

# Course Weight Task Force

---

SBISD

September 27, 2017

# Empathy Share-out

---

1. Campuses share-out what they learned from the empathy work.
2. Table Talk
  - a. What did you hear from the empathy work?
  - b. How does the input challenge your previous thinking?
  - c. What are the key takeaways from the empathy work?  
(Write the key takeaways on chart paper & be prepared to share out.)

# Guiding Principles

---

## Top 3 Principles

- Tables review the guiding principles and empathy work and decide on their top three guiding principles.
- Pairs of tables compare lists and reconcile to three principles.
- Continue to consolidate lists until we get to three for the whole committee.

# Proposal Considerations - Advocacy

## 1 | Develop Proposal

1. Clear articulation of discrete proposals
2. Teams answer following questions:
  - a. Impact on guiding principles
  - b. Who is advantaged/dis-Advantaged?
  - c. Why this proposal?

## 2 | Present Proposal

1. Each team presents their proposal
2. Other committee members ask clarifying questions.
3. Additional arguments for the proposal can be added at this time.

# Proposal Considerations – Critical Feedback

## 1 | Develop Critical Feedback

1. Individuals/teams with critical feedback answer the following questions.
  - a. How might the proposal be in conflict with our guiding principles?
  - b. What are the possible unintended consequences?
  - c. Why might the disadvantages outweigh the state advantages?

## 2 | Present Critical Feedback

1. Each team presents their critical feedback
2. Other committee members ask clarifying questions.
3. Additional feedback shared.
4. Reconciliation - ways to amend to mitigate issues?

# Next Meeting

---

1. Proposed Date: October 24
2. Next round of proposal work.
  - a. First cut
  - b. Packaging proposals
3. “Test Drive” proposals
4. Begin working on draft proposal
