Tammy turned the time over to Principal Forsgren. We discussed:

- Principal Forsgren went over our current year trust lands budget. \$30,500 to begin the year. We've spent \$20,700. \$5400 more is encumbered with salaries.
- The council discussed the proposed 2015-2016 Community Council plan. The full plan is available, and the area's covered were:
 - DIBELS
 - SAGE
 - PLC's
 - Math Reasoning
 - SEM
 - District Goals
 - Parents Help With Math: This topic generated lots of discussion. Parents are often willing to help with homework, but the current way of teaching math is often different from the way adults were taught. It was discussed that there is a need to provide resources for parents to understand the current curriculum in order to provide better support at home.,
- Tammy Thomas moved that we approve the plan as written, which was seconded by Valerie Johnson. The voting was unanimous in favor by those in attendance.
- The plan will now be sent to the district and school board before it is published.

After conducting the aforementioned business and having concluded all discussion Tammy Thomas **motioned that we adjourn**, which was seconded by Doug Forsgren. Voting was unanimous in favor of this motion by those in attendance.
