

Antelope Elementary School Community Council Meeting Minutes
Nov 2, 2017 - 4:00pm
Antelope Elementary School Library

Welcome

Council Members in attendance: Cassidy Mellor, April Tobler, Wendy Byington, Liz Hansen, Tiffany Tuck, Lori Burnett, Jennifer Ziegler

Absent: Jennie DeFriez, Jamie Nash, Jacque Bullock, Kathryn Dowdle

Approval of Oct Minutes

Unanimous Approval

Voted to have Wendy Byington fill a vacant spot on the council for a 2 year term.

CC Training

Mrs. Tuck showed the CC training video.

Follow up from State Training

Cassidy gave the council members a synopsis of her training that she went to as well as gave information for members to have access to training via the internet.

For the digital citizenship part of CC, she explained that there are two parts to the law. The first is that the Administration reports to the CC what the district does regarding technology. Then the CC would talk about what devices are used in the classroom, what their purpose is and are they meeting the needs of our students.

They want us to work with students to make sure they aren't just learning things to avoid on the internet, but to also be good digital citizens and using those resources to promote good digital behavior.

Basic Training (Jennie)

Moved to December meeting

Box Top Updates (Jamie)

We use the Box Top money for fieldtrips.

Jamie is getting a contest together to encourage students and families to donate Box Tops to the school through their classroom. She will have Mrs. Spackman put information in the newsletter so parents know the contest is starting in January. She can also put signs up before ILP's so parents see that we are collecting them.

Other Topics

School safety outside: Tiffany revised teacher duties for cross walk, doors and south parking lot. So those areas are covered. They will also be adding cones to block access to the south parking lot. The order for painting the curb by the stairs in the north parking lot has been submitted, so that will be done as well.

Still need prices and options for Friendship Benches.

Future Agenda Items

Digital Citizenship

Friendship Benches (loose change fundraiser)

SIP Update
