

Billings School District 2

STUDENTS

District-Provided Access to Electronic Information, Services and Networks

General

The District makes Internet access and interconnected computer systems available to District students and faculty. The District provides electronic equipment and networks, including access to the Internet, as part its instructional program and to promote educational excellence by facilitating resource sharing, innovation, and communication. The District will provide training conducive to maximizing effective and appropriate use of these resources.

The District expects all students to take responsibility for appropriate and lawful use of this access, including good behavior on-line. The District may withdraw student access to its network and to the Internet when any misuse occurs. District teachers and other staff will make reasonable efforts to supervise use of computers, the network and Internet access; however, student cooperation is vital in exercising and promoting responsible use of this access.

Curriculum

Use of District electronic equipment and networks will be consistent with the curriculum adopted by the District, as well as with varied instructional needs, learning styles, abilities, and developmental levels of students and will comply with selection criteria for instructional materials and library materials. Staff members may use the Internet throughout the curriculum consistent with the District's educational goals.

Acceptable Uses

1. Educational Purposes Only. All use of the District's electronic network must be: (1) in support of education and/or research, and in furtherance of the District's stated educational goals; or (2) for a legitimate school business purpose. Use is a privilege, not a right. Students and staff members have no expectation of privacy in any materials that are stored, transmitted, or received via the District's electronic network or District computers. The District reserves the right to monitor, inspect, copy, review, and store, at any time and without prior notice, any and all usage of computers, systems, networks and Internet access and any and all information transmitted or received in connection with such usage.
2. Unacceptable Uses of Network.
 - A. Uses that violate the law or encourage others to violate the law
 - B. Uses that cause harm to others or damage to their property

- C. Uses that jeopardize the security of computers, systems, or networks of the District or others
- D. Exposing self or others to the potential of personal harm
- E. Uses that are commercial transactions.

Warranties/Indemnification

The District makes no warranties of any kind, express or implied, in connection with its provision of access to and use of its computer networks and the Internet provided under this policy. The District is not responsible for any information that may be lost, damaged, or unavailable when using the network or for any information that is retrieved or transmitted via the Internet. The District will not be responsible for any unauthorized charges or fees resulting from access to the Internet. Any user is fully responsible to the District and will indemnify and hold the District, its trustees, administrators, teachers, and staff harmless from any and all loss, costs, claims, or damages resulting from such user's access to its computer network and the Internet, including, but not limited to, any fees or charges incurred through purchase of goods or services by a user. The District expects a user or, if a user is a minor, a user's parents or legal guardian to cooperate with the District in the event of its initiating an investigation of a user's use of access to its computer network and the Internet.

Violations

If a user violates this policy, the District will deny a student's access or will withdraw access and may subject a student to additional disciplinary action. An administrator or building principal will make all decisions regarding whether or not a user has violated this policy and any related rules or regulations and may deny, revoke, or suspend access at any time, with that decision being final.
