

# Community Council Meeting Minutes

Location: Media Center  
November 21, 2014 at 2:00 p.m.

In Attendance: Jessica Gibbons, Cherie Matsen, Tammy Thomas, Kim Landon, Douglas Forsgren

- I. Welcome – Tammy Thomas
- II. Approve Minutes from Previous Meeting - Motion to approve minutes made by Doug Forsgren, seconded by Cherie Matsen. All approved the motion.
- III. Reports about Standing Duties for School Improvement:
  - A. Trust Lands: Plan is being implemented as planned.
  - B. Reading Improvement – Reading groups are up and running. They seem to be going well. There is specific focus in 4<sup>th</sup> grade where we had several lower students.
  - C. Technology Advancement – A grant to install a projector in the gym was turned in. We will find out in January if we receive the grant or not.
  - D. Staff Development – Last CMI session went well. We are beginning to see some implementation in the classroom. The school provided 2 days of subs from Trust Lands money for training for the new 3<sup>rd</sup> grade teacher.
- IV. Miscellaneous Business:
  - A. SAGE Data: Mr. Forsgren talked in length about the SAGE data. This data is difficult to compare to past years but in terms of how Farmington stacks up against other district schools, there were some areas of concern. In general, there were 2 grades of concern. On grade level team is made up of completely different teachers at this time. The school is working with them to start off on the right foot. The other grade level is working with a math coach and ELA coordinator to promote better teaching strategies.
  - B. Letter to lawmakers was sent.
- V. Adjournment: Motion to adjourn was made by Kim Landon, seconded by Jessica Gibbons and supported unanimously.
