical trigonometry through the laws of sine and cosine)
- Second year Algebra
- Second year Algebra Honors (includes linear, quadratic, power, exponential, logarithmic, polynomial, and rational functions, expressions, and equations)
- Precalculus (including analytical trigonometry, polar and parametric functions and equations)

Please add any comments you feel might be helpful.

If you prefer to submit your statement or evaluation in any other form, we are happy to receive it.

Signature of reference _____ Date _____
