In Attendance: Doug Forsgren, Cherie Matsen, Kimberly Landon, Lorraine Gregory, Sandi Waggoner, Tammy Thomas, Valerie Johnson,

- I. Welcome – Lorraine Gregory
- II. Approve March Meeting Minutes – Motion to approve minutes was passed 7-0
- III. Reports of Standing Committees for School Improvement
 - A. Trust Lands:
 - a. Review Proposed School Improvement Plan Goals: The proposed plan was emailed out to the committee earlier in the week to look over. The proposed goals along with the allocated Trust Lands funding were reviewed, explained in detail by the principal, and discussed. The addition of a parent survey was included for the CCR goal to gauge parent feelings on student development of mathematical habits of mind.
 - b. Review Trust Land Funding Allocation – Review with plan
 - c. Vote of Approval – Motion to approve passed 7-0
 - d. Sign Signature Page – Signature page was passed around. Members not in attendance will receive an email from the school office encouraging them to share their insights and to sign for their participation.
 - B. Reading Improvement - No business
 - C. Technology Advancement - The school will be able to use the computer refresh money to purchase iPads next year. This should put an iPad in the hands of every teacher as well as begin providing them for student use.
 - D. Staff Development – Dr. Damon Bahr Training Report – Teachers responded in email to Mr. Forsgren about the training. It was considered a great success. Mrs. Landon reported having received 2 emails from parents about student improvement in attitude towards math. Part of the SIP is to continue with more training guided by Dr. Bahr
- IV. Miscellaneous Business

- A. District Strategic Plan Review – No feedback was given. Members generally expressed their approval of the current plan.
 - B. Do we need to meet next month? – Motion to not meet next month was passed 7-0.
- V. Adjournment – Motion to adjourn was seconded and passed unanimously.
